NISCN NOMINATES JAMB REGISTRAR AS PATRON

... Says he is a Role Model

The National Industrial Safety Council of Nigeria (NISCN) has nominated the Registrar of the Joint Admissions and Matriculation Board (JAMB) as its patron.

The Registrar's nomination letter was presented to him when the leadership of NISCN paid him a visit at the JAMB National Headquarters, Bwari, Abuja, on 3rd February 2022.

NISCN said the body unanimously nominated Prof. Oloyede because of his superlative performance while he held sway as the Vice-Chancellor University of Ilorin, his pedigree as a refined academic and administrator coupled with the uncommon transformations since he assumed office in JAMB.

The NISCN President, Dr Festus Daniel, said the Council was established to promote an organised method of occupational safety and health in all workplaces as well as advocate healthy relationships among agencies through effective networking and collaboration.

JAMB STAFF PRAY FOR GOD'S PROTECTION AS THEY USHER IN THE NEW MONTH

Members of staff of the Joint Admissions and Matriculation Board (JAMB) gathered in their respective places of worship earlier in the week to usher in the new month and to invoke the Lord's guidance and protection on both the Management and Staff of the Board.

The Christian Faithful had gathered at the Board's Auditorium for prayers with the theme: Usher God in First. Taking a cue from this, the presiding minister, Samuel Ovie, encouraged staff to always seek the face of God in every aspect of their lives, as God is the "Author and Finisher of Our Faith."

To buttress his point, Mr Ovie made reference to Psalm 24 which reads in part: "The earth is the Lord's and everything in it, the world, and all who live in it; for he founded it upon the seas and established it upon the waters. Who may ascend the hill of the Lord? Who may stand in His holy place? He who has clean hand and a pure heart, who does not lift his soul to an idol or swear by what is false."

In the same vein, he also cited Rev. 3: 20 which reads: "Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in and dine with him, and he with Me." The preacher explained that as Our Father, the Lord is always waiting patiently for us to open our hearts to let Him in so He can bless, heal, guide and favour us in all that we do. He informed the gathering that if they go to God in prayer, seeking His face, God would hear their prayers and answer them.

Taking the concluding prayer from Matt.11:28 and Isaiah 18, he stressed the need for all to go to God in prayer at all times as He would give all rest from all

types of trials and afflictions.

Prayers were offered for the well-being of the Management and staff of the Board as well as the entire country. Prayers were said to invoke God's healing hands over the world to bring an end to the COVID-19 pandemic and for peace and security in the country especially with respect to the insecurity bedeviling the country.

On the other hand, the Chief Imam of the Board, Mallam Miphtau, talked about the importance of Taqwa in Islam. He said Taqwa in the Holy Quran and Sunnah is

defined as the concept of protecting oneself from Hellfire by following the dictates of Allah Almighty, by doing what He (SWT) has commanded and by avoiding what He (SWT) has forbidden at all times. According to him, many Ayahs in the Quran point to this: "And unto Allah belong all that is in the Heavens and all that is on Earth. And, verily, We have recommended to the people of the Scripture before you, and to you (O Muslims) that you (all) fear Allah and keep your duty to Him, But if you disbelieve, then unto Allah belongs all that is in the heavens and all that is in the earth, and Allah is Ever Rich, Worthy of all praise." (Quran, 4:131).

He admonished the Ummah to fear Allah who is the Creator of this world and the Most Merciful to all His creation. He added that obeying the great Lord is not confined to only performing religious acts, but being moral in every aspect of life, as observed in the following verse of the Holy Quran: "O, you who believe! When you hold secret counsel, do it not for sin and wrongdoing, and disobedience towards the Messenger (Muhammad SAW) but do it for Al-Birr (righteousness) and Taqwa (virtues and piety), and fear Allah unto Whom you shall be gathered." (Quran, 58:9).

He advised the Ummah to respect the rules and regulations that have been emplaced for the development of the Board and the nation at large.

JAMB LOSES DEPUTY DIRECTOR, LAFIA ZONAL OFFICE

The Board has lost one of its own. Mrs Rifkatu Mbikah Dauda, Deputy Director, State Matters, Lafia Zonal Office, Nasarawa State.

Mrs Dauda joined the services of the Board on 12th August 1991, and rose through the ranks, serving diligently in various Departments and capacities till her untimely death.

Institute of Management (NIM). NIM, in a condolence letter signed by its Ag. Registrar, Mr Jude Iheanacho, described her as a passionate member of the Institute who gave her best to further the interests of the body.

The phone (mobile) number used for the text message is automatically tied to the Candidate's name and will be used in all communication relating to each candidate's 2022 Application, Examination and Admission. CANDIDATES SHOULD NOTE AND ALWAYS REMEMBER THE SIM-NUMBER USED. IT IS OF UTMOST IMPORTANCE FOR SUBSEQUENT COMMUNICATION WITH THE BOARD

BY OBTAINING UTME/DE APPLICATION DOCUMENTS, A CANDIDATE HAS ACCEPTED TO RECEIVE TEXT MESSAGES FROM JAMB (55019 or 66019) EVEN WHEN THE 'DO NOT DISTURB' (DND) IS ACTIVATED

Candidate will present the profile code at the point of procurement of application document (from Banks, MfMOs, MFBS, Switches, USSD Partners). An ePIN is then sent as text message to the candidate's phone

Candidate will present the Profile code and ePIN at any JAMB accredited CBT Centre for registration

The application cannot be completed until the candidate's biometrics (all ten fingers) are captured and photograph taken physically (No submission of passport photograph). Successful capture of biometrics and photograph will authorise a candidate to print his/her e-registration slip. The fingerprint shall be required for any further transaction with JAMB on the candidate's profile.

Only candidates whose biometric verification is successful on examination day would be permitted to sit the UTME. No parent or any proxy is allowed to make any transaction on the candidate's profile.

Candidates with biometric challenges can only register at JAMB headquarters in Abuja. Arrangements should be made for this through JAMB-state offices.

B. RETRIEVAL (IN CASE OF MISTAKE/LOSS) OF PROFILE CODE AND SELF-SERVICE

i. To retrieve a lost Profile Code, send the word [RESEND] from the same mobile number to 55019 or 66019 as a text message.

C. TICKETING (FREE COMPLAINTS)

For ALL complaints on JAMB processes, a candidate should create a support ticket at (<https://www.jamb.gov.ng>) by selecting the quick link, and then Ticket/Support with his/her email address with the Board. Candidate then provides his/her name, phone number and the nature of the complaint, selects a complaint area on a drop-down and then summarises the nature of the complaint. He/she should also attach supporting documents (if available). Complaints from 3rd parties are merely noted. Letter-writing is not necessary. Rather all complaints should be channelled through the ticketing system for prompt attention and documentation.

For complaints relating to NIN (e.g., a candidate sends a message to 55019 or 66019 to create a profile but does not receive any response or receives a wrong data, he/she can follow the same process on the ticketing and click on 2022 NIN related issues then select the relation topic on the drop-down.)

NOTE THAT CANDIDATES' PASSWORD SHOULD NOT BE RELEASED TO ANYONE. JAMB CAN ONLY HELP ON PROFILE-PASSWORD, NOT E-MAIL-BOX-PASSWORD. CANDIDATES CAN ALSO CHECK THEIR ADMISSION STATUS ON JAMB PORTAL, ON CAPS MOBILE APP ON THEIR PHONE. CANDIDATES SHOULD NOT CHECK AT ANY CYBERCAFÉ THAT WOULD DEMAND FOR THEIR PASSWORD WHICH COULD THEN BE USED TO STEAL OR MANIPULATE THEIR RECORDS. 'TO BE FOREWARNED IS TO BE FOREARMED'

Candidates and the general public are to note that nobody can help with admission or upgrade of scores; they will only deceive and defraud those who patronise fraudsters.

JOINT ADMISSIONS AND MATRICULATION BOARD

NATIONAL HEADQUARTERS, BWARI, ABUJA

ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the-table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
 - the academic year for which the retroactive approval is granted;
 - total number of candidates, and
 - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.
