STAFF WELFARE: JAMB PARTNERS FHA ON BWARI MASS HOUSING SCHEME

The management of the Joint Admissions and Matriculation Board (JAMB) led by the Registrar, Prof. Is-haq Oloyede has restated its commitment to enhancing the welfare of the staff of the Board. It is, therefore, in line with this philosophy that the Board met with the management of the Federal Housing Authority (FHA) to procure some of the houses being built by the agency in Bwari.

In pursuit of this goal, the leadership of the two

agencies on Wednesday, 30th August, 2023, opened talks at the FHA Headquarters, Abuja, on how the staff of the Board would benefit from the ongoing Bwari Mass Housing (BMH) project.

The Registrar, Prof. Is-haq Oloyede, accompanied by some members of management and the leadership of the Board's two trade unions, namely: Non Academic staff union (NASU) and Association of Senior Civil Servants of Nigeria (ASCSN), had expressed the desire of the Board to assist interested staff to acquire affordable houses of their own.

SUDAN CRISIS: JAMB ASSURES OVER 700 RETURNEE STUDENTS OF ABSORPTION

...Warns Against Sharp Practices

The Joint Admissions and Matriculation Board (JAMB) has, once again, reiterated its commitment to the task of ensuring that all the over 700 returnee students from war-torn Sudan, who are seeking admissions into Nigerian universities, are absorbed.

The Registrar gave this assurance during a meeting with representatives of the Association of Concerned Parents of

Nigerian Student Returnees from Sudan (ACPNSRS) on Wednesday, 30th August, 2023, at Registrar's Liaison Office, Federal Secretariat, Abuja.

According to him, as the nation's admission clearing house, the Board would do all that is necessary to ensure that these returnee students who have requisite qualifications are accommodated within the Nigerian education system. He also called on the

BYOD SETS FOR LAUNCH - JAMB

The Joint Admissions and Matriculation Board (JAMB), has called on prospective candidates to brace up for the grand unveiling of the revolutionary "Bring Your Own Device" (BYOD) initiative.

It would be recalled that this novel initiative was unveiled on 24th June, 2023, at the 2023 Policy Meeting in Abuja, where the Registrar, Prof. Is-haq Oloyede, disclosed that going forward,

prospective Unified Tertiary Matriculation Examination (UTME) candidates would be allowed to bring their own devices to the examination halls for the purpose of taking the UTME.

According to the Head, Public Affairs and Protocol, Dr. Fabian Benjamin, in an interaction with JAMB Bulletin on Friday, 1st September, 2023, at the Board's National Headquarters, Bwari, Abuja, he called on

...SUDAN CRISIS: JAMB Assures Over 700 Returnee Students of Absorption

Association to ensure that all the affected students possess authentic certificates as the Board would not condone any sharp practices in the nation's admission value chain.

The Registrar, while reassuring the forum of the Board's full support, expressed the resolve of its management to integrate the returnees to universities of their choice. He urged the parents to take cognisance of the various advisories on procedures for applying for foreign inter-university transfers for old students, to mention but a few.

Prof. Oloyede pointed out that the advisories were follow-up to the series of high-level consultations with the Federal Ministry of Education, National Universities Commission (NUC) and other critical agencies of government, Vice Chancellors of Nigerian universities and other stakeholders on the issue of re-absorption of returnee students, who are caught up by civil strifes in foreign lands.

He noted that, as part of the Board's determination to ensure the absorption of these returnee students, the Board's Integrated Brochure and Syllabus System (IBASS), had been adjusted

to accommodate the peculiarities of these returnees. He added that any student, who has neither completed the university transfer form nor follow all the guidelines that have been made available to them will not be captured by IBASS.

Furthermore, he explained that any admission done outside CAPS would not be condoned by the Board and would pose serious problems for such students in the long run. He, therefore, enjoined the parents to follow due process at all times.

Earlier, the spokesperson of the forum, Hajia Asmau Yerima, commended the Board for honoring their request for a meeting. She then outlined the reasons for the meeting, which, according to her, included but not limited to, the issue of rejected application of their wards by some universities.

Going forward, Hajia Yerima appealed to the Board to make available a dedicated window where returnee students would be able to make changes in their choices of institutions at any CBT centre.

In addition, she also sought special waiver for 100L students, who had left the country before the 2023

UTME was conducted adding that, in most cases, they do not have any transcripts from their previous universities to present. She also mentioned the reason of inadequate quota cited by some institutions as an excuse for not admitting their wards.

Consequently, the forum sought clarification as to who was in charge of approving admissions between JAMB and the universities. She stated that other stumbling blocks in the paths of returnee students included the various stringent entry requirements put in place by some institutions, as well as the charging of exorbitant fees, among others.

Hajia Yerima also raised the issue of the inability of returnee students to receive relevant acknowledgment and notifications at a point in time, stating, however, that the problem has been resolved by JAMB.

Highlights of the meeting was the presentation of an award of excellence to the Registrar, Prof. Is-haq O. Oloyede, for his landmark achievements in JAMB, the education sector and his unwavering support for the re-integration of returnee students into the Nigerian educational system.

ZAGE EXITS JAMB SERVICE IN STYLE

The Kano Zonal Office of the Joint Admissions and Matriculation Board (JAMB) was in a festive mood on Monday, 28th August, 2023, as the management and staff of the Zonal Office celebrated the exit of their immediate Zonal Director, Mr. Usman Sabo Zage, from JAMB.

Speaking on the occasion, the new Zonal Director, Mr. Salim Kabir Galadanci, congratulated the former Director on his glorious exit from service, as according to him, it is not everyone who started well that ended well.

Mr. Galadanci, therefore, charged members of staff of the office to

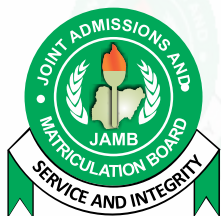

emulate Mr. Zage's virtuous character, humility, tolerance and diligence.

"I congratulate Mr. Zage for retiring well. Your legacy of hard work, humility and tolerance are virtues we will not forget anytime soon. I also wish to congratulate you on exiting the service hale and hearty and wish you well in your future endeavours," he said.

In his response, the visibly-elated former Director expressed appreciation to staff of the Zonal Office, particularly the current Director for his demonstration of love and prayed that the Almighty Allah would guide them also through their

service years.

Mr. Usman Sabo Zage joined the services of the Board in 1997 from Saadatu Rimi College of Education as a Senior Administrative Officer (SAO). He served in various capacities and rose through the ranks to become a Director in 2019. He was also the erstwhile Director of Psychometrics Department of the Board from where he was redeployed to the Kano Zonal Office. VC, ABSU, WARNS AGAINST EXAMINATION MALPRACTICE AND CULTISM

An appeal has gone to the newly-matriculated students of Abia State University, Uturu, to shun all forms of examination malpractices and any cult-related activities while on campus.

This appeal was part of message of the Vice Chancellor of the institution, Prof. Onyemachi Maxwell Ogbulu, to the matriculating students of the institution on Friday, 25th August, 2023 at the University Matriculation/ Convocation Arena, Uturu.

According to Prof. Ogbulu, examination malpractice is not only evil but is capable of shattering their future dreams. He, therefore, urged the students to imbibe good conduct and seriousness as they pursue their academic dreams.

According to Prof. Ogbulu, 4,546 students were privileged to gain

admission into the prestigious university, he therefore, urged the matriculating students to count themselves fortunate to be among the chosen ones.

He also enjoined the new students not to forget the reason why they are in the institution which, he said, is purely for academic pursuit as well as to attain sound character.

The Vice Chancellor disclosed that the institution, aside its emphasis on academic excellence, also attached great importance to the development of good character in its students. He added that the institution had zero tolerance for any act of exploitation or molestation of students and would go to any length to bring perpetrators to book. He enjoined them to report any form of intimidation, harassment, exploitation or such related acts, to

the Vice Chancellor without fear.

"As students of this institution, you are expected to exhaust every channel of ventilating your grievances to the management and avoid sensationalising on the social media any matter capable of negatively affecting the welfare of students and the smooth running of the university," he said.

In his goodwill message, the Abia State Coordinator, Mr. Johnson Adebisi, admonished the matriculants to be good ambassadors of their noble institution during and after their sojourn in the university.

In his closing address, Prof. Ogbulu admonished the matriculating students to abide by the rules and regulations of the university and abide by their matriculation oaths at all times.

EKITI STATE GOVERNMENT PLEDGES SUPPORT FOR JAMB

In its resolve to minimize incidences of perennial registration errors, occasioned by ignorance and overzealousness of candidates, the Ekiti State Office of the Joint Admissions and Matriculation Board (JAMB), has proposed advocacy visits to selected schools across the State to sensitise prospective Unified Tertiary Matriculation Examination (UTME) candidates ahead of the 2024 registration in order to enlighten them on the avoidable mistakes that could negatively impact their applications.

This development was disclosed by the Ekiti State Coordinator of the Board, Mr. Hassan Lawal, on Monday 28th August, 2023, when he led a delegation of JAMB officials on a courtesy visit to the Office of the Secretary to the Ekiti State Government, Dr. Habibata Omolara Adubiaro, in Ado-Ekiti.

Soliciting a robust synergy between the Board and the State Government on the development, Mr. Lawal said that such advocacy would guide the

candidates against making similar mistakes as their predecessors, stressing that some of such mistakes are not amenable to correction adding that a stitch in time, saves nine.

Highlighting some of these problems, the State Coordinator explained that they stemmed out of inconsistencies noted in their subjects combination, arrangement of names, incorrect date of birth, correction of state of origin/local government, among others.

To curb the problem, Mr. Lawal proposed an enlightenment programme for prospective UTME candidates in the three senatorial districts of the State, focusing on students in Senior Secondary Schools. Similarly, the State Coordinator admonished the State Government to embrace an annual recognition of top 10 candidates from Ekiti State in the UTME to encourage hard work and healthy competition among secondary school students.

In his remarks, the Head, Matriculations Unit, Mr. Ganiyu Ishola, encouraged the State Government to build Computer-Based Testing (CBT) centres in not less than three major towns across the three senatorial districts of the State to decongest the state capital during UTME registration and main examination.

Responding, the SSG welcomed the initiative and affirmed that the State Government would leverage on the platform to further consolidate on the existing plans to improve academic excellence within the State.

She assured the delegation of the State's readiness to support the Board in its operational processes for enhanced service delivery.

Accompanying the State Coordinator to the Office of the SSG were: the Ekiti State Office Accountant, Mrs. Adedoyin Oragbade, the Head, Matriculations Unit, Mr. Ganiyu Ishola, and the Head, SERVICOM and Public Relations Officer, Mr. Abdulrasaq Olarenwaju Bhadmus.

FCE, ABEOKUTA, TO COMMENCE DUAL MODE CERTIFICATION - PROVOST

A call has gone to all affiliate institutions to adhere to all the guidelines of the Board regarding admissions. This was contained in the address of the Ogun State Coordinator, Joint Admissions and Matriculation Board (JAMB), Mr. Hakeem AbdulHameed, who, on Wednesday, 30th August, 2023, paid a courtesy call on the Provost of the Federal College of Education, Osiele, Abeokuta.

According to the State Coordinator, affiliate institutions have to put measures in place to ensure that none of their functionaries engage in any form of sharp practices or infractions that could tarnish the image of the institution.

During the visit, Mr. AbdulHameed reiterated that admitting students outside CAPS is an infraction and should be discountenanced. He, therefore, urged the institution to

ensure that all her Sandwich and Part Time students register at any nearby Board's Office for their Direct Entry applications.

Mr. AbdulHakeem further clarified that, those students, who were admitted prior to 2017 without recourse to the Board's rules and regulations, must also register to be given retroactive admission letters as he also urged them to note that the Board had since ceased the condonement of such admissions.

In his response, the Provost of the college, Dr. Rafiu Soyele, revealed that the institution would soon commence a dual-mode certification process (combination of National Certificate in Education and Bachelor of Education). According to him, admission is a fundamental assignment and assure the Board of the institution's readiness to abide by the guidelines

of the Board in that respect.

The Provost, who also doubles as the Chief External Examiner of the Board in the State, also used the opportunity of the visit to solicit more support and guidance from the State Coordinator.

Furthermore, the Director, Centre for Undergraduate Programmes (CUDEP), Dr. Temitayo revealed that all the college's admissions are done on CAPS by the mother institution, University of Ibadan, adding that the centre does not do anything without the approval of the mother institution.

The State Coordinator further assured the authorities of the institution that his doors are always open and in demonstration of that, he asked the college to nominate a representative to understudy the Board's officials as they render various services to candidates.

Nigeria Post-secondary Education Data System (NIPEDS)

Following the enormity of the challenges associated with the A 'level qualifications and stakeholders determined efforts to address them, an A 'level bank was instituted under the chairmanship of the former Vice-Chancellor of Bayero University, Kano, Prof Muhammad Yahuza Bello. The Data Bank has now been renamed "Nigeria Post-secondary Education Data System (NIPEDS)".

The conversion to NIPEDS is to streamline the functions of the A 'level bank in line with international standard thereby bringing total sanity to the entire process of A 'level qualifications that has been fraudulently manipulated by some candidates to gain undue advantage in securing admission into Year Two of the University Degree programmes.

Highlighting the benefits of BYOD, Dr. Benjamin said, "This will save cost in terms of the humongous expenses that go into the yearly conduct of UTME as well as helping to obviate the need for constant replacement

of hardware and software occasioned by wear and tear."

"Also, practising ahead with their own devices to be used for the examination will tremendously hone their computer literacy skills to perfection. That's not all, taking the examination with their own devices will allay their fear of new

technology."

"I, therefore, urge all prospective candidates to start practising with the devices they intend to use in the coming UTME, prior to which a pilot test will be conducted to aid the smooth implementation of the project," he submitted.

concerns of prospective allottees over the payment plan as some had said that the repayment period is too short and not conducive for public servants. He said the Board should not be deterred as the Bank can, with the Board's cooperation, design a more friendly payment plan. He revealed that if JAMB purchases 300 units of three bedroom flats, it will amount to N6.7b and if the Board can advance the bank N2.6b which would be paid back, it will fast track the delivery of the units to its staff and make the payment plan more conducive for staff such that the advanced N6.7b could be returned to the Board's coffers within a short period of six months.

The Registrar, while commending the management of FHA, led by Distinguished Sen. Gbenga Ashafa, reiterated the importance of affordable housing for the staff as it impacts positively on the efficiency of labour and productivity. According to the Registrar, the Board is statutorily empowered to serve the nation through its mandate noting that while discharging its obligations to the nation, there is also a need to cater for the welfare of its workers, who toil day and night to ensure that the Board deliver on its mandate. He, therefore, stated that it is incumbent on the Board to prioritise the welfare of its staff within what the law allows.

Prof. Is-haq Oloyede, JAMB Registrar giving his address during the Board's visit to FHA.

He said it is against this backdrop that the desire of the Board to procure affordable housing for its staff should be situated.

According to the Registrar, he pointed out that his war against corruption and unethical practices would be meaningful only if the staff are provided with basic necessities such as houses that they can call their own.

He said that his visit to FHA was to hold useful discussion with a view to making it easy for the two labour unions of the Board, whose members are direct beneficiaries to assess the project. He promised that management would, with the approval of staff through their unions, tackle any challenges that might crop up adding that the first thing is to secure the support of the staff. He, therefore, said the onus is

on the two labour unions to give or withhold their consent to the arrangement. He also stated that more work needed to be done so as to ensure that staff in outstations would also benefit.

On the issue of pricing, the Registrar said it would not be out of place to request a reduction in the unit cost of the three categories of houses, saying the prices are on the high side.

Thereafter, the Registrar constituted a 5-man committee to assess the site of the project, ascertain its suitability, discuss with the general staff, if they are interested, then further discuss with FHA and report back to management.

Members of the committee are Director of Finance and Accounts, Mr. Mufutau Bello; Director Human Resources, Mr. Muhammed Shehu; Director Legal Services, Dr. Abdul Wahab Oyedokun; and the two Union leaders.

Overall, the terms of reference for the committee include looking at the cost of the houses, the mortgage institutions, and payments plan, among other considerations.

Speaking on behalf of the two unions, Comrade Andrew Onakpa commended the Registrar for his determination to ensure that the Board's staff are made comfortable to deliver their best. He said the unions would take the message back to their teeming members and
