The existing partnership between the Joint Admissions and Matriculation Board and Project C.U.R.E, medical equipment donor agency, has been described as a much-needed boon to the health sector in the country. This is against the backdrop of the donation of world-class medical equipment to selected health facilities in the country by Project C.U.R.E through a process midwifed by the Board.

The formal presentation of the first containers of donated medical equipment to arrive the

## JAMB ORGANISES INDUCTION/ ORIENTATION TRAINING FOR NEW STAFF

In its bid to apprise its new members of staff with requisite skills necessary for exemplary and seamless service delivery, the Joint Admissions and Matriculation Board (JAMB) has organised an induction and orientation training for its new employees who joined its services the previous year.

The exercise which is scheduled for Thursday, 23rd June, 2022, is to properly integrate the new staff and keep them fully abreast of the operations and procedures of the Board in order to enable them to attune to the critical work environment of the Board.

It would be recalled that the Board, as part of its efforts to deliver on its critical mandate of regulating the conduct of admission exercise, among others, had secured necessary approvals to expand its workforce. It is, therefore, in its determination to fully deliver on its goals and objectives that it arranged these series of well thought-out training programmes to bring its new hands up to speed on the Board's policies, programmes and procedures in line with their schedules of duty.

In essence, the training would afford the staff the opportunity to hear firsthand,

# ABIA STATE COORDINATOR MEETS WITH CBT CENTRE OWNERS

**T**he Coordinator, Abia State Office, Mr. Johnson Adebiyi, has held a meeting with CBT Centre Owners in Abia State.

In his address, the Coordinator said the meeting was organised to meet minds with the Centre Owners in the State as well as discuss the Board's operational codes to ensure flawless service delivery in the State.

He stressed that the Board had invested a lot in becoming a global brand, hence, its services must be discharged in a professional manner in line with global best practice.

Adebiyi noted that as a responsive

organisation, the Management acceded to their demands by approving and extending some services that were hitherto restricted to JAMB Offices to its approved CBT centres.

He, therefore, admonished them to reciprocate the Board's kind gesture by ensuring full compliance with its operational guidelines and procedures and shun any act capable of undermining the integrity of the Board. He disclosed that the Board would not hesitate to impose appropriate sanctions on any centre found culpable of bringing the image of the Board to disrepute.

In the same vein, he advised Centre

Owners to carry out effective supervision of their staff, to forestall extortion of candidates and any other acts capable of bringing their names into opprobrium.

He expressed his determination to hold meetings with the Centre Owners on a quarterly basis to enable the State Office to address issues of mutual concern as well as furnish them with guidelines and directives emanating from the Board's National Headquarters, Abuja.

The Centre Owners, in their response, welcomed the Coordinator to Abia State and expressed their readiness to work with him in his bid to realise all the cardinal objectives of the Board.

## FEW FACTS ABOUT JAMB

- ✿ The Joint Admissions and Matriculation Board (JAMB) was established for the general control of the conduct of matriculation examinations for admissions into all universities, polytechnics, monotechnics, colleges of education and ( recently added) Innovation Enterprise Institutes (IEIs).
- ✿ Section 5 (2) of the ACT establishing the Board provided as stated: For the avoidance of doubt, the Board shall be responsible for determining matriculation requirements and conducting examinations leading to undergraduate admissions and also for admissions to National Diploma and the Nigerian Certificate in Education courses, but shall not be responsible for examinations or any other selective process for postgraduate courses and any other courses offered by the tertiary institutions. In the implementation of this section, there is always a synergy with the National Universities Commission (NUC), the National Board for Technical Education (NBTE) and the National Commission for Colleges of Education (NCCE) with the endorsement of the National Council on Education (NCE).
- ✿ In exercising this power, the Board is always guided by admission guidelines approved by the Policy Meeting under the Chairmanship of the Hon. Minister of Education with all Heads of Tertiary Institutions and other stakeholders in attendance.
- ✿ Since the inception of the Interim Joint Matriculation Board Examination (IJMBE), JAMB appoints moderators for all its questions as well as the grading of candidates scores. It has always done this without failing to still accommodate 'HSC' within the current 6-3-3-4 system. The National Council on Education (NCE) guidelines for the Joint Universities Preliminary Examinations Board (JUPEB) also endorsed the practice for JUPEB.
- ✿ The Joint Admissions and Matriculation Board shall continue to operate within its laws.

## CODE OF CONDUCT BUREAU SENSITIZES JAMB STAFF

The Code of Conduct Bureau (CCB), Ekiti State, on 10th June, 2022, in Ado-Ekiti, conducted a sensitisation workshop for the staff of the Ekiti State Office of the Joint Admissions and Matriculation Board (JAMB) on the code of conduct expected of public officers.

The JAMB Schedule Officer at the CCB State Office, Ado-Ekiti, Mr. Stephen Afolami, informed the participants that it is mandatory for all public officers to, honestly and periodically, declare their assets. He added that such a declaration

would serve to protect them rather than haunt them in the future as it is erroneously believed. He also warned staff on the consequences of making false claims or failure to declare assets as the case may be.

In his presentation, Mr. Afolami itemised some cardinal codes of conduct for public officers. He particularly stated that public officers are not expected to engage in any business other than farming, they must declare their assets every four years, must not take double emoluments, avoid conflict of interests, they must not abuse

their status as public officers, must not over declare or under declare and should not declare assets in anticipation, among others.

In his closing remarks at the end of the lecture, the JAMB State Coordinator, Mr. Hakeem AbdulHameed, expressed appreciation to the Bureau for sensitising his staff, especially the newly-employed ones, on the importance of assets declaration as well as the efforts made by the resource person to simplify the entire concept of assets declaration.

## ADVISORY TO INSTITUTIONS ON HOW TO HANDLE THE CONDONEMENT OF UNDISCLOSED ILLEGAL INSTITUTIONAL ADMISSIONS (CUIIA) (ADMISSIONS CONDUCTED OUTSIDE CAPS 2017-2020)

The Board introduced the **Central Admissions Processing System (CAPS)** in 2017 as the transparent platform for all admissions. Regrettably, some of the institutions continued to admit some, indeed large number of candidates (undisclosed to JAMB), thereby jeopardizing the interest of such candidates admitted through under-the table deals.

Recent events made the candidates protest the disadvantages of such non-disclosure and lack of formal recognition of their degrees. Such Institutions are now being compelled by necessity to confess their past deeds of undisclosed admission.

This Advisory is to guide the affected institutions on how the candidates can be rescued:

- i. The institutions should first and foremost declare the number of candidates admitted outside CAPS by sending a formal letter of confession and disclosure (LCD) to the Registrar of JAMB.
- ii. The letter of confession and disclosure should have the list of candidates attached. A copy of the letter and the list of candidates should be sent to JAMB state office where the institution is located. The list and total number of affected candidates for each year of admission should be clearly specified with the Programme (i.e Course of Study).
- iii. If the Board upon receiving the letter (and after due scrutiny and investigations) grants approval, the institution shall be contacted within 2 weeks of acknowledged receipt of the LCD.
- iv. The portal is then opened for the Institution to upload the list of candidates already submitted.
- v. The letter of approval from JAMB to the institution and the uploaded list shall contain the following:
  - the academic year for which the retroactive approval is granted;
  - total number of candidates, and
  - the period of grace (**not exceeding 60 days**) within which the affected candidates must complete the process of **Condonement of Undisclosed Illegal Institutional Admission (CUIIA)**. Only the candidates declared by the institutions are to visit JAMB office and complete the appropriate form online after paying the prescribed fee (i.e) the application fee of N4,000 only is paid by those without JAMB Registration number for the year and N5,000 penalty paid by every candidate involved.
- vi. The records of the candidates shall then be made available on CAPS after they have completed the online process.
- vii. The Admission Officer of the Institution shall retroactively propose formally the candidates to the Head of Institution who in turn shall recommend the candidates within the specified time.
- viii. The JAMB Desk officer too, shall retroactively approve the candidates on CAPS within the original list submitted by the institution. After approval, the previously illegal students will be able to print their JAMB admission letters from e-facility on JAMB Portal.
- ix. It should be noted that the admission letter would henceforth carry the date of the retroactive approval and not backdated to protect the Board's integrity of the data it might have provided before the condonement. The admission letter would also be named "**Retroactive Letter of Admission**" to reflect the correct history of the admission.
- x. Please **NOTE** that only candidates on the list declared by the institutions shall be attended to at the JAMB office. The Board shall not extend the period of grace granted to each institution. Any candidate that does not complete the process within the allotted (maximum two months) grace - period loses the remedial opportunity.
