### REQUEST FOR INTERVENTION IN MY ADMISSION STATUS AT UNIVERSITY OF NIGERIA, NSUKKA

I got admitted into the 200 level Direct Entry programme in the Department of Nursing Sciences of the University of Nigeria (UNN), Nsukka, in the 2019/2020 academic session. My name was published in the Primary Admissions (Merit) List following sterling performance in the university's screening examination. I accepted the admission, paid the school fee, did all the necessary registrations and started lectures. I was patiently awaiting the JAMB admission letter.

On May 13, 2020, I read on JAMB CAPS portal that the university had requested my transfer to the department of Medical Radiography and Radiological Sciences. I rejected this transfer request on JAMB portal, preferring to remain in Nursing Sciences department. This is because I am already a Registered Nurse with the Nursing and Midwifery Council of Nigeria and, therefore, cannot change department at this level of my professional career. I also noticed that the university had changed my department to Medical Radiography and Radiological Sciences in my university's portal profile.

Sir,

### ADMISSION OF DIGNITY WILFRED ONABE INTO THE NIGERIAN POLICE ACADEMY, KANO

I write to thank you for granting admission to DIGNITY WILFRED ONABE into the Law programme of the Police Academy, Wudil, Kano State.

2. We are however constrained to inform you of a deliberate attempt to change the course offered to DIGNITY WILFRED ONABE from Law to Management Sciences, without justification.

3. You may recall that you directed the Deputy Registrar of the Police Academy who coincidentally came for submission of admission list and one of your Directors of IT, not to change the Law programme already offered to the candidate. Also recall too, that you summoned the Commandant of the Nigerian Police Academy to see you on this and other Sundry matters regarding the admission.

4. Sir, it is therefore the humble appeal of the Auditor-General for the Federation, to direct the School Authority to sustain the admission offered to the candidate to enable the applicant who has resumed school to commence registration into the Law programme.

5. Attached herewith is a copy of the published list of successful candidates in the said admission for your necessary action, please.

6. While counting on your positive consideration, please, accept the warm regards and assurances of the Auditor-General for the Federation.

Yours faithfully,

THE VICE CHANCELLOR,  
UNIVERSITY OF ABUJA,  
KM 23, AIRPORT ROAD,  
ABUJA.

DEAR SIR,

**RE: NEPOTIC AND CORRUPT ACTIVITIES GOING ON AT THE  
ADMISSION OFFICE OF THE UNIVERSITY OF ABUJA:  
THE CASE OF MISS ARIGO TREASURE OGHENERUKEVWE WHO  
SCORED ABOVE THE CUT-OFF MARK BUT WAS NOT ADMITTED**

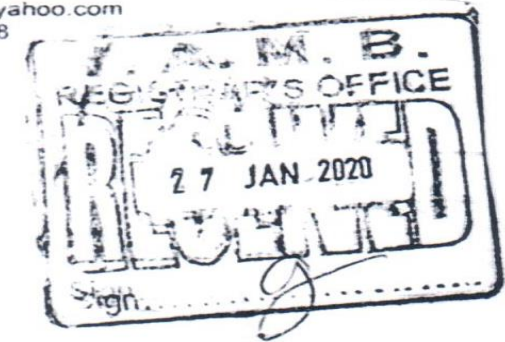

The above subject matter refers.

We are solicitors to MISS ARIGO TREASURE OGHENERUKEVWE (herein referred to as "Our Client"), and on her firm instructions we write you this petition.

It is the brief of our client that she applied to study Medicine & Surgery at the University of Abuja in the UTME 2019 session, wherein she scored 292. On the basis of this, our client was shortlisted for the Post UTME test organized by the University of Abuja wherein our client scored 40 over 50 (40/50). Clearly, our client's name ought to be on the merit list of those who applied to study Medicine & Surgery in the said University.

It is rather shocking to note that our client's name is not contained on the merit list neither is it on the supplementary list. Our client's private investigation reveals that her admission slot was sold by the officials at the admission office of the University of Abuja. As it is, our client has no other option than to channel her grievance to you as the head of the university in order for you to urgently intervene in ensuring that this anomaly is corrected.

It is hoped that this petition would be treated with utmost urgency having regard to the special circumstance of this complaint, the fact that time is of the essence.

# **JAMB MANDATE**

**Placement of suitably qualified candidates in collaboration with the tertiary institutions after taking into account:**

- the vacancies available in each tertiary institution
- the guidelines approved for each tertiary institution by its proprietor or other competent authority
- the preferences expressed or otherwise indicated by candidates for certain tertiary institutions and programmes

# INTERNATIONALISATION OF ADMISSIONS

- To place our tertiary institutions on the global scene, the Board constituted Attahiru Jega-led Committee to formulate a process of internalization of admission into tertiary educational institutions in Nigeria through JAMB
- Lets urgently put in place a machinery to actualize the internationalization of admission into tertiary institutions in Nigeria beginning from 2020 academic session because our tertiary institutions are fast becoming localised
- This process if achieved would place our institution at a vantage position to compete favourably with its peers globally. This is our modest effort in transforming the tertiary institutions in Nigeria to institutions to be reckoned with internationally

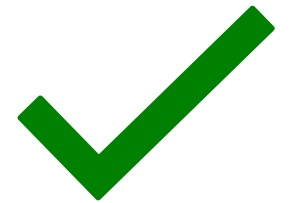

## **TRENDS IN STATE-OWNED INSTITUTIONS (Merit by Distribution)**

# **NEW TRENDS IN STATE-OWNED INSTITUTIONS**

## **1. (Reservation & Distribution of Regulated Quota for Indigenes)**

### **Current Practice**

✓ **State-owned institutions reserved 80 – 90% of the quota for indigenes**

✓ **Distribute quota of regulated programmes such as Law, Medicine, Nursing, Pharmacy, etc on the Local Government Areas – discarding merit totally**

✓ **Best of each LGA**

# NEW TRENDS IN STATE-OWNED INSTITUTIONS

## What should be done

- ✓ **the Merit quota should be in two layers**
  - National Merit Quota is the first topmost 10% (indigenes or non-indigenes); ✓
  - Indigene Merit Quota is the additional 35% allotted to indigenes of the State on merit basis after the first topmost 10% National Merit. ✓
- ✓ **This is to ensure that every classroom has minimum 10% of brilliant students**
- ✓ **55% on LGA basis** ✓

# **NEW TRENDS IN STATE-OWNED INSTITUTIONS**

## **2. (Approaching Candidates Informally – a case of LAUTECH & TASUED)**

**Institutions  
now  
approached  
candidates  
informally  
(outside CAPS)**

**Only those who  
paid fees were  
recommended**

**This is

to all qualified

- ✓ A candidate registered for both UTME and DE

# **2020 EXAMINATION**

# Mock Examination

as usual

The 4<sup>th</sup> in the Series

to identify problems that might arise during the main examinations

to test the new systems introduced in deploying the CBT examination

to allow candidates familiarise themselves with the new software and test their level of preparedness

The Board conducted the 4<sup>th</sup> mock examination on Tuesday, 18<sup>th</sup> February, 2019

# MAIN EXAMINATION

**The main examination was conducted throughout the Federation**

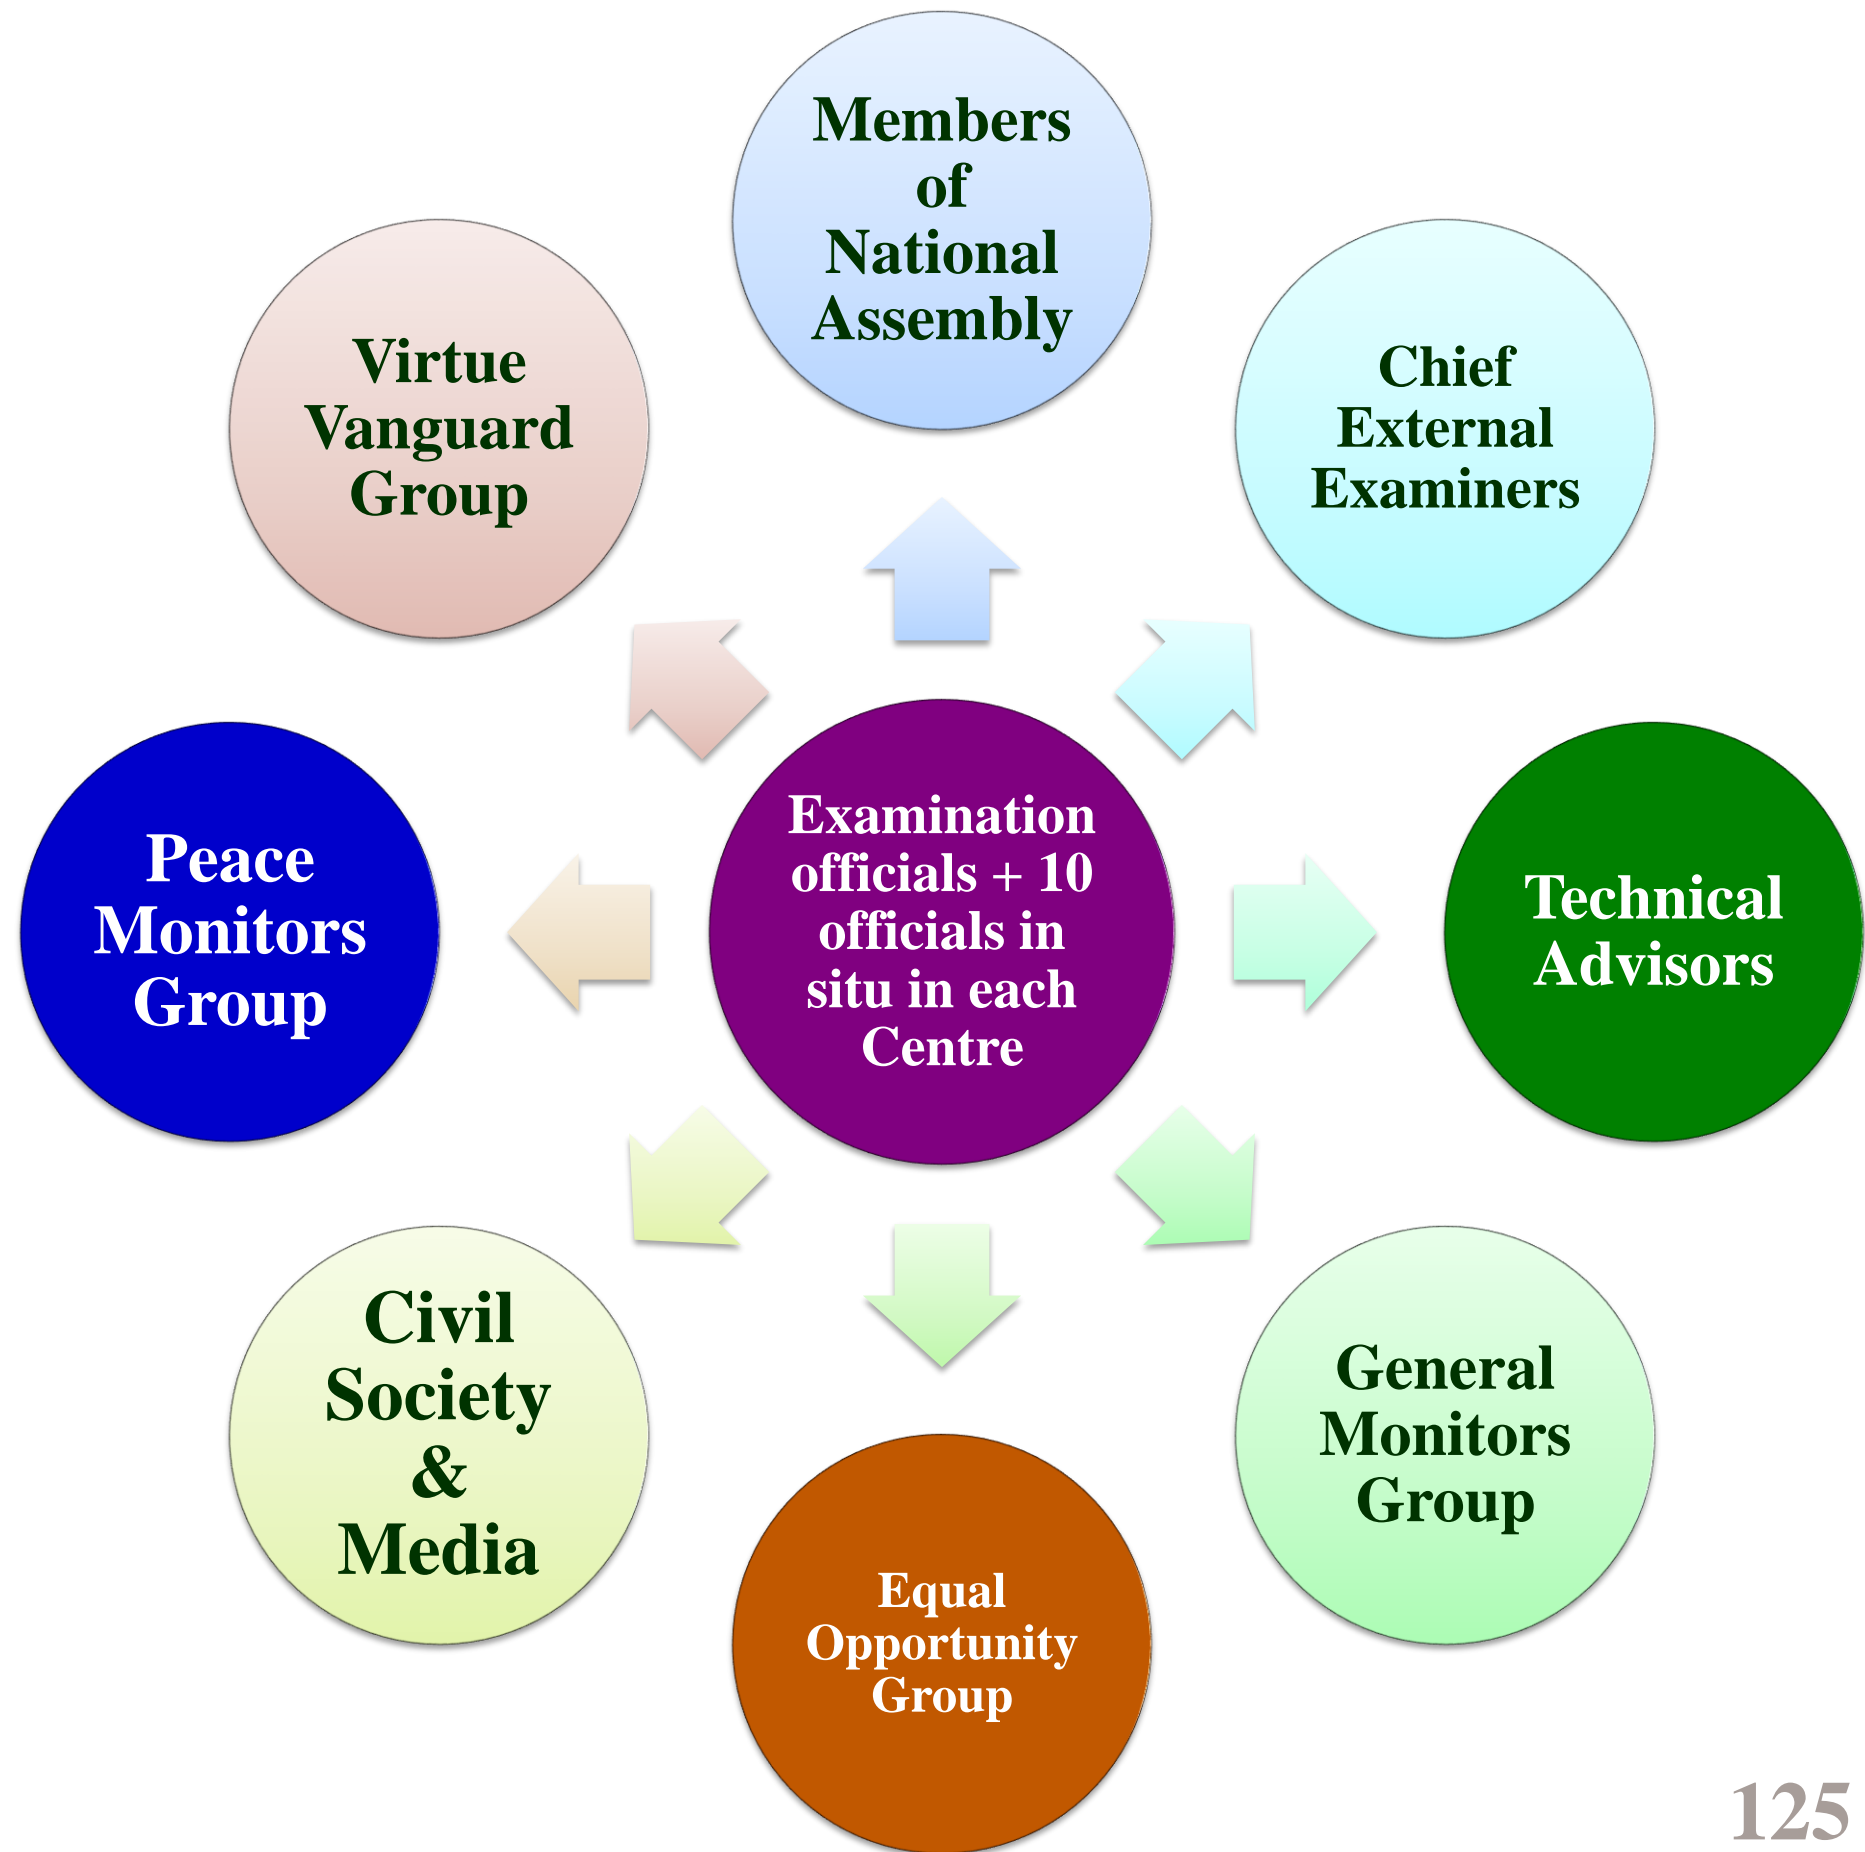

***Thursday, 11<sup>th</sup> - Thursday, 18<sup>th</sup> April, 2019***

**EXAMINATION  
MONITORING**

**ALL INCLUSIVENESS:  
2020 UTME Monitoring System**

*for all your efforts, time and valuable contributions most especially commitment from our institutions*

**EXAMINATION MONITORING**

**ALL INCLUSIVENESS:**

**Remote Network Monitoring of Computers in  
CBT Centres**

# THE PROBLEM

Deliberate movement of candidates from one computer to the other during the examination to indulge in examination malpractice

# THE WAYOUT

- ✓ **We installed a software during accreditation on all the computers to be used by the CBT centres during the examination**
- ✓ **This allowed us to monitor all activities going on at the centre on a real time basis**

**EXAMINATION MONITORING**

**ALL INCLUSIVENESS:**  
**Use of 9 Keys**

# The 9 Keys (Reminder!!!)

**A, B, C, D**

**Candidates press  
the letters **A,B,C,D**  
for responses  
(answers) to  
questions**

**P, N, S, R, Y**

**P** = Previous question

**N** = Next question

**S** = Submit responses  
when candidate has finished  
examination

**R** = Reverse (do not intend to go  
further to submit again)

**Y** = **To confirm submission (intend  
to go further to submit again  
after pressing S)**

*This has solved complain by any candidate who claimed s/he mistakenly  
pressed letter [S] twice & that ended his/her session*

# **ALL INCLUSIVENESS: BLIND CANDIDATES**

*Many of them have not been exposed to the relevant technology in their various schools*

# CONDUCT OF 2020 UTME FOR THE BLIND CANDIDATES

An abridged approach was  
used

All prospective blind  
candidates were invited to  
**7 centres** in the country  
for special assessment

# SCORE STANDARDISATION IN PUBLIC EXAMINATION

- ✓ The transformation of scores as done with public examination has continued to generate public discussion with many commentators taking very misleading paths. I will want to seize this opportunity to again explain the much-misunderstood concept which has led some people believing that scores are given to candidates even when they answer no question
- ✓ Score transformation or standardization is a procedure for transforming candidates' raw scores in different subjects taken by each candidate to a common scale with uniform metric or units, which is the globally-accepted procedure applied in scoring in a large-scale norm-referenced test.

## **SCORE STANDARDISATION IN PUBLIC EXAMINATION** (cont'd)

To address the public outcry against what is termed unmerited score, particularly for those who sit the examination but do not attempt any question, the Board has backed the idea of transforming the zero scores of those who attempt the examination questions but get them wrong, while there would be no transformation for those whose zero scores are from lack of attempt or because they were absent

## **SCORE STANDARDISATION IN PUBLIC EXAMINATION** (cont'd)

- ✓ JAMB has, therefore, introduced the concept of nominal zero score that will be notated as **zero asterisked (0\*)** for candidates who were present but failed to attempt any question.
- ✓ Candidates who are absent from the examination would continue to be marked absent without any scores.
  - all absentees would be marked absent and would have zero scores

## SCORE STANDARDISATION IN PUBLIC EXAMINATION (cont'd)

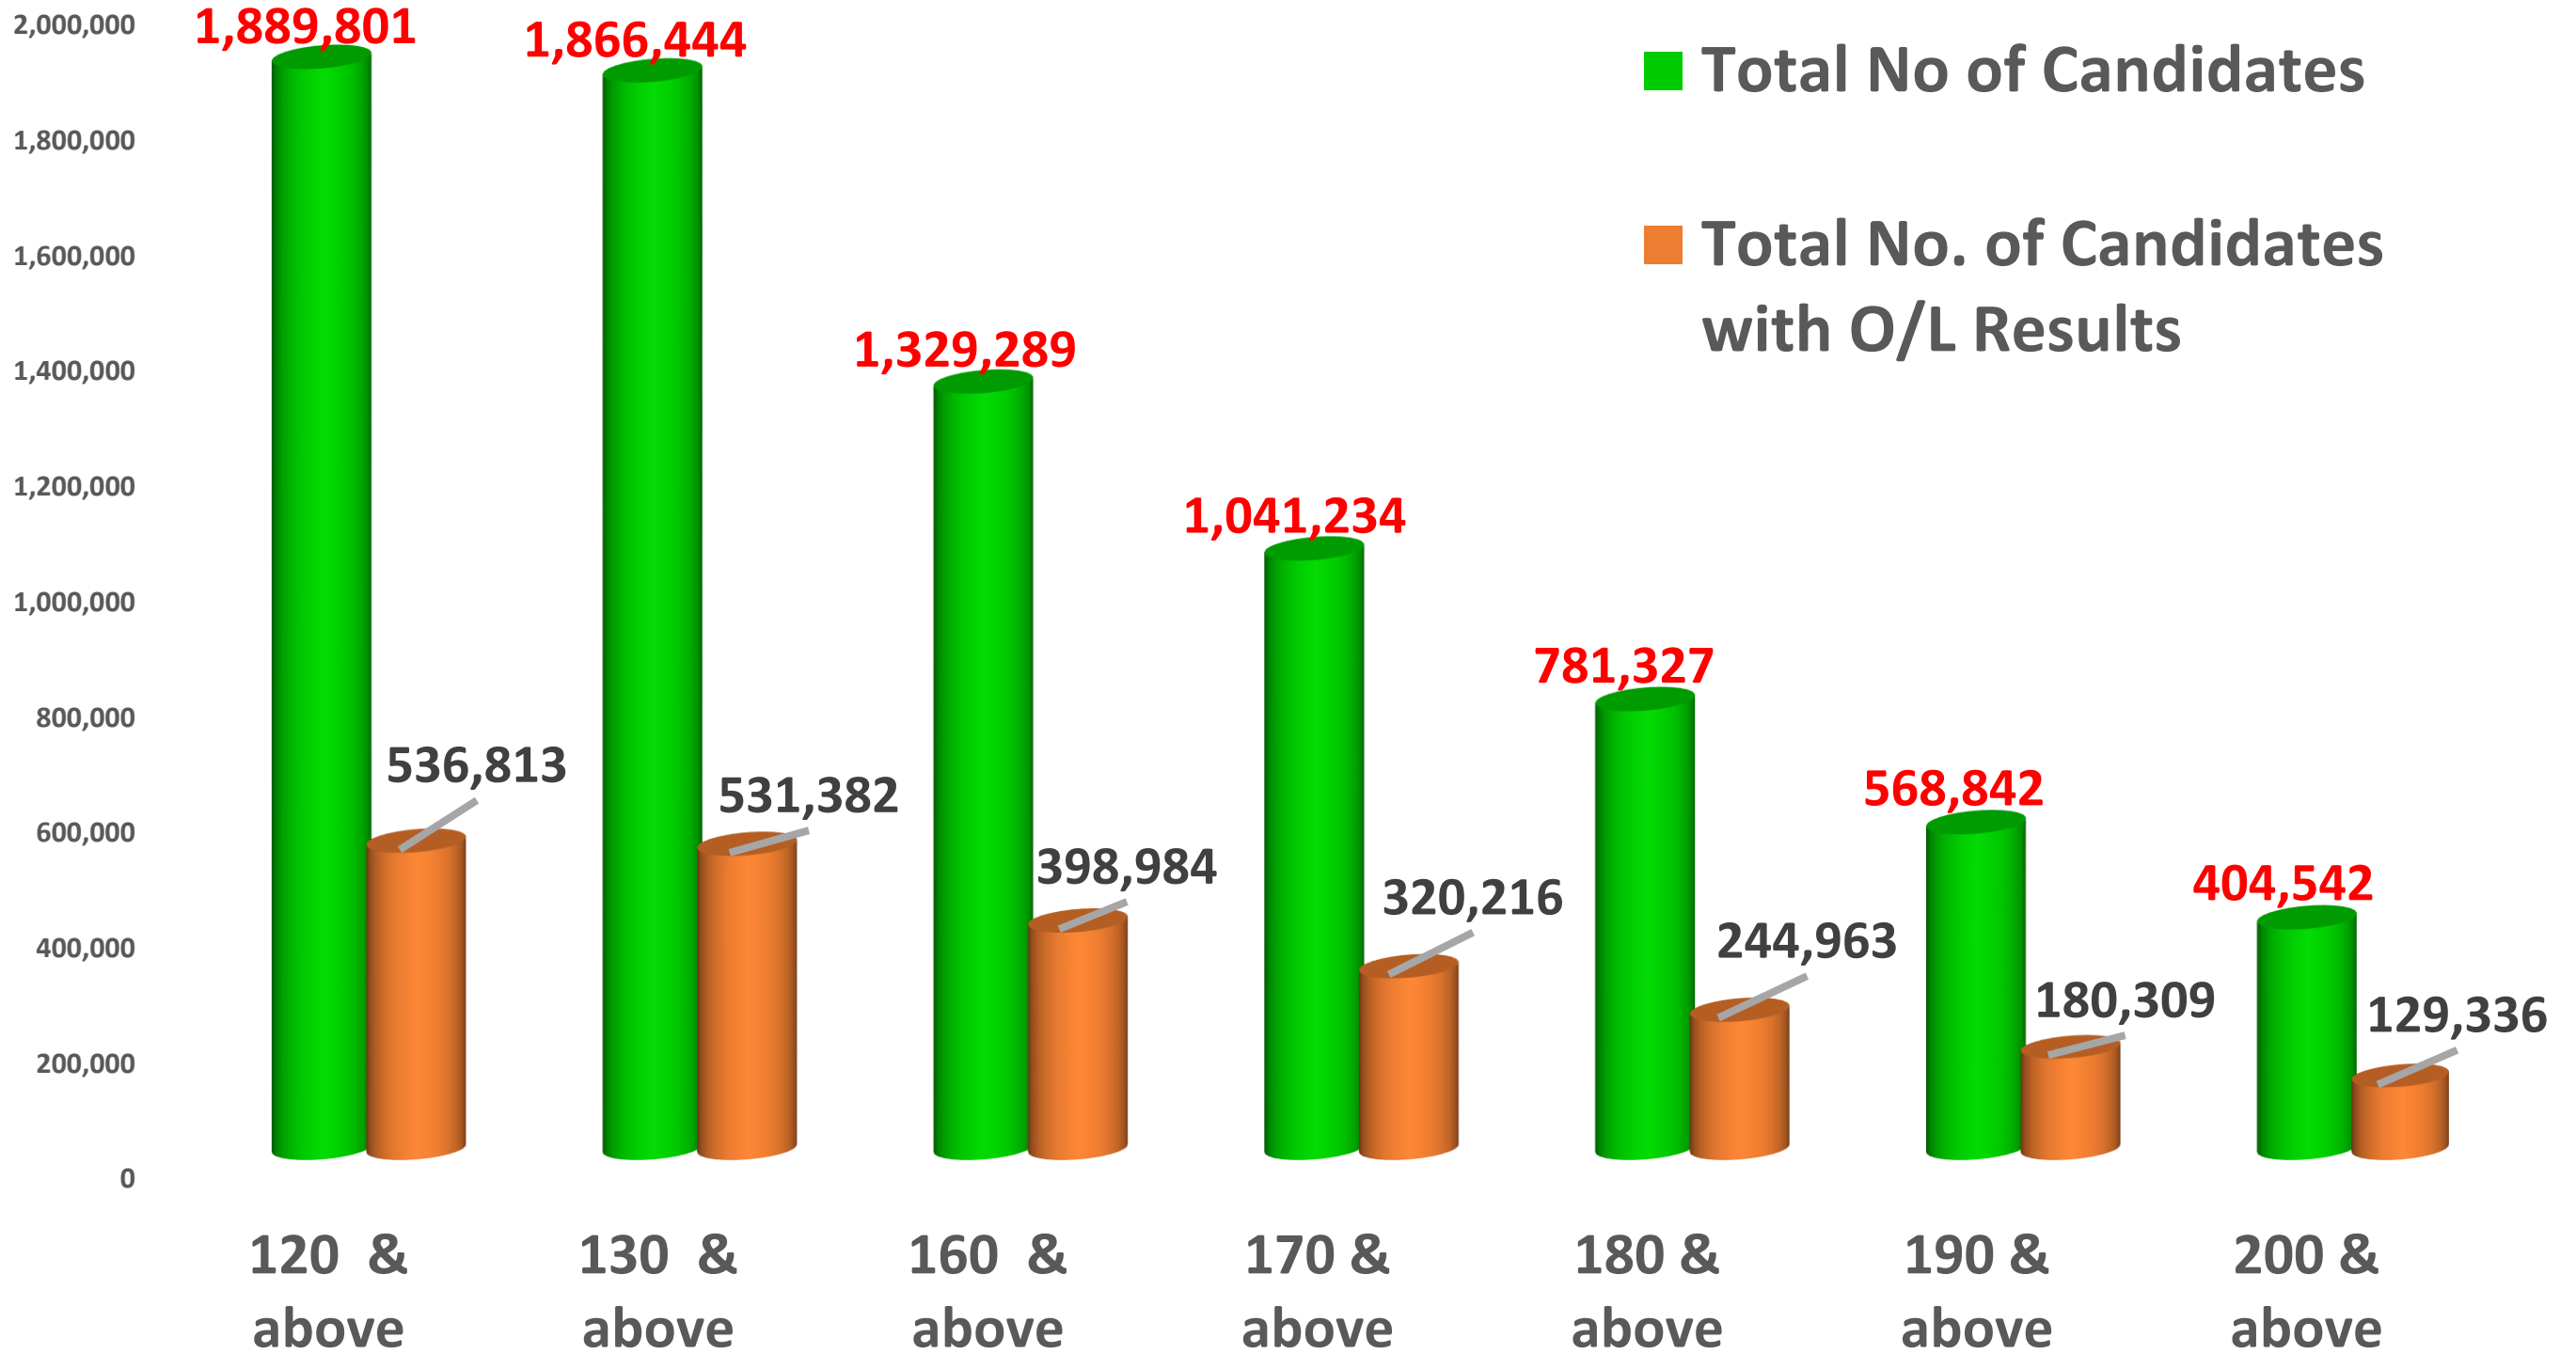

The position of JAMB is that all candidates who are absent from the examination and those who sat the examination and did not attempt any question would **score zero** and their zero score would **not be transformed**

# STRATEGIES OF MALPRACTICE

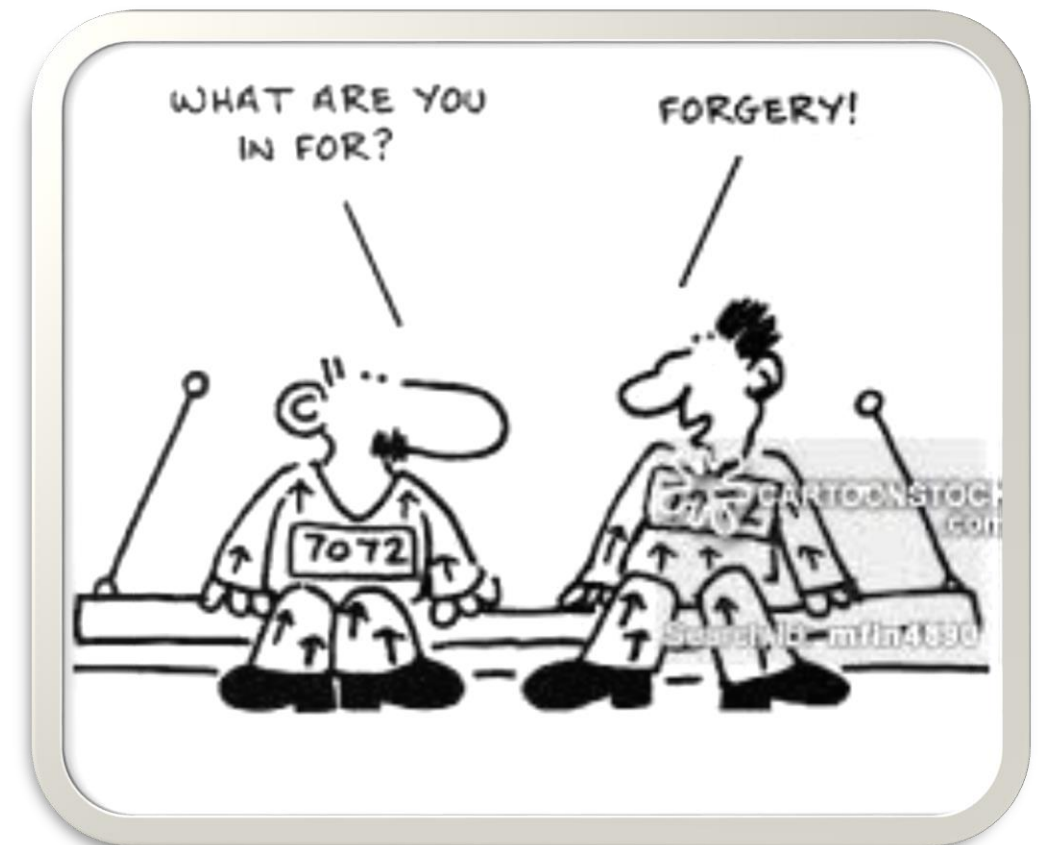

## **Curbing Malpractice by NOT Capturing of Fresh Images and Biometric**

- ✓ Capturing of fresh facial and finger biometric images of candidates **encourages impersonation** and substitution of paid examination takers with real candidates who must have engaged the paid examination takers for the SSCE and UTME.
- ✓ Concerted efforts by JAMB, other educational assessment bodies and the NYSC have implicated tertiary institutions (few of them unwittingly in the scandal.
- ✓ You are therefore requested not to capture fresh images and biometric

# FORGERS AND FRAUDSTERS AT IT AGAIN:

- ✓ Cluster of fraudsters who had been benefitting from examination malpractice continue to **forge the Registrar's signature**, writing fictitious news items that JAMB website had crashed and all examinations written were cancelled
- ✓ Again, they were mistaken. **We are grateful to Government especially FME**

**2020/2021**  
**ADMISSION IN FOCUS**

---

# **CENTRAL ADMISSION PROCESSING SYSTEM (CAPS)**

*CAPS is being used as vehicle for all admissions since its introduction during the 2017/2018 admissions exercise after series of engagements with Stakeholders. The 2019/2020 admission wasn't an exception either*

*.....Capacity Building Sessions were organised (including webinar) for the institutions & JAMB staff*

# Lets Review

**....CAPS again**

# CAPS PROMISES & FULFILMENT

- Restored autonomy to the Institutions with regards to Admission process
- Transparency, openness & accountability in the admission process
- Market place to source for candidates
- Involvement of candidates in the admission process

## **ADDITIONAL FEATURES ON CAPS**

# ADDITIONAL FEATURES ON CAPS

## Movement of Candidates

Before a candidate can be moved or transferred to another programme, they would be transfer alert (**notification from CAPS**) to the candidate to either accept or reject the movement

If s/he presses YES, s/he moved to the new programme & **MUST** be admitted

At the point of Acceptance, s/he would be notified to do change of programme to be able to print his/her admission letter

If s/he presses NO or SILENT (no response), the candidate remains & cannot be moved anywhere

ACT of JAMB Section 5(1)(c)(iii) “the preferences expressed or otherwise indicated by candidates for certain tertiary institutions and courses”

# **ADDITIONAL FEATURES ON CAPS** (cont'd)

**Availability of date of upload of O' level credentials by candidates**

**Availability of date cut-off**

**All institutions MUST provide date of commencement of admission**

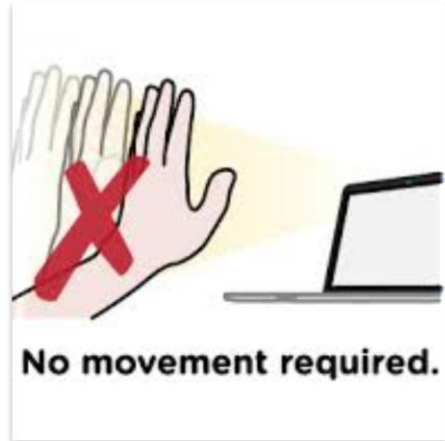

**COVID\_19 induced delay (No O/L) for many but NDA is ready to go – others please notify us.**

**Cut off date & Admission exercise can't be earlier than 20<sup>th</sup> August, 2020**

**No institution would be able to finalise admission exercise until after cut-off date**

# ADDITIONAL FEATURES ON CAPS (cont'd)

No institution would be able to move candidates into merit level unless ALL positive candidates above him/her are admitted either by merit, catchment or ELDS

After upload of O' level by a candidate, any admission to be done MUST consider him/her

If any institution request for opening of change for programme or institution, it MUST consider all the candidates who have uploaded

## REVELATION

Candidates who earlier sat for the UTME in the past apply for condonement of illegitimate admission to be able to have **a new date of birth & name'** for the purpose of participation in National Service

## SOLUTION

- ✓ Backend programme detects such candidates and approvals not granted
- ✓ The list of such candidates & institutions are being compiled
- ✓ The Board will soon prosecute the candidates & the institutions (including its Heads) for such application

*..... cases from Taraba State University & Kwara University, Wukari*

# **NEED FOR REVIEW OF ADMISSION CRITERIA**

## **reminder!!!**

### **CAPS REVEALED**

**More poignantly the need to review the formula to make our institutions more National (as envisaged in the inclusion of Catchment Area in the criteria – which has been so abused)**

### **Admission needs to be**

- ✓ International (inclusion of foreign candidates)
- ✓ More inclusive (inclusion of special needs candidates)
- ✓ more realistic (restoring and recognising some Discretionary Admissions)
- ✓ Nationalisation of localised National Institutions

*A new formula is long overdue to be proposed to the National Council on Education*

# 2020 ADMISSION TIMELINES AND CALENDARS

- ✓ JAMB & Tertiary Institutions are to ensure that Admissions periods are sacrosanct and must be followed and adhered to

- ✓ 1<sup>st</sup> choice admissions must be done during the period earmarked for 1<sup>st</sup> choice

- ✓ other choices must be processed during the timelines set out for them

## 2020 ADMISSION TIMELINES AND CALENDARS (cont'd)

- ✓ JAMB would communicate Admissions Programmes, Calendars & Timetables to Tertiary Institutions immediately after this Policy Meeting
- ✓ At the end of the 1<sup>st</sup> choice period, **all candidates not admitted would be pulled out** of the institutions' platform on CAPS & be made available to other willing institutions
- ✓ Any candidate who has chosen an institution as 2<sup>nd</sup>, 3<sup>rd</sup> or 4<sup>th</sup> choice does not need any change of choice or payment to JAMB to be considered for admission during the period of the 2<sup>nd</sup> choice admission
