# SENSITISING STUDENTS AHEAD OF UTME IS KEY TO BETTER PERFORMANCE

## - JAMB TELLS ANCOPSS

JAMB National Headquarters, Abuja.

Speaking at the just-concluded meeting of the South-West Bloc of the All Nigeria Confederation of Principals of Secondary Schools (ANCOPSS) held in Ibadan, Oyo State, the Registrar of the Joint Admissions and Matriculation Board (JAMB), Prof. Ish-aa Oloyede, charged the participants to prioritise sensitisation of their wards, especially those in the senior classes, to the

use of the Board's Integrated Syllabus and Brochure System (IBASS) while preparing for the UTME.

The Registrar, who was represented by the Ag. Zonal Director of Ibadan Zonal Office, Mrs. Olajumoke Adeleke, said IBASS is a robust, interactive and informative platform that guides candidates through the choice of

# JAMB RESTATES ZERO TOLERANCE FOR EXTORTIONATE TENDENCIES

The Ibadan Zonal Office of the Joint Admissions and Matriculation Board (JAMB) has set machinery in motion towards monitoring the activities of all CBT centres across the State to ensure compliance with the Board's service charter. The exercise which kicked off in July, 2022, across the State was organised to check the excesses of some unscrupulous CBT centre owners whose stock in trade is to extort innocent candidates through the inflation of service charges, among others.

The exercise, since its commencement

has continued to deliver measurable and credible results in terms of increased transparency in the dealings of a cross section of CBT centres across the State. The Zonal Coordinator, while commending the new spirit of cooperation and diligence among erstwhile erring CBT centres in the State, admonished them to keep up the good work. He, however, restated the readiness of the Board to sanction any person or group caught working at cross-purposes to its goals and aspirations.

One of the Chief Technical Advisors (CTA) of the Joint Admissions and Matriculation Board (JAMB), and a renowned ICT Don, in charge of Kogi State, Prof. Francisca Oladipo, has been appointed Vice-Chancellor, Thomas Adewumi University, Nigeria.

It should be noted that the JAMB-CTA group is made up of senior academics and special education experts with proven integrity and high professional competence.

## THE EAGLE HAS LANDED - OLIMA-WILLIAM TELLS AKWA IBOM STAFF

Mrs Grace Olima-William taking over from Mr. Joseph Ogaribhor as the Coordinator, Akwa Ibom State Office.

In a bid to re-ignite the spirit of hard work and dedication to duty, the newly-appointed Akwa Ibom State Coordinator, Mrs. Grace Olima-William, has described her passion for work as being akin to the momentum and strength of an eagle swooping on a prey and charged her staff to buckle down to work so as to deliver on the Board's mandate. Mrs. Olima-William made the analogy on Wednesday, 29th June, 2022, at the JAMB State Office, Uyo, during the change of baton ceremony organised to welcome her as well as to send off the outgoing Coordinator, Mr. Joseph Ogaribhor, who had been redeployed to the Quality Assurance Department, National Headquarters, Bwari.

According to her, indolence and laxity had no place in her lexicon.

Continuing with her analogy, the new State Coordinator stated that just like an eagle hunt with precision, she had an eye for details on account of her background in test development. She further disclosed that she might be genteel in her manners but that should not be taken for granted as she always deliver promptly on her objectives.

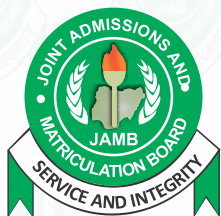

However, Mrs. Olima-William added that her mode of address should not be regarded as confrontational or threatening but was just a strategy to get the work done. She enjoined the staff to be on the same page with her as it relates to the discharge of their official duties. On her part, she promised to make the office environment conducive for honest work.

Mrs. Olima-William, prior to her appointment as a State Coordinator, had been a staff of the Test Development Department for over a decade before her redeployment to her new station.

During the event, a cross section of the staff of the office assured the Coordinator of their readiness to accord their new boss, all necessary support. Mr. Kunle Atitebi, one of the respondents said, "If it is about delivering on target, then, a round peg has been placed in a round hole as I have utmost confidence in the ability of Mrs. Olima-William to deliver on any assignment."

The occasion was also used to bid the outgoing State Coordinator, Mr. Joseph Ogaribhor, farewell. They

## BABATUNDE MEETS UNIT HEADS ON ROADMAP TO CHECK EXCESSES OF CBT CENTRES

The Osun State Coordinator of the Joint Admissions and Matriculation Board (JAMB) Mr. Babatunde Jacob, has sketched out a robust plan of action for the State Office to adopt in its efforts to checkmate the excesses of some nefarious CBT centres extorting hapless candidates.

The State Coordinator presented the roadmap on Thursday, 30th June, 2022, at Gbongan, in the course of a meeting with key officials of the State Office and Heads of Professional Test Centres (PTC) in the State.

The meeting which was premised on

strategic synergy and networking of the activities of the three offices was called to harness the resources of the Board in the State towards improved service delivery. During the meeting, Mr. Jacob reminded the officials that the Board had preposed so much confidence in them based on their competences, hence, they could not afford to fail. He impressed it on the officials that they were expected to execute their schedules to the letter as and when due adding that to whom much is given, much is expected.

The State Coordinator also pointed out that it is their duty to ensure that all CBT

centres in the State comply with advisories and directives emanating from the Board especially with regard to stipulated service charges. According to him, anyone caught engaging in corrupt acts and other fraudulent activities would be sanctioned in line with extant laws.

He concluded by impressing it on the attendees that the meeting would thereafter be a monthly affair so as to keep them abreast of any development as well as proffer solutions to emergent challenges to the smooth operation of any of the three offices.

## ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
  - the academic year for which the retroactive approval is granted;
  - total number of candidates, and
  - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.
