...Court Convicts CBT Owner

"That on 26th January, 2024 You, Mr. Ezechinoso, male of No. 28 Omonun street, Awada, Onitsha, Anambra State, signed and collected a customised and sensitive registration material from the Anambra State Office of the Board to enable you kick-start and activate the process of UTME registration.

" But instead concealed it with intention to defraud the Board, to enable you acquire a second one to complete your fraudulent activities at the CBT centre.

The FIR continued, "You alleged also that the material you collected was not functioning. You lied and denied that you are not in possession of any for registration during interview:

"It was later strongly revealed that you actually concealed the material thereby committing the above offences," the FIR stated.

According to the prosecuting counsel, Mr. Olisaemeka Okeke, who was holding brief for Mr. Stanley Nafoku, the suspect had pleaded guilty to the charge.

The defendant counsel, Barrister Pere Adge, however, pleaded that the accused was a Nigerian, who might have been prompted by the prevailing circumstances to commit the infractions without intent to cause

damage or harm, and being a first-time offender, she pleaded with the court to temper justice with mercy.

The presiding judge, Hon. Aliyu Ibrahim Kagarko, however, found the suspect guilty and ordered that he should be remanded at Nasarawa correctional centre till Thursday, 8th February, 2024, when judgement would be delivered.

However, the case could not be heard on the scheduled date on account of unforeseen circumstances and was postponed to the following day, Friday, 9th February, 2024.

The following day, the presiding judge found Mr. Ezechinoso guilty on all four counts citing the criminal breach of trust, which attracted nine-month imprisonment or 30 thousand naira fine and attempt to commit the offence of cheating, which attracts a six-month imprisonment or a fine of twenty thousand naira.

Ezechinoso was also found guilty of intent to conceal, which attracted three-month imprisonment term or the payment of a fine of ten thousand naira while the fourth count charge, which was theft, attracted eight months or an option of thirty thousand naira fine.

In its reaction, the Joint Admissions and Matriculation Board (JAMB) welcomed the judgement and

warned would-be infractors to desist from their nefarious agenda or face the full wrath of the law. The Board also warned of the array of technological devices at its disposal and which had enabled real-time detection of infractions. It, therefore, warned that it would not hesitate to wield the big stick on any person or groups, no matter how highly-placed, who might wish to undermine the Board.

The Board reassured the public that it would not leave any stone unturned to protect its systems and clients against any forms of violation.

In another development, the Board has restated its zero tolerance for infractions of the nation's statutes. It stressed that, as a regulatory agency, it does not condone any form of unwholesome practice capable of bringing its hard-earned integrity to disrepute.

Consequently, it vowed to follow up the prosecution of the case of the reported violation of the data protection right of a 15-year-old candidate by an agent of a CBT Centre currently before a Lagos Court and assured the parents of the 15 year old girl and other concerned Nigerians involved that justice would be served accordingly.

FREE FORMS FOR PWD: JAMB TACKLES IMPERSONATORS, AMEND VERIFICATION PROCESS

Following the abuse that characterised the free UTME application forms for People With Disabilities (PWD) by impersonators, who pretended to be disabled, the Joint Admissions and Matriculation Board (JAMB) has amended its verification process to enable only genuine candidates with disabilities to enjoy the facility. The Registrar, Prof. Is-haq Oloyede, dropped this hint when he received a delegation from the National Commission for Persons with Disabilities (NCPWD) on Wednesday, 6th February, 2024, in his office.

He pointed out that the measure was taken to tackle impersonators

with a view to allowing only genuine candidates with disabilities, who possess five O'level credit passes to enjoy the free application documents.

As part of the new verification process, prospective candidates with disabilities would have to pay the recommended fee at the point of registration while the JAMB-Equal Opportunity Group (JEOG) would refund the registration fee at a later date.

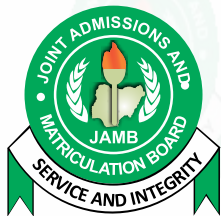

According to him, membership of JEOG has been expanded to include representatives of NCPWD to join in the verification process.

He said " We have amended the process in such a way as to enable us

to easily verify the genuine beneficiaries, the candidate would pay at the point of registration and the refund would be effected by JEOG."

He stated that aside from the free application forms, candidates also stand to benefit from admission into any programme of their choice if they meet the minimum requirements.

Prof. Oloyede reiterated the commitment of JAMB to welcome initiatives aimed at improving inclusive education, which he noted as one of the key ingredients for stabilising the society.

Lawal reminded the centres of the Board's operational guidelines, stating that, by their rules of engagement, infractions such as extortion, molestation, warehousing of candidates and other vices, are

prohibited.

At the Anglican Diocese CBT centre, Lawal urged the centre to be thorough on the process of e-PIN vending by ensuring that each candidate creates a JAMB profile account and generate a code before commencing with the registration.

NNAD SOLICITS JAMB SUPPORT FOR 2ND NATIONAL SUMMIT

The Nigeria National Association of the Deaf (NNAD) has solicited a more robust partnership with the Joint Admissions and Matriculation Board (JAMB) in its bid to host its 2nd National Summit of Deaf Education in Nigeria, which theme is: "Empowering the Deaf: Advancing Quality Education through Nigerian Sign Language."

...How JAMB Brought Succor to Our Members - NCPWD

Executive Chairman, NCPWD, Dr. James David Lalu

of the Disabled. He also hinted at the institution of a Disability Certificate to curb impersonation and generate database for people living with disabilities in the country. The NCPWD boss stated this when he paid a courtesy visit to the Registrar, Prof. Is-haq Oloyede, in his office on Tuesday, 6th February, 2024. He pointed out that the Commission was already in the process of making budgetary provision for their members following complaints received from parents of their inability to afford the cumulative registration fees for the Board's UTME, the National Examinations Council (NECO), West Africa School Certificate (WAEC), when he received the pleasant surprise from JAMB declaring free application forms for candidates with disabilities, who had five O'level credit passes.

On the proposed disability certificate, Dr. Lalu stressed the need for a database and an identity card for the disabled community which can be processed online, stating that the Commission would be partnering with NIPOST to ensure the delivery of the certificates to the

remotest community in the country. According to him, the greatest challenges facing the Commission was the problem of impersonation. He cited the ongoing partnership with the National Social Investment Programme under the auspices of the Ministry of Humanitarian Affairs to gather data of the beneficiaries of its different programmes when it discovered that those who are not disabled had smuggled themselves into the intervention programme, thereby denying PWDs their just dues.

Another instance was the 50 percent rebate given to the disabled community by the Nigeria Railways Corporation (NRC), which was, however, suspended because of impersonators, who had abused the privilege by pretending to be blind to enjoy the reduction in prices of tickets.

Dr. Lalu used the opportunity afforded by the visit to brief the Registrar on the Commission's intended collaboration with JAMB on data collection on candidates with disabilities for institutional usage. Furthermore, he intimated the Registrar of the various signatories to global treaties on the Disabled and the upcoming first-ever proposed African Union Summit on the Disabled and implored the Registrar to come and share the Board's experiences and paving the way for possible collaboration with other African countries.

The NCPWD Chairman also spoke about the ongoing partnership with the Federal University, Lafia, and Nasarawa State University on curriculum development leading to degrees in Sign Language and Assistive Technology for the Disabled noting that Special Education as a discipline was no longer adequate as there is now a need to teach teachers, the Disabled and the society as a whole on the need to take up the challenges of leadership, industry, and building designs that are disability-compliant.

Dr. Lalu commended the Registrar for his passion for Special Education and for making it possible for candidates with disabilities to venture into other disciplines.

In his remarks, the Registrar expressed support for the disability certificate initiative and canvassed that adequate mechanism be put in place to ensure seamless registration.

He urged the Commission to book an appointment with the Executive Secretary, Committee of Vice Chancellors, to secure a platform to demonstrate its various initiatives aimed at repositioning the disability community for great glories.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institution as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting among others.

This month, the career in focus is Audiology.

Audiology is the scientific study of hearing, encompassing the assessment, diagnosis, and treatment of disorders related to the auditory and vestibular systems. It is a branch of healthcare science, which identifies and assesses hearing and balance disorders.

Audiologists and professionals in this field, specialise in identifying and managing various hearing impairments, communication disorders, and balance issues. They employ advanced technologies and conduct comprehensive evaluations to determine the extent and nature of a patient's auditory challenges.

The inception of Audiology as an academic discipline in Nigeria traces its roots back to its establishment as a branch of Special Education at the University of Ibadan and the University of Calabar. In the third year of undergraduate studies (300 Level), students are granted the

opportunity to specialise in Audiology and Speech Pathology, marking it as a rehabilitative science where merit is a crucial consideration.

At present, the University of Medical Sciences in Ondo stands out as the pioneering institution offering Audiology as an independent and singular course of study. Notably, the Federal University of Health Sciences in Ila-Orangun, has also incorporated Audiology into its initial line-up of courses, reflecting the growing recognition and importance of this field within the academic landscape.

Career prospects in Audiology are promising, as they are driven by an increasing awareness of hearing health and advancements in technology. Audiologists can find employment in diverse settings, including hospitals, private practices, schools, and research institutions. With an increasing aging population and the prevalence of hearing-related issues, the demand for audiologists is on the rise. Moreover, audiologists play a crucial role in rehabilitation, providing interventions such as hearing aids, cochlear implants, and therapeutic strategies to enhance communication skills. The profession is far from being not saturated in Nigeria.

Audiology offers a fulfilling career path for those passionate about improving the lives of individuals with hearing impairments. As society

recognises the importance of hearing health, the role of audiologists becomes increasingly significant, making it an intellectually rewarding and socially-impactful profession with promising long-term career prospects.

...Implication for Institutions Which Have Failed to Verify Their A'Level Certificates for DE Admission

It is to be noted that candidates applying for Direct Entry admission are expected to select from a list of qualifications the particular qualifying certificates they would be using to seek such admission. To prevent institutions from holding to ransom the Board's admission process, such qualifications from these institutions that refuse to assist the Board in verifying results they had issued, ab initio, would be removed from the list of listed

qualifications/institutions to be accepted for DE admission. Consequently, holders of such delisted qualifications would not be able to use them to apply for DE admission.

As a policy instituted to check fraud associated with A'Level certificates, the Board through NIPEDS, had been seeking the verification of A'level results from the issuing institutions before such holders of the results are considered for DE admission.

Regrettably, some institutions have refused to respond to repeated requests by the Board to confirm the authenticity or otherwise of results issued by them.

As a consequence, candidates, who are holders of A'level certificates of the following institutions need not obtain the DE e-PINs which would soon go on sale as it will be an exercise in futility given that their registration would not be valid:

SPECIAL ANNOUNCEMENT ON 2023 DIRECT ENTRY (DE) REGISTRATION **(URGENT CALL TO INSTITUTIONS YET TO VERIFY THEIR DIRECT ENTRY** **QUALIFICATIONS REQUEST BY JAMB)**

This is an important announcement to Institutions that are yet to verify the 2023 DE qualifications from their Institutions.

As you are aware, the Board had introduced measures to help address the discovered unenvisioned tricks and sharp practices by candidates who intended to use unacceptable or forged A' level certificates/qualifications to gain admission. One of the measures was the verification of the claimed qualifications with the awarding bodies/institutions.

Institutions awarding A' Level Qualifications, Degrees and Diplomas had been requested, through the Central Admissions Processing System (CAPS), to verify the authenticity of the Qualifications and Results presented by candidates to the Board for Admission.

Despite the letters and follow-ups made by the Board to institutions to verify the claimed certificates, 2,795 are yet to be verified from 155 institutions, as some have partially or totally not responded. The statistics of the non-responsive institutions are as follows:-

THE REGISTRAR OF JAMB, PROF. IS-HAQ OLOYEDE MONITORING THE 2024 UTME REGISTRATION EXERCISE IN LAGOS DURING THE WEEKEND

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

- 🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).
- 🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advertise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
- 🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.
- 🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

- 🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.
- 🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
