EDUCATION IN THE MEDIA

NAIRAMETRICS, TUESDAY, FEBRUARY 25, 2025: [NABTEB Releases Nov/Dec 2024 Examination Results, Records 67.56% Pass Rate:](#) - The National Business and Technical Examinations Board (NABTEB) has released the results of its November/December 2024 certificate examinations, with 67.56% of candidates obtaining five credits and above, including English Language and Mathematics...

Dr. Nnasia Asanga, the Acting Registrar/Chief Executive Officer of NABTEB, announced that a total of 44,226 candidates sat the examination and 29,880 candidates met the benchmark for academic and career progression...

Beyond the NBC/NTC results, Asanga emphasized NABTEB's role in technical and vocational education, urging stakeholders to explore opportunities in the sector.

"NABTEB administers several important assessments, including the National Common Entrance Examination (NCEE) for Technical Colleges, the National Skills Qualification (NSQ), and the Modular Trade Certificate (MTC), which equip candidates with practical competencies," he said.

NEW TELEGRAPH, TUESDAY, FEBRUARY 25, 2025: [Nigeria Needs More Colleges of Education-Abbas:](#) - The Speaker of the House of Representatives, Hon. Tajudeen Abbas, said that the 205 federal, state and privately-owned Colleges of Education are not enough to meet the education needs of Nigerians.

This is just as he stated that the increasing demand for education makes the establishment of more colleges of education imperative. He made the remarks at a public hearing in Abuja, on a bill on Colleges of Education and Teachers Training Schools in Nigeria.

He said, "On the face value, this number looks substantial. However, when considered against the backdrop of Nigeria's population of about 230m, with over 60 per cent under the age of 24 years, the demand for education makes the number of existing colleges of education in Nigeria quite insignificant."

"Therefore, these bills seeking to establish 10 Colleges of Education should be seen as relevant, appropriate and justified."... Also in Punch, Tuesday, March, 25, 2025

The UBEC boss regretted that poor coordination and weak partnership between critical stakeholders in the sector with inconsistent collaboration among UBEC, SUBEBs, and State Ministries of Education had resulted in inefficiencies, poor monitoring, and reduced impact of educational interventions...

DG, NIALS, PAYS COURTESY VISIT TO JAMB

The Director-General of the Nigerian Institute of Advanced Legal Studies (NIALS), Prof. AbdulQadir Ibrahim Abikan, has expressed the readiness of his agency to partner with the Board in mutually-beneficial endeavours.

OFFICE OF THE REGISTRAR

No. 2024ff.04

6th May, 2024

MANDATORY USE OF THE NATIONAL IDENTIFICATION NUMBER (NIN) FOR REGISTRATION WITH JAMB BY CANDIDATES APPLYING FOR NON-REGULAR PROGRAMMES

This Advisory is issued to all the concerned institutions, and candidates desirous of applying to study under the non-regular mode of study in tertiary institutions in Nigeria.

As part of measures to checkmate the nefarious activities of fraudulent characters, who are scheming to compromise candidates' records through dubious registration channels and in compliance with its enabling act, JAMB has mandated that all applicants desirous of studying in Nigerian tertiary institutions must provide their NIN while registering for any programme of study in any tertiary institution in Nigeria irrespective of whether the mode of study is **regular and non-regular**.

2. Consequently, it has now become mandatory for all prospective candidates in the **non-regular category (NOUN, Distance Learning, Part-time and Sandwich programmes)** to create a profile code, before registering with JAMB, by sending their NIN, through their unique phone number to either of the Board's sort code (55019 or 66019).
3. Immediately after the creation of profile, each candidate will proceed to a CBT Centre for registration. After the registration, the candidate's details will appear on the CAPS of the institution of choice under non-regular admission. The institution will then propose and recommend to the Board for approval and the candidate will accept and print admission letter.
4. Furthermore, all previous candidates in the non-regular programmes, who had not integrated their NIN or unique phone number on the Board's platform, would have to create a profile using their respective NINs to access any of the services of the Board.
5. No candidate can use the process to change any of the data already supplied to the Board.
6. JAMB, as a responsive organisation that is conscious of the peculiarities of the non-regular studies, will continue to make the registration process as flexible as possible by making its platform available throughout the year. It is, therefore, expected that candidates, who fall under this category, will apply through JAMB before approaching their preferred institutions to process their admission with their respective JAMB registration numbers. They would also be expected to pay their preferred institution a processing fee as determined by the respective institutions.
7. Please be guided for compliance.

...NAPS Passes Vote of Confidence on Oloyede, Presents Him Icon of Educational Development Award

Prof Is-haq Oloyede, Registrar, JAMB (Right) Receiving the Award from the leadership of the NAPS during the association's visit to the Board.

people are not aware of what is going on and today, I will tell you and you will know that this is not the place to come for solutions to your problem." Despite getting you angry, you did not harass us but address us as your children."

"Sir, we will continue to work with you and support your leadership because your policy has positively impacted technical education and we want you to know that the entire membership of our association is solidly behind you. Once again, thank you for receiving us."

Responding, Prof. Oloyede expressed appreciation to the leadership of the students union for the award, saying, "As stakeholders, it is our duty to attend to you, but unknown to us, you had also come to apologise as well as present me with an award."

He admonished the students to focus on their studies as well as stay committed to the path of national development through Imbibing sound technical education.

"I urge you to take education seriously, particularly technical education, which is the only path to the economic and technological emancipation of this nation. On our part, we will continue to promote the well-being of this country. As technologically-inclined professionals, if there is any area of development you want us to look into, don't hesitate to call our attention to it; we will continue to support you."

In the entourage of the NAPS President were the Senate President, Danjuma Bulus Akolo; the Treasurer, Confidence Godwin; Chairman, Stakeholders, Sunday A. A.; Speaker, Bello Badrudeen; South-South Zonal Coordinator, Ebhohimhen O. John; and the Senior Special Assistant, Special Duties, Ndukwe Wisdom Obinna.

Rilwan Opeyemi, commended Prof. Oloyede's developmental drives in education while apologising for their unruly behaviour the last time the Association visited the Board, disclosing that they were misled by some of their Rectors.

In his words, "We thank you for your guidance and direction. We recall that the last time we visited, there was a misunderstanding. We were pushed by some Rectors, who had misinformed us that JAMB was the stumbling block preventing some of our members from participating in the NYSC but the advice you gave us then, has started yielding positive results. You are, indeed, a Godsend and we are proud of you. We also extend our gratitude to members of your Management team, not only in the National Headquarters but also across the country, they have been tested and trusted.

"Your open-door policy and transparency is known to all right from your time as the Vice Chancellor, University of Ilorin. We have never heard anyone calling you out for corruption neither have we seen anyone accusing you of corrupt practices.

"Our attention has also been drawn to the various developmental projects you have initiated as the Registrar of JAMB particularly with respect to the establishment of the JAMB Equal Opportunity Group

(JEOG), a body that had been taking care of the examination and admission needs of candidates with special needs.

"It is on this note that we decided to present you with an award of excellence in service delivery. The last person that received this award was Prof. Yemi Osinbajo, when he was serving as the Vice President of Nigeria. Sir, this award means a lot to us, because it is given to only deserving persons; and your antecedents and your track records have spoken for you and we are proud of you."

The award was subsequently presented by the current national President of the Association, Eshiofune Paul Oghayan.

While handing him the plaque of excellence, he disclosed that the award was in recognition of Prof. Oloyede's immense contributions to the development of polytechnics and technical Education in Nigeria. He added that it was the Registrar's single-minded commitment to transforming JAMB coupled with his unrelenting efforts to end corruption in the nation's tertiary education sector that had won him the Award.

Furthermore, the NAPS President said, "The first time I came here was when I was the Vice President and we came in anger to resolve some issues, but when you spoke, you doused our anger, saying, "You

...JAMB Exam is Not Internet Based - Oloyede Tells NAPPS

During the visit, the Registrar, pointed out that the clarification became necessary in view of the erroneous belief in some quarters that the UTME is conducted using internet and that it is the poor internet connectivity that is responsible for the glitches recorded in the course of the examination in some cases.

According to him, the Board uses Local Area Network (LAN), which is a computer network that interconnects computers within a limited area such as a residence, campus, or building, using its own network protocols and is locally managed.

He stated that LANs facilitate the distribution of data and sharing of network within a limited area. He noted that these items of data are encrypted with other safety measures before they become accessible on the computer terminals of candidates to kick start

the examination.

On the partnership with the National Identity Management Commission (NIMC), Prof. Oloyede stated that the possession of a National Identification Number (NIN) is a precondition for UTME registration. He also used the opportunity afforded by the visit to brief the delegation on the Board's policy on data correction, changes in data obtained from NIMC and the consequences of such actions, among others.

Speaking further, the Registrar said change can occur when it becomes inevitable and where there is an apparent error but this would not be done without a footnote to safeguard the integrity of the system.

He advised the delegation to take advantage of the "REQUERY" window on the Board's portal in the event of any gaps noticed in the data supplied adding that the Board

would not allow any form of obliteration of candidates' history and enjoined NAPPS to join it in the war against fraud.

The Registrar also stated that the UTME registration is not a school-based exercise as obtained with the West African Examination Council (WAEC), the National Examination Council (NECO) and other school-based examinations.

Earlier, the President of NAPPS, Dr. Samira Jubrin, had raised some concerns about such issues as registration, technical glitches, NIN and correction of data, and a host of others.

She commended the Registrar for his laudable work in JAMB and urged him not to rest on his laurels. She indicated the readiness of the association to partner with JAMB for mutual benefit.

2025 UTME: JAMB TESTS EXAMINATION DELIVERY SOFTWARE

Ahead of the 2025 Mock-UTME and the Unified Tertiary Matriculation Examination (UTME), the Joint Admissions and Matriculation Board (JAMB) has conducted a trial test of its Examination Delivery Software (EDS). The test took place on Thursday, 27th February, 2025, at the JAMB Professional Test Centre (PTC) Kogo.

In a memo earlier signed by the Director, Information Technology Services (ITS), Mrs. Funmi B-Usman, which also featured names of nominated participants from each of the Departments, the importance of the trial test was stressed and participating staff were enjoined to rigorously engage the system.

Also, the JAMB IT Consultant, Mr Damilola Bamiro, in his remarks before the commencement of the trial test, said the exercise was to test the Board's preparations for the 2025 UTME as well as critically assess

some of the newly-introduced features in line with global best practices.

During the exercise, staff were instructed to pay attention to specific features, read instructions, while assessing the impact of font size, screen calibration, power cuts (if any) and continuity of test time after unexpected disruption, among other details.

In a chat with JAMBbulletin shortly after the brainstorming exercise, Mr. Bamiro pointed out that the Board had been able to harvest relevant information on some of these new features and is set for the 2025 UTME. Bamiro, who scored the success rate high, said the little areas of concern would be promptly addressed adding that the Board had received quality feedback from the exercise.

Furthermore, he disclosed that a trial test is critical to the overall success of any examination. He stated that by testing on a smaller scale, issues like

design flaws, confusing instructions, or other problematic features that might not be apparent during initial development would be targeted for adjustments before widespread use. In the same vein, the software designer, Morgen Green, represented by Mr. Temitope Ahmed, said the exercise was a simulation of the upcoming 2025 UTME and reiterated the determination of the company to give its best.

BORNO STATE UNIVERSITY EYES NATAP-M MEGA AWARD

Borno State University (BSU) has said the institution is working assiduously to be one of the top contenders in the 2025 edition of the National Tertiary Admissions Performance - Merit Awards (NATAP-M) organised annually by the Joint Admissions and Matriculation Board.

It would be recalled that the university came 3rd in the combined 2021/2022 and 2022/2023 edition in the consolidated award category having emerged the second runner-up institution with an aggregate of nine points to win a cash prize of ₦25 million.

The Vice-Chancellor of the university, Prof. Babagana Gutti, stated this when he led the management of the institution on a thank you visit to the Board's Headquarters, Bwari, on 25th February, 2025.

Prof. Gutti had noted that as one of the first institutions to be onboarded

in the Central Admissions Processing System (CAPS) when the automation regime was newly-introduced in 2017, he was confident that he could leverage his wealth of experience on CAPS to win laurels for the university.

He also expressed the determination of the university to make inroads in the upcoming 2023/2024 edition adding that he would bring to bear his wealth of experience while at the University of Maiduguri.

The erudite scholar also suggested the integration of the results of the West Africa Examination Council (WAEC) and National Examination Council (NECO) examinations for instant verification while reducing incidence of fake results in the long run.

He also said he was in JAMB to felicitate the Registrar, Prof. Is-haq Oloyede, for the uncommon transformations he had birthed in JAMB and the education sector in general. He added that as a stakeholder in the education sector, he was willing to tap from Prof Oloyede's wealth of experience to better the lot of the university.

In his response, the Registrar Prof Oloyede thanked the delegation for the visit and recalled that one of those that God had used to perfect

CAPS is Prof. Gutti while noting that Prof. Gutti was one of the very few individuals that not only believe in CAPS at inception but also helped to spread its gospel. He expressed confidence in the ability of the seasoned academic to excel in his new responsibilities as Vice Chancellor.

Prof. Oloyede also recalled that CAPS was introduced following the endemic corruption and infractions that characterised the admission process noting that admission then was a big industry for fraudsters and racketeers.

On result verification, the Registrar explained the circumstances leading to the mandatory verification of A/level results stating that ordinarily it was not the duty of JAMB to embark on such a herculean task but had to step in because of the overarching desire to curb proliferation of fake A/L certificates.

He assured the delegation that JAMB would continue to do its best within allowable limit to sanitise the education sector while also assuring the delegation of the the Board's continued support and mutual collaboration to make the sector better.

CSR: JAMB TO REVIEW PROTOCOLS

As part of efforts to consolidate on its existing Corporate Social Responsibility (CSR) initiative, the Joint Admissions and Matriculation Board (JAMB) has stated its determination to review its protocols towards birthing a more impactful and inclusive educational development in its host community, Bwari.

This stance was made known when the Board played host to the Management of St Theresa Catholic Secondary School, Bwari, Abuja, on Tuesday, 25th February, 2025.

In his remarks, the Registrar, Emeritus Prof. Is-haq Oloyede, noted that currently, the Board's CSR initiative covers only public institutions. He, however, said for a more impactful development outcome, the Board would look at reviewing its CSR protocols to accommodate other entities that are rendering public-

oriented services.

Earlier, the Principal, Rev. Sister Mary Leo Nwadim, disclosed that they had embark on the courtesy call to seek collaboration and financial assistance to complete the structure for the secondary school wing as well as to upgrade their current ICT facility into a full-fledged accredited CBT centre well-equipped to host the Board's UTME for the benefit of Bwari community and its environs.

Responding, the Registrar Prof Is-haq Oloyede noted that, "Serving God through service to humanity, is what all religions of the world preach, and education is part of serving God, because through education, people that will make society better are made. I appreciate your church for what you are doing through education.

"Yes, we may have some difficulties

but we will see how to go about it because, at present, we support only public schools to avoid being misunderstood. However, we will look into one area where we can easily key-in, and that is the area of ICT."

He, therefore, directed the JAMB SERVICOM Nodal Officer, Mrs. Ngozi Egbuna, to be the contact person for the school while the Board constitutes a committee to look into extending its CSR beyond supporting only public-owned institutions.

Other members of the school delegation on the visit were the Headmistress of the primary school wing, Rev. Sister Maureen Joselyn Onwuanyin, Vice Principal (Admin), Mr. Emmanuel Osuagwu, and the PTA Chairman, Engr. Theophilus Ojumu.

JAMB REGISTRAR COUNSELS UFTAN ON DEARTH OF CANDIDATES

The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has counselled the University French Teachers Association of Nigeria (UFTAN), on ways to address the poor enrolment of French candidates in the nation's Institutions.

The Registrar gave the advice on Tuesday, 25th February, 2025, when the association paid him a courtesy visit in his office in Bwari, Abuja.

The advice came on the heels of complaints by UFTAN led by its President, Prof. Mufutau Tijani.

According to Prof. Tijani, the Board might have indirectly contributed to the dearth of candidates following its refusal to recognise the Diplôme d'Etudes en Langue Française (DELF), which is a French language proficiency diploma.

Another point made by UFTAN was the cancellation of its remedial programme window in the universities as the National Council on Education (NCE) had limited the teaching of French studies to JSS. He also cited the dearth of French teachers and the non-recognition of the International Baccalaureate (IB)

for Direct Entry as equally responsible.

The Registrar, while responding to the allegations levelled by UFTAN, said DELF was a proficiency programme run by the French Ministry of Education and is not an academic programme run by universities.

He pointed out that DELF is issued by the French Ministry of Education to non-native speakers of French noting that it was not an academic qualification but is rather a proficiency programme.

He advised the association to go back to the drawing board to activate its hitherto-abandoned University Diploma and other pre-degree programmes for French, which had served as feeders for French programmes.

He advised UFTAN to take advantage of the Nigerian French Village with a view to producing the much-needed feeders for tertiary institutions and the advancement of French studies.

On the International Baccalaureate, the Registrar said JAMB did not stop

(IB) because Nigeria was a signatory to the Arusha Convention. He stated that IB was among the A/L qualifications listed in the Board's JAMBulletin as well as in all advertisements for UTME applications as featured in major newspapers in the country.

He said JAMB had no relationship with remedial studies and does not have the right to cancel it. He was, however, quick to add that remedial students must also take the UTME along with other candidates.

He also attributed the verification of A/L certificates to the series of startling revelations, abuses and discoveries of fraudulent acts associated with them.

Prof. Oloyede, therefore, advised UFTAN to channel its problems appropriately to get desired results saying the problem of dearth of students is not peculiar to French Studies as all language courses are suffering from the same problem. He, however, promised the Board's continued support within allowable limit and intervention where necessary.

JAMB TO RESTORE CBT CENTRES AT NIGERIAN CORRECTIONAL SERVICE FACILITIES

The Joint Admissions and Matriculation Board (JAMB) has announced the restoration of its previously suspended Computer-Based Test (CBT) centres within Nigerian Correctional Service (NCoS) facilities.

This decision follows the cancellation of CBT centres in Kaduna, Lagos, and Ilorin due to reports of unethical practices by certain individuals both within and outside the NCoS, which threatened the integrity of the Unified Tertiary Matriculation Examination (UTME). After extensive discussions between JAMB officials and NCoS leadership, the suspension has been lifted.

The announcement was made during a visit by the Acting Controller-General of the Nigerian Correctional Service, Mr. Sylvester Ndidi Nwaku, to JAMB's National Headquarters in Bwari, Abuja, on Friday, February 28, 2025.

In his welcome address, the Registrar of JAMB emphasized the Board's commitment to partnering with the NCoS to support young offenders

nearing the completion of their sentences who wish to pursue their educational aspirations. He noted that some officials had exploited this opportunity to enroll their children, undermining the purpose of the initiative.

The Registrar expressed disappointment over this misuse of privilege by individuals in positions of trust, stating that the Board has established a four-man committee to develop new operational modalities for the CBT centres' reinstatement.

During the meeting, the Acting Controller-General thanked the Registrar for JAMB's initiatives that provide young and rehabilitated offenders with a chance to reintegrate into society. He highlighted the positive outcomes of these programmes and expressed

hope for a strengthened partnership between JAMB and the NCoS, aimed at benefiting the nation's youth. Additionally, he requested more waiver for admission of qualified inmates in tertiary institutions. Mr. Nwakuiche revealed that the NCoS currently houses over 80,000 inmates, with 53,000 awaiting trial and approximately 3,808 on death row. He also discussed the successful collaboration between the NCoS and the National Open University of Nigeria (NOUN), which has enabled

inmates to author books and make significant contributions to their vocational fields. In his closing remarks, Mr. Nwakuiche praised JAMB for its vital role in the education sector and expressed his desire to strengthen ties with agencies that can positively impact the NCoS and the broader community. He acknowledged JAMB's achievements, commending the Registrar for his dedication and leadership. He underscored the importance of JAMB's initiatives in

facilitating positive change for citizens who have strayed from the right path, noting that many inmates have gained additional qualifications and shifted their perspectives on education. The meeting concluded with Mr. Nwakuiche and his entourage, which included senior officials from the NCoS, reaffirming their commitment to collaboration and the shared goal of enhancing educational opportunities for inmates.
