WHY WE BANNED CYBERCAFÉS - Ndukwe
…inspects CBT Centres in Abia State

The Chairman, Governing Board of the Joint Admissions and Matriculation Board (JAMB), Dr. Emmanuel Ndokwe, at the weekend gave reasons why cybercafés were banned from the Unified Tertiary Matriculation Examination (UTME) registration exercise.

He said the Board's aim of having a seamless registration, free from all kinds of infractions was the main reason behind the ban. Dr. Ndokwe pointed out that the registration was a vital component of any successful examination and as such, it should not be marred by extortion, mismatched data and poor technical know-how among others.

The Chairman made these remarks at the weekend in Lagos after a surprised tour of some Computer Based Test Centres.

He noted that the ban became inevitable following the review of the activities of cybercafe operators. He added that the Board would continue to define the code of operations with a view to enhancing the system for the benefit of all candidates. The Chairman said, “At the UNILAG stakeholders’ meeting held on 21st December, 2018, it was agreed that the ban on cybercafés and all other places that are not CBT centres should be sustained to avoid discrepancies in candidates’ data, and prevent sundry fraudulent acts.

As regard the obligations of CBT centre owners, he said “Any centre we find not complying with our ethics of registration will be sanctioned and we believe this is the way to go in ensuring that the right things are done. All requirements had been defined and agreed upon by the Board and centres owners. The cost of the e-pins has been slashed by the Federal Government and nobody should be allowed to do otherwise”.

He stated that the Board did not foreclose the possibility of cybercafés participating in the registration exercise but he insisted that they must meet certain standards. Once it meets the Board’s expectations, a cybercafé could be upgraded to a CBT centre.

The Chairman, while interacting with

2019 UTME: REGISTRATION DEADLINE SACROSANCT

The Chairman of the Governing Board of the Joint Admissions and Matriculation Board (JAMB), Dr. Emmanuel Ndokwe, has ruled out the possibility of extending the ongoing UTME registration exercise.

He also commended the Registrar, Prof. Is-haq Oloyede, for his many monumental achievements particularly the complete automation of the Board’s assessment processes.

Dr. Ndokwe made this statement in Lagos on Friday, 8th February, 2019 after a guided tour of some Computer-Based Test (CBT) centres to monitor the registration exercise.

The 2019 Unified Tertiary Matriculation Examination (UTME) and Direct Entry (DE) registration exercise had commenced on Thursday, 10th January, 2019 and is expected to end on Thursday, 21st February, 2019. To ensure that Nigerians are not exploited or have their data mutilated as well as obtain actual statistics that would reflect the realities on ground, the Board had regulated the registration exercise with guiding rules and regulations that centres must not breach.

To match words with actions, the Chairman of the Board took an assessment tour of some centres among which are: Ha-Shem Academy CBT centre, Federal College of Education (Technical) CBT centre, Akoka, Lagos and Electronic Test Company (ETC) CBT centre Lagos to ensure that the directives issued by
L-R: Prof. Albert Olayemi, former DVC, Uni-Ilorin; Prof. Olu Obafemi, former President, Nigeria Academy of Letters; Prof. Dan Okey Chukwu, from the Nnamdi Azikiwe University, Awka, one of the winners; Prof. Is-haq Oloyede, Registrar of JAMB; Dr. Dalhatu Mukhtari Shehu from ABU Zaria, previous winner; Prof. Shamsudeen Amali, former VC, Uni-Ilorin and Nasarawa State University and Prof. Yasir Anjola Quadri of the University of Ilorin.

Chairman Governing Board interacting with officials of Ha-shem Academy CBT Centre.

Chairman Governing Board of JAMB, Dr Emmanuel Ndukwe with Coordinator, National Headquarters Annexe, Lagos, Mr. Babatunde Bamisaiye.

Chairman Governing Board of JAMB Dr. Emmanuel Ndukwe fielding questions from Newsmen shortly after the tour of some CBT Centres in Lagos.

The Chairman Governing Board interacting with officials of Ha-shem Academy CBT Centre.
To ensure that the Board’s examinations meet best global practice, the Joint Admissions and Matriculation Board (JAMB) has prohibited the use of the following items during examinations. Candidates are hereby advised in their best interest **NOT TO** bring **THESE ITEMS** close to the examination venue. Any breach of this directive would bar the candidates from taking the examination.

### ALBERT! Previously Used Numbers for JAMB Registrations can only be re-used by the same Candidate (Not another candidate)

A Previously Used Number is a GSM Telephone Number (SIM) used for Profile Code Creation, e-PIN Vending and Registration in Previous Registration Exercises. This can be used for the 2019 Registration ONLY BY THE SAME CANDIDATE. The Candidate who is using his/her previous number for the second or third time will use the same profile code to purchase the new e-PIN.

If the Profile Code has been forgotten, the candidate can send RESEND to 55019 and he/she would recover the Old Profile Code.

In other words, the Old Profile Code can be used by the same candidate to procure the new e-PIN. No new profile code is required.

**However, Candidate cannot change name by using CORRECT on this existing number as this Profile is already tied to the existing number (typically done before Registration)**

Candidate can use the command UTMEPIN and DEPIN to retrieve 2019 UTME e-PIN after e-PIN purchase. Candidate can register at any JAMB CBT Center with existing Profile (e-Mail, Telephone Number, Profile code) which cannot be changed.

Existing Profile or already used number cannot be transferred to another candidate.

### NEW NUMBERS

New Numbers will follow the normal pattern of Registration as prescribed and advertised.

Candidates will be able to register as normal by sending their Surname, First name and Middle name to 55019. Candidates will be able to send CORRECT to 55019 in case of error before Registration.

Candidates will be able to retrieve newly generated Profile Code by using RESEND.

Candidates will be able to purchase e-PIN from any accredited outlet using newly generated Profile code as usual.

Candidates will be able to use UTMEPIN and DEPIN after purchase of e-PIN to retrieve lost e-PIN.
JAMB REWARDS TWO ACADEMICS

It was Paul Allaire, who said, “If you talk about change but don’t change the reward and recognition system, nothing changes”. It was with this resolve to recognize excellence and reward same that the Board and Management of the Joint Admissions and Matriculation Board (JAMB) rewarded two academics, Prof. Dan Okey Chukwu of the Department of History and Information Studies, Nnamdi Azikiwe University, Awka, and Dr. Dalhatu Shehu of Biological Sciences, Ahmadu Bello University, Zaria, for their contributions to academic excellence and service to the nation.

They were randomly selected out of about three hundred (300) academics, drawn from tertiary institutions across the country to fine-tune the final stage of preparation leading to the conduct of the 2019 Unified Tertiary Matriculation Examination (UTME). The two were selected in two separate batches of the Board’s final stage preparation exercises that were conducted at a secured location in Kaduna State because of the sensitive nature of the process. The procedure for the selection was equally transparent as each participant at the exercise was requested to write his/her name on a piece of paper and drop same in a box provided for the draw. Those who emerged winners would be sponsored to attend a conference relating to their disciplines by the Board.

The reward system is a sign of appreciation for their contributions towards enhancing the quality of public examinations in the country particularly, the UTME.

The process leading to the conduct of the Board’s examination is very tasking and all-inclusive where experienced scholars are assembled to enhance the quality of the Board’s examination in line with global best practice.

This process of fine tuning is underscored by Aristotle when he declared, “We are what we repeatedly do. Excellence then is not an act, but a habit.” As such, the contributions of these academics to the quality of the Board’s assessment processes can therefore never be overrated.

EXAMINATION NOTIFICATION

The 2019 Unified Tertiary Matriculation Examination (UTME) is scheduled to commence few weeks from now. Expectedly, candidates would be required to reprint their examination notification slips two weeks to the examination date.

On the notification slip are the candidates’ schedule for examination (date, time and centre) and other necessary information on the examination.

Two weeks to the commencement of examination, candidates would have their slips placed on their profile. However, in the event where a candidate could not access the slip on his/her profile, he/she can visit the Board’s service portal on www.jamb.org.ng to print the slip.

The processes are all automated to keep the candidates abreast of developments. Messages would as well be sent to candidates informing them of when to reprint their e-slips.

Candidates should not panic as the Board is working round the clock to guarantee their full participation in the 2019 UTME.

The Board urged candidates to disregard the information being circulated to the effect that, many candidates will miss the 2019 UTME as a result of a change in the system. The Board advised candidates to discountenance the purported statement as it does not emanate from the Board.

No candidate would miss the examination on account of any alleged change of process.

**UPDATED LIST OF SUSPENDED CBT CENTRES**

Two additional Centres were found to have breached our registration ethics last week and have since been suspended in line with the Board’s avowed determination to ensure that the rules are strictly followed and candidates are not defrauded. The four Centres are listed as numbers 1 and 8 in the table below.

Rasheed A. Lawal, Z/O Ibadan(CBT)
...2019 UTME: REGISTRATION DEADLINE SACROSANCT

As such, candidates should be mindful of the terminal date. So, I do not foresee any extension in date for registration.

He, however, stated that if there were cogent reasons for an extension, an approval would be sought by the management for such after the Board might have consulted widely.

The Chairman reiterated the determination of the Board to conduct a hitch-free examination that would make Nigerians proud.

...contd from page 1

IBASS AND ITS NUMEROUS ADVANTAGES

Changes aided by technology are re-shaping the way we do things and our functions. A lot that were mere visions of the future are now reality. Today, technology has ensured that services are rendered to deserving public with a touch of a button. The Joint Admissions and Matriculation Board (JAMB) has taken full advantage of technology to introduce an online brochure and syllabus system to ease the challenges hitherto faced by candidates in accessing information as against the manual system.

The difficulties in accessing the Board’s brochure and syllabus can bring about the delay in the process of registration and making it difficult for candidates to read recommended text for subjects picked for Unified Tertiary Matriculation Examination (UTME) requirements and UTME combinations are clearly defined on IBASS to make it easy for institutions to pick qualified candidates.

Given the numerous advantages of IBASS, candidates are therefore urged to visit ibass.jamb.gov.ng for the e-brochure and e-syllabus to access information required for major decisions. The Board has made it easier in such a way that at the point of creation of profile, candidates are directed to IBASS. When candidates send their names to 55019, they instantly get a message directing them to http://ibass.jamb.gov.ng to familiarize themselves with all requirements before making any critical decision. It can also be downloaded on Google play store by typing JAMB.Ibass.

This is one of the latest innovations of the Board that supersedes the production of syllabus and brochures in hard copy or compact disk (CD) form.

It is important that candidates consistently visit IBASS to familiarize themselves with the reading texts for each of the three subjects including English Language, they have picked for their UTME combination.

...WHY WE BANNED CYBERCAFÉS

the centre owners, expressed satisfaction with the exercise. The coordinators of Ha-Shem CBT centre, Mrs. Marie Akpanyi, the Managing Director, informed the Chairman that the exercise was going on smoothly. She said that the centre had registered over 7,500 candidates with no extra charges. She added that tremendous progress had been recorded by the centre as against the previous year because a faster network has made the CBT registration this year less cumbersome.

At the Federal College of Education (Technical), Akoka, Lagos State, the

Computer Electronics Officer in-charge of the college registration centre, Mr. Aynila Ahmed, informed the chairman that the exercise had improved greatly this year. He pointed out that the college had created ten access points and had registered a total of 2,000 candidates.

The Director and Centre Manager, ETC, CBT centre also commended the Board for putting in place machinery that had ensured the smooth conduct of the registration exercise.

Meanwhile, the Chairman was also in Abia on Monday, 11th February, 2019 where he visited Covenant Polytechnic CBT centre, Aba; Freedom Word Academy International CBT centre, Aba; XYZ Technologies CBT centre, Umuahia and Clems Business Limited CBT centre, Umuahia to assess the ongoing registration exercise. The Chairman who had earlier visited the JAMB office in Umuahia before proceeding to the centres warned centre operators from indulging in any unholy practices. He disclosed that the Board would not hesitate in sanctioning any centre involved. He called on them to support the Board in its determination to improve the registration process.
