The Joint Admissions and Matriculation Board (JAMB) conducted its 2021 mock examination nationwide on Thursday, 3rd June 2021.

The optional mock examination was introduced by the Prof. Oloyede-led Management team in 2017 as a trial run for the Unified Tertiary Matriculation Examination (UTME). The mock is to allow the candidates to experience the CBT environment as well as enable the Board to test its systems and processes.

A total of 802 Computer-Based Test (CBT) centres with candidates' strength of 160,617 participated in the exercise.

Through this test run, the Board is allowed to ascertain the true state of facilities in each of

the centres to be used for the examination. At the end of the test run, those centres found to be deficient are delisted while those with little and understandable hitches are made to remedy their inadequacies ahead of the main examination.

This year's exercise had proved to be a huge success and is a poignant indicator of the Board's readiness for the main Unified Tertiary Matriculation Examination which commences on Saturday, 19th June 2021.

Parents and candidates alike are to note that the score from the mock examination would not be added to that of the UTME as the mock examination was aimed simply at exposing the candidates to the UTME testing mode.

CBT: WACS COMMENDS JAMB

The West African College of Surgeons has commended the Joint Admissions and Matriculation Board (JAMB) for supporting the College in the conduct of its Computer-Based Tests.

The commendation was contained in a letter sent to the Registrar, JAMB, Prof. Is-haq Oloyede, titled: "Appreciation for Conduct of April 2021 Computer-Based Test (CBT) Exercise."

The letter which was signed by the

Secretary-General of WACS, Prof. Philip M. Mshelbwala, reads in part: "I write on behalf of the President, Council and entire body of Fellows of the West African College of Surgeons to express our gratitude for your support towards the successful conduct of the Computer-Based Test (CBT) aspect of our April 2021 examinations."

"Your team of technical experts were indeed highly professional, efficient in their conduct and deserve special

commendation. The West African College of Surgeons views this gesture as a sign of your firm commitment towards assisting us in achieving our goals of transiting to CBT format examination."

The letter closed with a firm commitment to the partnership that had birthed a series of successfully conducted assessment outcomes since its inception in 2017.

2021 UTME: CPN AND JAMB MEET ON CCTV, LIVE STREAMING, STAs

The Computer Professionals Registration Council of Nigeria (CPN) and the Joint Admissions and Matriculation Board (JAMB) have finalised talks on CCTV live streaming and Monitoring of the Unified Tertiary Matriculation Examination (UTME).

In his remarks, the Registrar of CPN, Dr Muhammad Bello Aliyu, said he was at the JAMB National Headquarters in furtherance of the Council's collaboration with the Board towards delivering credible and fair UTME.

Dr Aliyu disclosed that the Council had entered into a partnership with JAMB to ensure that the UTME is monitored live to forestall any malfeasance.

The CPN Registrar promised that the Council would deploy relevant technology and professionals to monitor all examination centres remotely and

urged candidates to note that anyone who engaged in any misconduct would be fished out and prosecuted.

He listed the roles of the Council's technical officials whom he referred to as "State Technical Assistants" or CPN-STAs as comprising, among others: the controlling and monitoring of all activities within any given State through visiting every CBT centre, ensuring that all CCTV inventories are carried out at all centres in any given State and ensuring the live streaming of all activities in all centres, especially during examination sessions.

Furthermore, the CPN helmsman said the Council would ensure that all physical backups are done and reported to the CPN/JAMB Joint Task Force.

In his remarks, the JAMB Registrar urged CPN to engage competent hands who are of proven integrity considering the critical

nature of their assignments and the importance that the Board attached to the issue of integrity and fairness.

Prof. Oloyede reminded the CPN delegation of the necessity of obtaining NIN by its officials and urged the Council to compile a verifiable list of all the STAs to conclusively ascertain the identities of those it had engaged for the exercise.

To that end, the JAMB Registrar advised the CPN to create a NIN Verification platform similar to the 55019 USSD code being used by the Board to verify the authenticity of NIN provided by the personnel it had engaged to superintend the examinations.

He assured the CPN delegation of the Board's support at all times for the sustenance of the partnership.

As a result of infractions/offences during the 2021 Unified Tertiary Matriculation Examination (UTME) and the Direct Entry (DE) registration exercise and the underperformance of some of the centres during the conduct of the mock examination, the following centres have been delisted.

It would be recalled that the Registrar of the Board, Prof. Is-haq Oloyede, at the last meeting had promised to reconvene the meeting to assess the level of

compliance.

The follow-up virtual meeting, which held on Friday, 4th June 2021, was hosted by the National Headquarters of the Board, Bwari-Abuja. In the course of the meeting, participants looked at all the matters arising from the last meeting and received updates from scheduled officers and agencies.

2021 UTME: "DO NOT BETRAY THE TRUST REPOSED IN YOU"

...Oloyede Warns Supervisors, BVM Operators

The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has charged Supervisors and Biometric Verification Machine (BVM) Operators participating in the 2021 Mock-UTME and the subsequent Unified Tertiary Matriculation Examination (UTME) not to betray the immense trust reposed in them.

The Registrar gave this warning at a virtual training for these critical stakeholders on Monday, 31st May 2021.

He urged them to perform the assignments entrusted to them diligently with a high sense of patriotism, credibility and integrity saying, "We have adequate technology to not only monitor the examination but also your activities from the Headquarters."

He advised participants to see their

engagements as a call to national duty stating that any form of unwholesome behaviour from them could give the Board a negative image.

Prof. Oloyede advised the Supervisors who double as BVM Operators to work hand-in-hand with the Technical Officers at their centres and avoid any bickering that could hinder the smooth conduct of the examination.

He also advised them to be vigilant and not to take unnecessary risks given the security challenges bedevilling the country while adhering to all COVID-19 protocols.

Earlier, the Director, Information Technology Services (ITS), had informed the participants that the Board had introduced a more convenient and secured way of distributing sensitive examination materials through

decentralising their storage and distribution process. That, according to him, would be of immense benefit to candidates and other stakeholders alike.

The Director urged the participants to take advantage of the new arrangement to ensure a better examination outcome. He advised them to always check their profiles for Advisories and other announcements put forth by the Board regarding the examination and act accordingly.

Similarly, the IT Consultant, Mr Damilola Bamiro, took the participants through the rules and regulations guiding the administration of the examination especially as they pertain to the time to Start and End the examination, latecomers, as well as the newly-introduced technicalities and processes, among others.

JAMB DOES A POSTMORTEM ANALYSIS OF MOCK EXAMINATION

To further consolidate on the successes recorded in the just-concluded Mock-UTME which held on Thursday, 3rd June, 2021, the Joint Admissions and Matriculation Board, on Saturday, 5th June, 2021, convened a meeting of all the Technical Officers who participated in the conduct of the examination.

It would be recalled that the Board had instituted the Mock-UTME in 2017 to test the readiness of the Board and that of the CBT centres to be used for the UTME proper.

The meeting had reviewed all the hitches experienced in the conduct of the Mock so as to address them before the main examination which would commence on Saturday, 19th June, 2021.

The Director, Information and Technology Services, Mr. Fabian Okoro, commended all the Technical Officers for the successful outcome of the exercise adding that the meeting would hold frank discussions on all the challenges

experienced during the exercise with a view to addressing them so as to avoid a recurrence during the Unified Tertiary Matriculation Examination (UTME). Similarly, the meeting was also to air the views of Technical Officers who had experienced challenges and what they did to address such issues.

In his address to the gathering, the Registrar, JAMB, Prof. Is-haq Oloyede, commended all the Chief Technical Advisors, the Technical Officers as well as the ad-hoc staff who were drafted to assist the Board with their expertise in conducting the examination. The Registrar, then, received briefings from Zonal Directors, State Technical Advisors to Technical Officers regarding their experiences.

He charged Technical Officers to be vigilant and to always seek clarifications from their State Technical Advisors or the Situation Room domiciled at the Board's Headquarters whenever they are confronted with issues beyond their

capabilities.

Following the series of challenges highlighted in the course of the meeting, a few technical measures were introduced to strengthen the process and forestall the recurrence of such hitches.

However, the exercise was generally adjudged to be a huge success with the Technical Officers stating that the exercise was smooth and without any major challenges, and the few issues that popped up were instantly addressed.

It was also reported that two centres could not conduct the examination owing to natural causes like fire outbreak, among others. However, some centres that were found to be structurally deficient were delisted and barred from participating in the main examination.

The Technical Officers, collectively commended the Board for organising a series of training sessions prior to the examination, which, according to them, made all the difference.

...JAMB Reconvenes Stakeholders Meeting To Review Reports On 2021 UTME/DE Registration

Prof. Oloyede, who presided over the meeting, thanked the participants for their prompt response at short notice adding that the meeting was being held to consolidate on the successes recorded in the aftermath of the last one. He briefed them on the outcomes of their directives and to take decisions on outstanding issues.

In effect, the meeting looked at the solutions preferred at the last meeting, how the solutions have impacted the registration process flow, made necessary adjustments and directed some actors to do even more.

Further to the above, Prof. Oloyede disclosed that evidence has shown that the extension of the registration period was not necessary as the total number of candidates registering dropped significantly as most centres were always empty only to shoot up dramatically one or two days to the close of registration indicating a deliberate and elaborate scheme to foist needless extensions on

the Board for nefarious ends.

However, the Registrar stated that the Board acknowledged that the above scenario did not preclude the possibility of the existence of candidates who had been genuinely trying to register without success.

It is, therefore, to give another opportunity to candidates in that category that the Board had devised a form to be filled by these prospective candidates and to register within two weeks, that is, from 31st May to 15th June 2021. The affected candidates are to obtain the form at no cost at the Board's offices and PRCs affix a passport photograph and to submit the same along with a certified bank draft of four thousand nairas only.

The Registrar urged the participants which comprise JAMB, Service Providers, NIMC, Telecos, SERVICOM, NCC, FCCPC, among others, to up their games to ensure the success of the initiative.

The representative of Airtel, Mr Babawale Ajobiwe, who spoke on behalf of the Service Providers, gave assurances that they would do the needful to ensure that the Board deliver on its mandate. In the same vein, the NCC representative, Engr. Wakil, who spoke on behalf of the Critical Stakeholders, also reiterated their commitment to the actualisation of the various resolutions reached at the meeting especially in terms of policies and programmes of the various agencies and institutions as he also made few critical suggestions to the stakeholders to enhance the process.
