FRAUD: JAMB TO LIMIT PHYSICAL INTERACTION WITH CANDIDATES

As part of measures to prevent extortion and enhance service delivery, the Joint Admissions and Matriculation Board (JAMB), has concluded arrangements to fully automate its services so as to reduce physical contact as candidates would be

limited to online interaction only.

This new regime is not unconnected with the series of reports bordering on extortion and other unwholesome practices between candidates and some service personnel.

The Registrar, Prof. Is-haq Oloyede,

Additionally, the Welcome Address will be delivered by Prof. Taoheed Adedoja, Chairman of the Organising Committee. Other significant remarks will be made by Prof. Peter Okebukola, Chairman of the JAMB Equal Opportunity Group (JEOG), and Prof. Is-haq O. Oloyede, Registrar and Chief Host of the event.

Goodwill messages will be shared by the Executive Secretary of the National Commission for Persons with Disabilities; Prof. Olusola Oyewole, Secretary-General of the Association of African Universities (Accra) (virtually); Prof. Juma Shabani, Chairman of the Burundi National Commission for Higher

Education (virtually); the Executive Secretary of the National Universities Commission; the Executive Secretary of the National Board for Technical Education; and the Executive Secretary of the National Commission for Colleges of Education.

Representatives from at least eight African countries are expected to participate in the conference, including Malawi, Burundi, Ethiopia, Cameroon, Kenya, Ghana, South Africa, and Egypt, with Nigeria serving as the host nation.

This two-day conference aims to provide a robust platform for examining the challenges faced by persons living with disabilities,

proposing viable solutions, and charting a practical course for improving the circumstances of these individuals.

In conclusion, the ARCEAHED conference seeks to foster collaboration among stakeholders in higher education, promote inclusivity, and ensure that equal opportunities are accessible to all, particularly those with disabilities. We look forward to productive discussions and actionable outcomes that will contribute to the advancement of higher education in Africa.

ADEBIYI UNVEILS PERFORMANCE METRICS FOR ENHANCED SERVICE DELIVERY

To accurately assess the operational achievements of personnel at the Gombe State Office, State Coordinator Mr. Johnson Adebisi has introduced a performance metrics (PMs) mechanism as part of the newly instituted Federal Government's Performance Management System (PMS). This system aims to evaluate the range and quality of service delivery among Ministries, Departments, and Agencies (MDAs) across the country.

During an interactive session with staff on Wednesday, September 11, 2024, Adebisi presented the evaluation instrument, emphasizing that the program is designed to monitor the management of the Board's operational processes and identify underperforming staff. This initiative aims to leverage their skills in other operational areas effectively.

"When we understand how well our staff perform, we can predict the overall performance of the State Office," Adebisi stated. He further explained that measuring staff performance and providing regular feedback would enable the office to make data-driven decisions to enhance overall effectiveness.

Adebisi also highlighted the growing significance of Artificial Intelligence (AI) in problem-solving, particularly as technology increasingly influences the Board's operations. He noted that this technological evolution offers numerous opportunities to manage time more effectively, automate administrative tasks, streamline routine processes, and unlock new dimensions of efficiency, thereby redefining productivity.

Moreover, he outlined that the performance metrics mechanism would improve staff engagement, enhance registration procedures, increase registration completion rates, reduce response times for candidates, and optimize the utilization of Professional Registration Centres (PRCs) and Professional Testing Centres (PTCs), as well as improve Physical Asset Management. Adebisi emphasized that providing a clear understanding of the State Office's progress would aid in achieving the Board's goals and identifying areas for improvement.

He explained that the key elements of the instrument, as designed by the government, would be communicated to the staff to ensure

they understand the specific PMs relevant to their roles and how these could be measured. Adebisi stressed that the State Office has established a system for regular monitoring and feedback on personnel performance, fostering opportunities for improvement and adjustment while promoting teamwork and adherence to best practices.

Reiterating his commitment to continuous training and development, Adebisi pledged to provide opportunities for staff to enhance their knowledge and skills. He disclosed that the Performance Metrics would be evaluated quarterly to assess the initiative's impact on service delivery within the State Office.

In response, Mr. Idris Mohammed Jungudo, speaking on behalf of his colleagues, expressed gratitude to the Coordinator for his insights and assured their commitment to achieving the Board's objectives.

EDUCATION IN THE MEDIA

VANGUARD, SUNDAY, SEPTEMBER 8, 2024: Insubordination: LASU VC Removes Adewuya as LASUCOM Provost: Professor Ibiyemi Olatunji-Bello, Vice-Chancellor of Lagos State University (LASU), has approved the interdiction of Professor Biodun Adewuya, Provost of the Lagos State University College of Medicine (LASUCOM), effective immediately. This decision was made due to Prof. Adewuya's alleged misconduct, including unauthorized disclosure of official information, action prejudicial to the security of the university and state; divided loyalty, conduct unbecoming of a public officer, and insubordination.

TRIBUNE, SUNDAY, SEPTEMBER 8, 2024: UI Awards Seven Outstanding Lecturers, 33 Students: The Faculty of Education at the University of Ibadan held its second annual Dean's Prize and Award Ceremony on Friday, September 6, 2024. The event recognised 33 students for their outstanding academic performances and 7 lecturers for their exceptional contributions.

PUNCH, MONDAY, SEPTEMBER 9, 2024: UNILORIN, Chinese Varsity Partner on Academic Collaboration: The University of Ilorin (UNILORIN) has established a partnership with the North-China University of Water Resources and Electric Power (NCUWREP), Zhengzhou, Henan, China. A Memorandum of Understanding (MoU) was signed on September 5, 2024, formalizing the agreement to foster academic linkages and educational collaboration between the two institutions.

DAILY TRUST, MONDAY, SEPTEMBER 9,

2024: FG Directs Exclusion of Federal Varsities, Institutes' Research Grant from TSA: The Federal Government has issued a directive exempting third-party research grant funds of federal universities and research institutes from the Treasury Single Account (TSA). This was communicated in a letter from the National Universities Commission (NUC) signed by the Acting Executive Secretary, Chris Maiyaki, dated September 2024.

The letter states: "The National Universities Commission (NUC) has received a directive from the Honourable Minister of Education (Ref. DE/HE/37/VII/324, dated September 4, 2024) forwarding correspondence from the Principal Secretary to the President, State House (PRES/87/MF/71/198/MBEP/15, dated July 23, 2024) regarding the exclusion of third-party research grant funds from the TSA."

The letter conveys Mr. President's directive to the Honourable Minister of Finance and Coordinating Minister of the Economy, instructing the exclusion of third-party research grant funds of Federal Universities and Research Institutes from the Treasury Single Account (TSA). Additionally, Universities and Research Institutes are granted autonomy to operate their endowment fund accounts in commercial banks. Please refer to the attached document for further details."

THE CITIZEN, MONDAY, SEPTEMBER 9, 2024: UTME: FG Receives Applause for Clarifying Underage Restriction: The Parent-Teacher Association of Nigeria (NAPTAN) has praised the federal government for clarifying its policy on underage students' admission into tertiary institutions.

In an interview with the News Agency of Nigeria (NAN) in Lagos on Sunday, NAPTAN's Deputy Chairman, Mr. Adeolu Ogunbanjo, commended the government's clarification, stating it provides a clear understanding of the policy and dispels misconceptions. The Federal Ministry of Education clarified that students under 18 can sit for WASSCE and NECO-conducted exams but are not eligible for admission into tertiary institutions. Mr. Ogunbanjo expressed relief that the government has addressed the issue, which had caused widespread concern.

LEADERSHIP, MONDAY, SEPTEMBER 9, 2024: JAMB Warns Against Group Processing For UTME, DE Applications: The Joint Admissions and Matriculation Board (JAMB) has issued a warning to candidates against group processing of Unified Tertiary Matriculation Examination (UTME) and Direct Entry (DE) applications. In its weekly bulletin, JAMB emphasized that candidates should personally handle their UTME and DE applications, rather than relying on schools or agents.

JAMB noted that group processing has led to inaccuracies and complications in candidate records, resulting in a significant number of data correction requests. To address this, JAMB announced that it would no longer accommodate correction requests from candidates whose details have been compromised due to collective processing.

Candidates are advised to take personal responsibility for their applications to avoid any potential issues.

JAMB advises parents to ensure their children or wards personally

complete registrations for all Board operations.

It emphasises that UTME registration and other processes are crucial to a candidate's educational experience, allowing them to understand essential procedures. However, group processing by schools hinders this understanding.

JAMB warns parents against making UTME registration payments to schools, stating: "The Board will not rectify errors arising from school registrations, prioritising the integrity and accuracy of each candidate's information."

LEADERSHIP, WEDNESDAY, SEPTEMBER 11, 2024: NSUK VC Charges Students On Research: The Vice-Chancellor, Nasarawa State University Keffi, Prof. Sa'adatu Hassan Liman, has urged students to focus on modern research, emphasising its role in addressing societal problems.

At a research workshop for postgraduate students organized by the Faculty of Social Sciences, Prof. Liman stressed that research is a powerful tool for unlocking modern techniques and promoting community building and national development.

PREMIUM TIMES, THURSDAY, SEPTEMBER 12, 2024: Student Loan: NELFUND Speaks on Delay in Payment of Monthly Stipends: The Nigerian Education Loan Fund (NELFUND) has attributed the delay in August stipend payments for student loan beneficiaries to an ongoing payment processing exercise.

According to a statement by NELFUND's Director of Corporate Communications, Ms Oseyemi

Oluwatuyi, the delay is due to enhanced security checks aimed at safeguarding public funds and ensuring accurate allocation to legitimate beneficiaries.

Ms. Oluwatuyi assured that NELFUND is working diligently to complete the payment processing and disburse the stipends to eligible students as soon as possible. She acknowledged that the payment processing delay may cause inconvenience, but emphasised its necessity in maintaining transparency, accountability, and upholding the integrity of the student loan programme.

DAILY TRUST, THURSDAY, SEPTEMBER 12, 2024: Thorough Curriculum Review Needed for COEs – Ministers: The Minister of State for Education, Dr. Tanko Sununu, emphasised the need for a comprehensive curriculum review in Colleges of Education (COEs) to enable them to effectively run both Nigeria Certificate in Education (NCE) and degree programs concurrently.

Dr. Sununu made this statement at the flag-off workshop for "Masters' Trainers on Strengthening Teachers' English Proficiency (STEP) and Digital Literacy," organized by the National Commission for Colleges of Education (NCCE) in partnership with the British Council in Abuja.

He expressed optimism about the sustainability of innovative ideas and practices to be introduced at the workshop, aimed at producing a new set of qualified teachers.

He said, "For this common vision to be achieved, having quality and effective teachers in our classrooms is imperative.

LEADERSHIP, THURSDAY, SEPTEMBER

12, 2024: FG Launches N47bn Initiative to Revamp 50 Secondary Schools: The Federal Government has launched a 50 billion project to modernise secondary schools nationwide, marking the first phase of its intervention strategy.

According to Dr Iyela Ajayi, Executive Secretary of the National Senior Secondary Education Commission (NSSEC), the project would enhance learning environments through infrastructure upgrades, facility provision, and capacity building.

Dr Ajayi flagged off the infrastructure upgrade at Government Secondary School, Koton Karfe, Kogi State, stating that each state would have at least one school benefiting in this phase. "The intervention addresses the urgent need highlighted by an assessment of over 40,000 senior secondary schools in Nigeria," Dr. Ajayi said, commending President Bola Ahmed Tinubu for approving the project.

LEADERSHIP, THURSDAY, SEPTEMBER 12, 2024: Presidential Amnesty Scholarship Student Bags First Class In Law: Kemien Egbekun, a beneficiary of the Presidential Amnesty Programme (PAP) scholarship scheme, has achieved a remarkable Cumulative Grade Point Average (CGPA) of 4.77, earning a first-class degree in Law from the Michael and Cecilia Ibru University (MCIU), Agbara-Otor, Delta State. Two fellow PAP-sponsored students, Oladapo Damilola and Toikumo Prosper, also attained second-class upper-division grades in Law at the same institution. The three students participated in the university's 6th convocation ceremony on September 6, 2024.

...NIPR UNIVERSITY: Oloyede, Gana, Others Named Members of Advisory Team

Complex on Tuesday 10th, September, 2024, the former Minister of Information, Prof. Jerry Gana, outlined the vision of the university while underscoring its international

aspirations and the need for its easy accessibility by road, rail, and air.

"This university is not just a national project; it is an international one. It must be accessible and welcoming,

not hidden away in some obscure location," he said.

The former minister praised the NIPR leadership for embarking on such a

JAMB REMAINS A REFERENCE POINT IN CBT EXAMINATIONS – PINHEIRO

The management of the Efon-Alaye College of Management and Technology, Ekiti State, has described the Joint Admissions and Matriculation Board (JAMB) as a reference point in the conduct of computer-based test (CBT) examinations in Nigeria.

This declaration was made by the Rector of the College, Dr. Oladimeji Pinheiro, during a courtesy visit by the management team of the institution to the Ekiti State Office of the Joint Admissions and Matriculation Board (JAMB), Ado-Ekiti, on Monday, 9th November, 2024.

According to Dr. Pinheiro, the purpose of the visit was to interface with the Board on the Board's admission procedures, among others. He noted that the standard set by the Board in terms of CBT examinations has gained national and international acceptability.

Continuing, Dr. Pinheiro said he would be using the opportunity of

the visit to reel out the core values of the institution which includes: qualitative research work, nurturing of employable middle-level manpower in such critical areas as mechanical and electrical engineering fields, to mention a few.

He applauded the steps taken by the Registrar, Prof. Is-haq Oloyede, towards ensuring that the admissions into higher institutions in the country are conducted in a fair and transparent manner with particular reference to the introduction of the Central Admissions Processing System (CAPS) by his administration.

In his welcome address, the Ekiti State Coordinator, Mr. Hassan Lawal, asked the authorities of the institution to align itself with extant provisions on admissions as contained in CAPS, stressing the importance of uploading all admissions through CAPS.

He explained that the era of admissions through the back door is over as JAMB would wield the big

stick on any erring institution involved in such practice.

In his contribution, the PRO, State Office, Mr. AbdulRasaq Olarenwaju Bhadmus, commended the institution's Management for taking the right step towards repositioning the institution for greatness through top-notch outreach and engagement with critical stakeholders.

Dr. Oladimeji Pinheiro, Rector, Efon-Alaye College of Management and Technology, Ekiti State.

ADMISSION OFFICER, CRESCENT UNIVERSITY, TURNS TRADITIONAL RULER

Oba Mutiu Olani Adedimeji Oyede-Lawal, (Sijuade Adukunnu I)

Palpable excitement rend the air in the ancient city of Ilara-Yewa, Ogun State, on Saturday, 7th September, 2024, when the former Admission Officer of Crescent University, Abeokuta, Oba Mutiu Olani Adedimeji Oyede-

Lawal, (Sijuade Adukunnu I), ascended the throne of his forefathers.

In his goodwill message on the occasion, the Registrar, Prof. Is-haq Oloyede, who was represented by the Ogun State Coordinator, congratulated the new traditional ruler on his new status. He described the newly-installed royal father as an outstanding personality, who has contributed conscientiously to the growth of the education sector while ensuring the growth of several individuals in the society.

Speaking further, the Registrar added that the event was not just the coronation of a new monarch but also a celebration of the transition from a notable academic role to a revered traditional leadership position. He prayed that his reign would be a fruitful and peaceful one. In his words, "Oba Mutiu's rise to the

throne is seen as both an honour and a responsibility. In fact, his background in academia should undoubtedly heighten expectations that the much-needed rapid socioeconomic transformation of the town would be witnessed under his reign, which would be a blend of tradition with modernity."

Notable dignitaries graced the occasion including academics, political figures, and respected members of the community such as Prince Gboyega Nasir Isiaka, a member of the House of Representatives, and the Vice Chancellor, Crescent University, Abeokuta, Prof. Ibrahim Gbajabiamila.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

FORENSIC SCIENCE

Forensic science is the application of scientific methods and techniques to investigate crimes and examine evidence that can be presented in a court of law. It encompasses various disciplines, including biology, chemistry, physics, and criminal justice, to analyse physical evidence, identify suspects, and solve criminal cases.

As crime rates increased and the need for scientific methods in crime investigation became more apparent, Nigerian universities have begun to recognise the importance of forensic science education. And the University of Lagos was one of the first to offer courses related to forensic science within its criminology and criminal justice programmes. A career path in forensic science can be realised through being a forensic scientist/technician, crime scene investigator, forensic pathologist, forensic anthropologist, forensic chemist or digital forensic analyst. They can work in the judicial and criminal sector of an organisation or country.

Forensic science, as an academic discipline, is relatively new in Nigeria,

but it has been growing steadily in response to the increasing need for forensic expertise in the criminal justice system. For many years, forensic science in Nigeria was primarily handled by law enforcement agencies without formal academic programmes dedicated to the field. Most forensic work was done by police laboratories and a few specialised units within the criminal justice system.

In recent years, several universities have established dedicated forensic science programmes or included forensic science as a specialisation within broader science or criminal justice programmes. Notable institutions include Nnamdi Azikiwe University, which offers a postgraduate programme in forensic science, and the University of Ibadan, which has developed forensic science courses within its medical and natural sciences faculties. UTME subjects required are Use of English, Chemistry, Biology and Physics or Mathematics. O' Level requirements are a credit pass in English Language, Mathematics, Chemistry, Biology and Physics. For special waivers from

institutions, check the brochure on www.ibass.jamb.gov.ng

Forensic science in Nigeria is an evolving discipline with significant potential to contribute to the country's criminal justice system. It is a four-year degree programme that can be studied under the Faculty of Sciences in the following Nigerian Universities: First Technical University (TECH-U) Ibadan, Federal University of Technology, Owerri (FUTO), Bayero University, Kano (BUK) and the Nigerian Police Academy, Wudil, Kano State (NPA), among others. Check www.ibass.jamb.gov.ng for a comprehensive list of accredited institutions offering the course.

In Nigeria, professional bodies regulating the practice of forensic science include: the Chartered Institute of Forensics and Certified Fraud Investigators of Nigeria (CIFCFIN) and The Society for Forensic and Analytical Scientists Nigeria (SFASN). Prof. John Obafunwa, Benedict Agbo Ph.D, Mrs. Avril Eyewu-Edero, Dr. Uwom Eze and Mrs. Jane-Muse Adebukola Orire are notable Nigerian Forensic Scientists.

...NIPR UNIVERSITY: Oloyede, Gana, Others Named Members of Advisory Team

groundbreaking project, describing it as an initiative with the potential to be one of the best of its kind globally. He also charged the committee to foster a culture of technological innovation, while, at the same time, laying the groundwork for equipping both staff and students with the requisite skills to thrive in a rapidly-

changing world.

In his remarks, the NIPR President, Ike Neliaku, pointed out that effective leadership hinges on clear communication, a skill, which he said was often overlooked by many in positions of power.

He stated that public relations is a more often than not a prerequisite for

managerial success, "Leaders, who wish to succeed must know how to communicate effectively, or they risk failing not because of poor policies, but on account of their inability to convey their vision."

OFFICE OF THE REGISTRAR

No. 2024ff.04

6th May, 2024

MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES

This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.

JAMB/ADMS/DO/192/V.I

1st September, 2024

The Vice Chancellor/Rector/Provost,

RE: CONDONMENT OF ILLEGAL ADMISSIONS BY JAMB

This is a reminder regarding Circular No. JAMB/ADMS/DO/192/V.I, dated July 31, 2024, which addressed the termination of the condonement process for illegal admissions without registration numbers. In that circular, the Board requested that institutions declare such candidates by August 31, 2024. This marked the first phase of the exercise, and a subsequent deadline for registration and completion of the condonement process will be announced.

2. The second phase of the exercise, which pertains to the condonement of illegal admissions for candidates with registration numbers has now commenced. The Board has the necessary details and records for these candidates from earlier registrations.

3. By this development, **institutions are hereby required to now (or never) disclose, through the CAPS mail:**

- i. All candidates who were admitted illegally before 2017, that have JAMB registration numbers and whose records are on their system, within the next one (1) month beginning from 1st of September 2024.
- ii. All candidates who fall within the 2017-2020 window for the Condonment of Undisclosed Illegal Institutional Admissions (CUIIA) that have JAMB registration numbers and had not been included in the earlier declaration made by the institution. This is to be done within the next one (1) month beginning from 1st of September 2024.

4. The dateline for all these disclosures will be 30th of September 2024 after which no declaration will be entertained.

5. The Board would like to emphasize that any admissions granted during the specified periods (pre-2017 and 2017-2020) will no longer be recognized or condoned unless disclosed within this one-month window. Only students listed in the declared submissions will be permitted to register with the Board. A deadline for the completion of all condonement processes will be established.

Contd in Pg 15

6. These measures are implemented to address previously abused admission windows while reaffirming that CAPS remains the sole authorized platform for admissions. Institutions are strongly advised to adhere to these guidelines.

7. While urging you to accord this circular the attention it deserves, accept the best regards of the Board, please.

...FRAUD: JAMB to Limit Physical Interaction With Candidates

dropped this hint during his interaction with the leadership of the National Association of Polytechnics Students (NAPS) in Abuja on Friday, 6th September, 2024.

According to the Registrar, the Board had received series of reports bordering on some unwholesome practices adding that a team had been deployed to investigate the claims promising to make the findings known to all.

He urged students who had accused some JAMB officials and other

operatives such as CBT centres of extortion in the name of 'regularization' or other services to provide credible evidence, adding that any staff found culpable would face the full wrath of the law.

Meanwhile, Prof Oloyede commended the staff of the Board for their honesty and diligence saying, "In terms of honesty, I can vouch for over 99 percent of JAMB staff, but any bad eggs will be identified and dealt with appropriately,"

Furthermore, Prof Oloyede stated that given that many of the candidates who take the UTME are underage, the Board is considering limiting physical contact with those with challenges to avoid any alleged issue of extortion and other forms of exploitation.

He stated that in due course, interactions would be limited to online ones with calls recorded for effective monitoring and quality control.

OFFICE OF THE REGISTRAR

JAMB/R/23J/VOL.28/8

9th August, 2024

The Vice Chancellor/Rector/Provost,

MINISTERIAL DIRECTIVES ON THE RECOMMENDATIONS OF THE INTER-MINISTERIAL INVESTIGATIVE COMMITTEE ON DEGREE CERTIFICATE MILLING: REQUEST FOR IMPLEMENTATION

You are aware that the Federal Government through an inter-ministerial committee had investigated the issues of certificate racketeering involving some foreign institutions around Nigeria. The investigations also looked at the issue of illegal admissions by institutions in Nigeria and the issuance of fake certificates by the institutions. The Hon. Minister of Education has now directed the implementation of the recommendations contained in the report of the investigation committee.

2. I therefore convey the directives of the Honourable Minister to the Board for implementation of the following recommendations (a copy of the letter from the Hon. Minister is attached):

- i. Enforce the mandatory requirement for all tertiary institutions in Nigeria to exclusively conduct their admissions processes through the Central Admissions Processing System (CAPS) under the auspices of the Joint Admissions and Matriculation Board (JAMB).
- ii. Mandate all tertiary institutions in Nigeria to regularly submit their matriculation lists to the Federal Ministry of Education not later than three months after matriculation ceremonies through the dedicated channel of the Joint Admissions and Matriculation Board (JAMB).

3. Consequently, the Board reiterates the Policy that under no condition shall any candidate be admitted outside CAPS. Furthermore, the recent circular No. JAMB/ADMS/DO/192/V.I dated 31st July 2024 by the Board, emphasizes that no illegal admission will henceforth be condoned and any institution found to have admitted any candidate outside CAPS will be made to face appropriate sanctions. This is in addition to the forfeiture of the said admission with its legal implications.

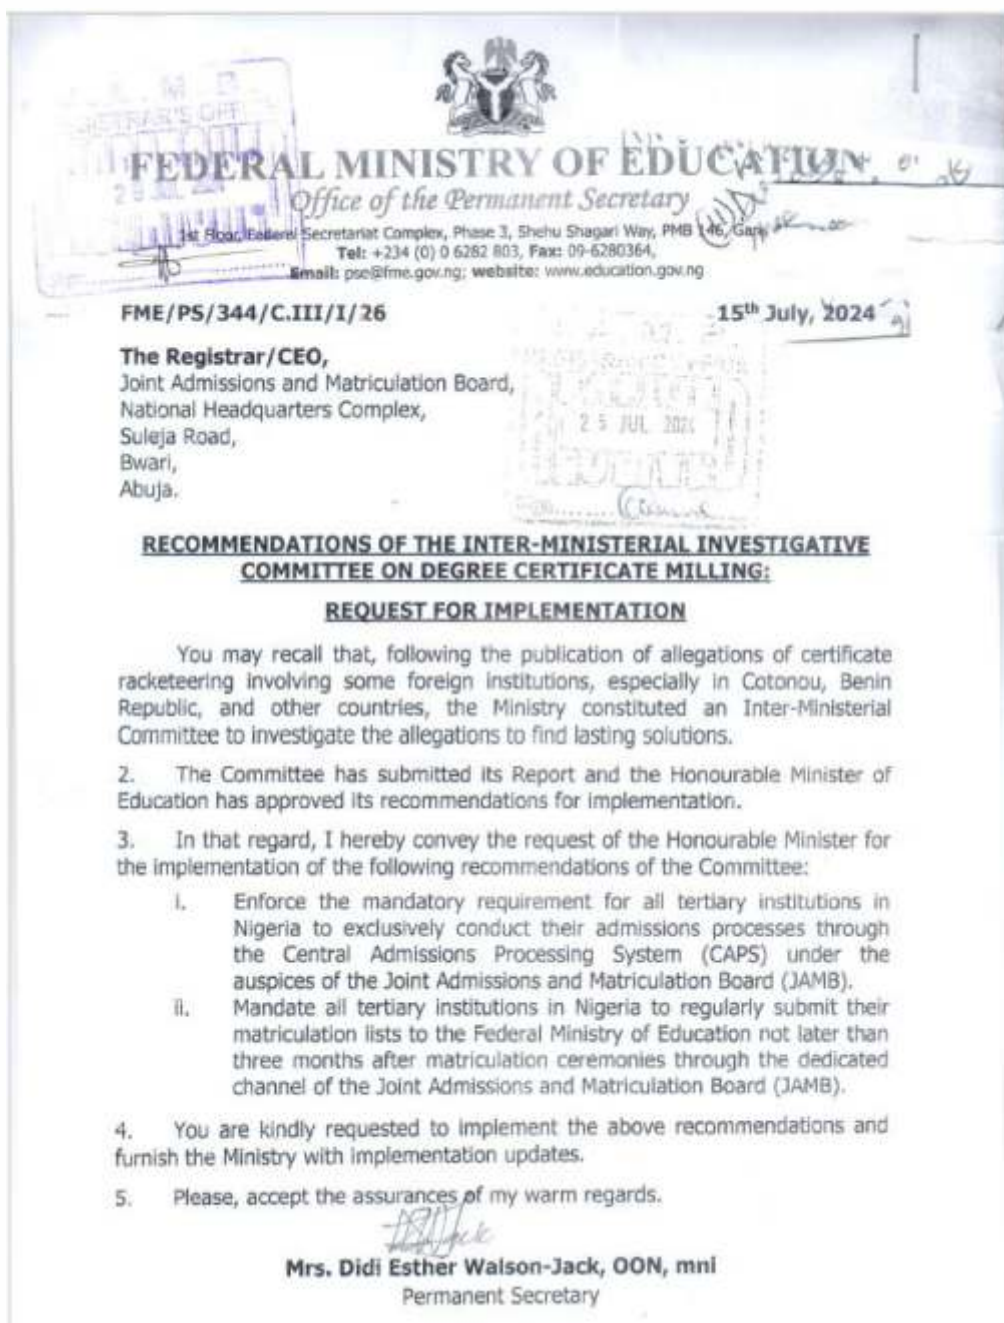

Contd in Pg 17

4. Each Institution is expected to promptly respond to JAMB analysis of its matriculation list so that the list and the responses could be forwarded, as directed, to the Honourable Minister of Education.
5. To further discuss this matter, the Board is arranging a virtual meeting involving all the institutions and the officials of JAMB. The details will be communicated to you.
6. Accept the best regards of the Board, please.

Professor Is-haq O . Oloyede, CON, FNAL
Registrar

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
