2024 UTME IS THE BEST EVER - JAMB

...1,294,643 Candidates Sat the Examination in Three Days

The 2024 Unified Tertiary Matriculation Examination (UTME), which started on Friday, 19th April, 2024, would go down in history as the best examination the Board has

conducted in the last four decades.

This assertion is on account of the smooth commencement of the exercise despite the series of landmark innovations introduced in the conduct of the examination, which to all intents and purposes, would be expected to generate some challenges.

The examination, which has been used to test some groundbreaking innovations, proved that these were the right thing to do as the Board was able to nip many unwholesome acts in the bud.

JAMB REFUNDS 2024 UTME REGISTRATION FEES TO PWDs

In line with its promise of making its UTME 2024 application documents free for Persons With Disabilities (PWDs), the Joint Admissions and Matriculation Board (JAMB) has refunded money paid by this category of candidates.

It would be recalled that the Board had made some slight modifications to the

free UTME forms for PWDs to prevent undeserving persons from hijacking the programme, hence its mandate to its JAMB-Equal Opportunity Group (JEOG) to conduct due diligence for deserving beneficiaries.

Consequently, JEOG had made available a list of beneficiaries to all

...JAMB Tells CBT Owners

The Joint Admissions and Matriculation Board (JAMB) has reminded Computer-Based Tests centres owners that the nation's Data Protection Law is sacrosanct and urged them not to run foul of the law.

The Registrar, Prof. Is-haq Oloyede, when speaking during a virtual meeting with CBT owners hosted from the Board's

National Headquarters, Bwari, recalled a particular incident during the 2024 UTME, when a man not employed by a CBT centre acted in contravention of the Act during the just-concluded 2024 UTME registration exercise. He disclosed that the incident was the subject of an ongoing litigation. He, therefore, urged

DESIST FROM GIVING YOUR REGISTRATION DETAILS TO TOUTS - JAMB

The Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has warned candidates against giving their registration details to third-parties, including their parents, for the purpose of currying favours, adding that by so doing they would be exposing themselves to all manners of exploitation that could lead

to their disqualification by the Board.

According to the Registrar, registration details are pieces of private information, which should not be readily available to anyone. He, therefore, warned that any candidate whose data is found in the possession of any fraudster or any other person other than the candidate, would

...JAMB Refunds 2024 UTME Registration Fees to PWDS

Biometric Verification Registration Officials (BVROs) to refund application fees already paid by these candidates when they show up for the examination.

This policy was one of the recommendations made by stakeholders during the "2023 Two-day National Conference on Equal Opportunity of Access to Higher

Education in Nigeria" organised by the Board.

The stakeholders had unanimously agreed that candidates with five credit passes in their O'levels, should enjoy this facility as a means of broadening access to tertiary institutions as well as removing all forms of inhibitions that could

mitigate their career prospects.

The former Executive Secretary of National Universities Commission (NUC), Professor Emeritus Peter Okebukola, is the Chairman of JEOP while the former Vice Chancellor of Bayero University, Prof. Yahuza Bello, is the Deputy Chairman.

BONIFACE TUKURA TAKES OVER AT LAFIA ZONAL OFFICE

A charge has gone to the members of staff of the Lafia Zonal Office, Joint Admissions and Matriculation Board (JAMB), to be committed to their duties.

This was contained in the address of the newly-appointed Ag. Director, Lafia Zonal Office, Mr. Boniface Ali Tukura, during the inaugural interactive session with the staff and management of the Zonal Office held on Monday, 15th April, 2024, at the facility.

According to him, he was not in the midst of strangers as he had worked

with many of the staff at both the Board's Headquarters and the National Headquarters Annexe, Kaduna. He urged them to be their brother's keeper and work as a team for the overall progress of the Board. He also enjoined the staff not to view everything in terms of money but to cherish the experience garnered as one would not know when such would prove useful.

In her remarks, the Deputy Director, Special Duties, Lafia Zonal Office, Mrs. Karen Nguren Gar, while introducing the staff of the office to the new Ag. Director, urged them to

support the new helmsman in much the same way as they had supported the outgoing Ag. Director, Mr. Chidebe Adindu Achunine, who had been redeployed to the JAMB Headquarters Annex, Owerri, Imo State.

In her closing remarks, Mrs. Karen commended the staff for their hard work and urged them to be diligent at their duty posts while giving their best to the Board.

centres to desist from obtaining personal details from any candidate, either as a favour or otherwise.

He said, "Any candidate who supplies his/her details to anyone including his/her parents to solicit undue favours would be penalised." He also advised centre owners to desist from allowing people with questionable integrity to have access to their registration points as only registered authorised personnel should have access to their registration facilities.

According to him, corrupt and careless hands should be weeded out from the system and urged centre owners to do due diligence on persons employed to work with them. He pointed out that anything contrary to this would compromise the system and allow bad eggs to

undermine the system.

He said, "JAMB would not entertain any act of negligence from any centre or its staff during the registration exercise. He added that if it is discovered that a candidate's data was mixed up during the course of registration, such erring centre staff and the centre would be fined N5000 respectively while other appropriate disciplinary actions would also be taken against the centre and the staff."

In the same vein, the Board's announced that from the 2025 UTME registration, the Board would no longer be issuing registration slips to candidates via their email as it has been noticed that many centres have abused this option by failing to issue registration slips to candidates as and when due and were instead

using it to extort them.

Prof. Oloyede said, "JAMB will no longer give registration slips to the candidates via email. We were doing that to allow candidates print as many times as possible, but we plan to put a stop to that going forward. Consequently, candidates would only get a copy which the centre would issue to candidates upon completion of their registration."

While speaking, the Coordinator, Committee of External Examiners, Prof. Muhktar Kurawa, pledged the support of the CEEs to the Board and prayed for the success of the upcoming 2024 UTME.

No fewer than 526 centre owners participated in the meeting.

Registrar of JAMB, Prof. Ishaq Oloyede, set up the JAMB Equal Opportunity Group in 2017 for effective handling of blind candidates and others with special needs.

Prof. Okebukola said, "This year and for the first time, JAMB, through JEOG, will implement the bimodal system of UTME administration.

"This involves Fully-Braille and Fully Read-Aloud. Candidates have a choice of mode. JEOG has been resourced by JAMB to make the experience of the two modes of test administration pleasant for the candidates.

"With a total of 577 blind candidates, the 2024 UTME presents the highest number. We had 348 in 2022, and 313 in 2023. The 2024 increase is largely due to increased advocacy by JEOG, a process which will be bolstered in the coming years." he said.

EXAMINOTRICKS

PUNCH, MONDAY, APRIL 15, 2024: [19 MAPOLY Students Suspended for Examination Malpractices](#): – No fewer than 19 students of the Moshood Abiola Polytechnic, Ojere, Abeokuta, Ogun State, have been suspended for examination malpractices while two other students were given warning letters to desist from such illegality.

Four of the suspended students will be on suspension for two semesters, while the remaining 15 were suspended for four semesters.

This was according to a statement by the Public Relations Officer of the institution, Mr Yemi Ajibola.

Mr. Ajibola had attributed the disciplinary measures to the decision of the Examination Misconduct Panel. He said, that the report showed a drastic reduction in the number of students' involvement in examination malpractices when compared with the previous reports on the same issue.

RE: LAGOS CENTRE STOPS HIJAB-WEARING CANDIDATES AS UTME COMMENCES

The attention of the Board was drawn to an unfortunate incident at the Bafuto Institute, Ile-Iwe Bus Stop, Ejigbo, Lagos, where it was reported by Muslim News of Sunday, 21st April, 2024, and other platforms, that a candidate donning hijab was asked to remove her headcover during the accreditation process before being allowed into the examination hall.

The Board deeply regretted the incident and, on investigation discovered, that this particular incident or others in the past, is not linked to any of its examination guidelines but rather a product of the

misplaced priority of some of the Board's accredited partners or officials who claimed ignorance of the Board's guidelines on accreditation, which ensures that all candidates are screened allowing only female officials to screen female candidates before allowing them to gain entrance into the hall.

This situation was instantly addressed by a senior official of the Board at the centre and the candidate in question allowed in after the usual checks with her hijab. However, since ignorance of the law is not an excuse, the officials have been appropriately sanctioned to

serve as a deterrent to others, who might wish to toe the same line going forward.

Its worthy of note that the Board, as a national institution, has no policy barring candidates from sporting the religious paraphernalia peculiar to their religious persuasions as these are the facts of everyday life in Nigeria, which everyone should have been familiar with by now.

Furthermore, the Board assures the general public that this issue would be properly investigated, as it had done in past incidents, to prevent a recurrence and nothing would be swept under the carpet.

13 SMART LENSES

14 SMART RINGS/ JEWELLERY

15 OTHER SIMILAR DEVICES

The prohibition of these items is aimed at safeguarding the integrity of the UTME and preventing examination malpractice.

Over the years, these items have been noted to facilitate cheating among candidates and their collaborators. By banning them, JAMB intends to uphold the sanctity of its examinations and ensure fairness for all candidates.

The Board has reiterated its commitment to zero tolerance for examination malpractice. Any candidate or official found in possession of any of these prohibited items will face appropriate sanctions, which may include disqualification from the examination or legal action. These measures are intended to serve as a deterrent to potential offenders and maintain the credibility of the UTME results.

The restatement of the ban on prohibited items for the 2024 UTME underscores JAMB's determination to combat examination malpractice and uphold the integrity of its examinations. It is imperative for candidates and officials to adhere strictly to these regulations to ensure a fair and transparent examination process. JAMB's continued vigilance in enforcing these measures is crucial for maintaining the credibility and reliability of the UTME results.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

METALLURGICAL AND MATERIAL ENGINEERING

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institutions as a way of creating career awareness for prospective candidates, most of whom lobby to study such courses as Law, Medicine, Engineering, Accounting, among others. This month, the career in focus is Material and Metallurgical Engineering.

Material and Metallurgical Engineering is a field that focuses on the study, development, processing, and application of materials, particularly metals and alloys. It encompasses various aspects related to understanding the properties, structure, and behaviour of materials, as well as designing and improving their performance for specific applications.

Let's break this further down. Imagine you have a big box of Lego bricks. A Material and Metallurgical Engineer is akin to a Lego master builder, but instead of building toys, he works with real materials such as metals, plastics, and other stuff that make up the world around us. So, let's say you have a bunch of different Lego bricks. Some are big, some are small, and are of different colours. Material engineers study all these materials to understand what they are made of, how they are put together, and how

they can be used to make some really cool stuff.

Now, let's talk about metallurgical engineering. Imagine you have a special set of Lego bricks that are made of metal, such as steel or aluminum. Metallurgical engineers focus on these metal 'Lego bricks'. They figure out how to make them stronger, lighter, and more durable. They also learn how to shape them into different things, like cars, buildings, or even spaceships! So, in simple terms, material and metallurgical engineering is all about understanding different materials and figuring out how to use them to build amazing things that make our world better and more awesome! Some key components of material and metallurgical engineering include materials science, metallurgy, materials characterization, materials processing, materials selection and design, failure analysis and prevention, industry applications and research and development.

The career prospects for material and metallurgical engineers are diverse and promising, with opportunities available in various industries and sectors. Here are some areas where knowledge in material and metallurgical engineering can be utilized: Aerospace Industry; Automotive Industry; Energy Sector; Electronics and Semiconductor

2024 DE REGISTRATION INSTRUCTION TO ALL REGISTRANTS

All registrants are to note that owing to the non-responsiveness of the following institutions to the 2023 verification requests from the Board, all candidates, who intend to use such certificates for Direct Entry application will, henceforth, have to pre-verify such certificates through the Board's Central

Admission Processing System(CAPS) to complete their registration. This measure is necessary to ensure that the Board will not have to go through the stress of getting concerned institutions to verify certificates issued by them.

For the avoidance of doubt, only candidates intending to use the certificates of the following fifteen

institutions will be subjected to the pre-verification process. Since all others are in good standing with the DE registration process, their candidates would be registered without pre-verification.

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA

This advisory is issued to guide stakeholders on the alignment of data for the 2024 DE registration and verification of candidates' data

1.0 PREAMBLE

The Board has been receiving series of complaints from institutions on candidates with forged or fake A-level certificates. Each institution has the policy of verifying the credentials of admitted candidates to ascertain their authenticity. One of such exercises was carried out by Bayero University, Kano, where the results of 148 admitted students were verified and 142 of them were found to be forged or faked. The Independent Corrupt Practices and other related Offences Commission (ICPC) in conjunction with the Federal Ministry of Education and JAMB subsequently carried out a sting operation at the A-level examination venues across the country. The result of which was extremely embarrassing to the Education sector. The then Chairman of ICPC said that much.

As a result of this, the Board had to, with the approval of the Federal Ministry of Education, act appropriately and establish the Nigeria Integrated Post-Secondary Education Data System (NIPEDS) which has the mandate to verify all A-level certificates used in the DE application before admission is considered.

2024 DE CANDIDATES VERIFICATION FLOW

Find below the flow of candidates' verification by NIPEDS:

Every candidate presents his/her credentials for DE registration at any of the JAMB PRCs/State Offices.

a. Upon receiving the document, it is classified as follows:

- i. For IJMB, JUPEB, NABTEB or Cambridge (post-2018) certificate or awaiting result candidates of IJMB, JUPEB or NABTEB, the candidate data is compared to the databank on NIPEDS for such qualifications. The system checks with the candidate's number as supplied by the respective examination body. The system verifies alignment of name, qualification, subject and grades (where applicable). Once the alignment is confirmed, the candidate continues and completes his/her registration.
- ii. For other qualifications other than "i" above, the credentials of the candidates are transmitted to the respective institution to authenticate/verify the claim.
- iii. If the institution is compliant (credibility of prompt response to verification request in 2023), the candidate is allowed to complete his/her DE registration without waiting for verification of the result from the awarding institution. For the avoidance of doubt, the following 15 institutions are regarded as non-compliant for the on-going 2024 DE registration:

A. Four (4) Universities:

- i. Ahmadu Bello University, Zaria (565 candidates);
- ii. University of Nigeria, Nsukka (125);
- iii. Ekiti State University, Ado-Ekiti (61); and
- iv. Federal University of Technology, Owerri (12).

B. Five (5) Polytechnics/Monotechnics:

- i. Nuhu Bamalli Polytechnic, Zaria (61);
- ii. Akanu Ibiam Federal Polytechnic, Unwana, Afi kpo, Ebonyi State (58);
- iii. College of Health Technology, Calabar (25);
- iv. Best Solution Polytechnic, Akure, Ondo State (24) and;
- v. Federal College of Animal Health and Production Technology, Vom, Plateau State (24);

C. Six (6) Colleges of Education:

- i. Cross River State State College of Education, Akamkpa (91);
- ii. Kashim Ibrahim College of Education, Maiduguri, Borno State (72);
- iii. College of Education, Katsina-Ala, Benue State (47);
- iv. Osun State College of Education, Ila-Orangun, Osun State (27);
- v. Shehu Shagari College of Education, Sokoto (25); and
- vi. College of Education, Waka-Biu, Borno State (20).

2.0 EXPERIENCE/LESSONS FROM 2023 VERIFICATION EXERCISE

The Board had on 23rd February 2023 issued an advisory to guide the registration of candidates seeking admission through Direct Entry (DE) in the 2023/2024 academic session. That was to address the issue of candidates who intended to use forged or fake A-level certificates/qualifications to secure admission.

For effective monitoring, DE registration from 2022/2023 academic session, has been restricted to JAMB-PRCs (offices).

For 2023 registration, of the 44,866 candidates who applied for the DE (or converted from UTME) 1,957 have so far been disclaimed by institutions/examination bodies.

The verification exercise by the Nigeria Post-Secondary Education Data System (NIPEDS) also revealed some discrepancies which could unduly disadvantage students/candidates or provide avenue for their impersonation. The discrepancies are:

S/N	Title	Description	2024 Solution provided by JAMB
i.	Discrepancies in Qualification	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
ii.	Discrepancies in Names	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iii.	Discrepancies in Subjects	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iv.	Discrepancies in Grades	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
v.	Discrepancies in Examination numbers and years of graduation	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024

Consequently, the Board introduced new measures, through the **THIRD-PARTY A-LEVEL DATA ALIGNMENT PLATFORM (TALDAP)**, to align the data supplied by the candidate with the data supplied by the examination bodies before DE registration.

Be guided, please.

...2024 UTME is the Best Ever - JAMB

So far, a total of 1,294,643 candidates had sat the examination between Friday, 19th, Saturday, 20th and Monday, 22nd April, 2024, leaving a balance of 690,999 candidates yet to sit the examination.

It would be recalled that a total of 1,985,642 candidates had expressed

interest to sit the examination by registering for the exercise, which is taking place in over 750 CBT centres nationwide.

It is also expected that the results of the examination would be released in due course after the reports of the various analyses by the teams of

experts are received. It is worthy of note that these mechanisms are put in place to ensure that not even one dishonest candidate is allowed to benefit from his/her unwholesome act.

ANY CENTRE NOT PROPERLY REGISTERED WITH CAC WOULD BE DERECOGNISED - JAMB

The Joint Admissions and Matriculation Board (JAMB) has announced that any centre not properly registered with the Corporate Affairs Commission (CAC) would be derecognised by the Board.

This announcement was made by the Registrar, during a virtual meeting with CBT centre owners held at the Board's National Headquarters, Bwari, Abuja, on Wednesday, 17th April, 2024.

In his remarks, the Registrar, JAMB, Professor Is-haq Oloyede, pointed out that it had been observed that many CBT centres had failed to submit their Certificate of Incorporation as issued by the CAC stating that this document is a legal document affirming the authenticity of their existence as an establishment adding that in most cases the owners submit a name different from their company name as well as different account details to the Board.

He said, "Henceforth, no centre would be registered without complete CAC registration. The account details of the centre and the

name given to the Board should be the same without any discrepancy."

Similarly, the Board's helmsman announced that from the 2025 UTME registration exercise, the Board would no longer be issuing registration slips to candidates via their email address as it has been noticed that most centres are abusing this privilege by failing to issue these registration slips to candidates as and when due but are rather using it to extort them.

In his words, "JAMB will no longer give registration slips to candidates via email. We used to allow candidates to print as many times as possible, but we would not be allowing that going forward. Candidates are to only get the ones that the centre issued to them at the centre upon the completion of their registration."

He warned centre owners to desist from allowing people who had no integrity to have access to their registration points explaining that only registered authorised personnel should have access to these facilities. Furthermore, he advised centres to weed out corrupt and careless hands

while at the same time doing due diligence on persons employed to work with them to ensure that they do not allow bad eggs to seep into their system.

According to him, "Employ only competent hands to work with you. Failure to do so is tantamount to creating chaos in your establishment. JAMB would not entertain any incompetence from any centre or its staff during the registration exercise. If it is discovered that a candidate's data had been mixed up during the course of registration, the erring centre staff and the centre would be fined N5000 and appropriate disciplinary actions would be taken against the centre and the staff."

The Registrar also warned centres to desist from taking the personal details of candidates, either as a favour or otherwise, as this was contrary to extant privacy laws. He said, "Any candidate, who supplies his/her details to anyone including his/her parent to solicit undue favours would be penalised."

ANY CENTRE NOT PROPERLY REGISTERED WITH CAC WOULD BE DERECOGNISED - JAMB

The Registrar, Joint Admissions and Matriculation (Board), Prof. Is-haq Oloyede, has restated his commitment to providing affordable housing for staff as part of his staff welfare agenda to enhance productivity.

This was made known by Prof. Oloyede, while receiving the Managing Director, Federal Housing Authority (FHA), who was on a courtesy visit to the Board's National Headquarters, Bwari. He underscored the importance of providing affordable housing for the staff through legitimate means, stating that such move would reduce corruption and other vices in the public service.

To this end, he recalled that the management of the Board had held

series of high-level meetings with the FHA with a view to exploring the possibility of partnering with the Authority to actualise this dream.

In his response, the MD, FHA, Hon. Oyetunde Ojo, commended the Registrar for his ongoing reforms in JAMB, which he said he had been following with keen interest. He disclosed that he was in JAMB to apprise its management with the recently-launched President Bola Ahmed Tinubu's mass housing initiative as part of his "Renewed Hope Agenda" to ensure the provision of affordable housing for Nigerians.

Speaking further, he recalled that the two organisations had held talks on the practicality of delivering carcasses of building structures as opposed to finished complexes. He

stated that carcasses are not only cheaper, more affordable, faster to complete but also customisable by the beneficiaries. He also recalled his stipulation that the plumbing works and electricals would be done by the FHA, while the facade would be same with other finished structures in any particular location.

He, therefore, urged the Board to be off-takers in all the FHA projects nationwide for the benefit of its outstation staff while urging the Board to tap into the legion of opportunities available through the patronage of its FHA Mortgage Bank, among other areas of collaboration open to JAMB.

The visit was rounded off with the exchange of souvenirs and a group photograph.

RACE FOR BEST 2024 UTME TEAM BEGINS AS JAMB REVIVES AWARD

As part of its measures to reward hard work, diligence, honesty, professionalism and compliance with laid-down rules in the ongoing 2024 UTME, the Joint Admissions and Matriculation Board (JAMB) has revived its award scheme for the best UTME team to be picked from among its examination officials across its over 700 accredited CBT centres nationwide.

The Registrar, Prof. Is-haq Oloyede, disclosed this at a meeting with examination officials preparatory to the conduct of the 2024 UTME.

According to the Registrar, the Board has not only revived the scheme but had made it a more robust and all-encompassing award scheme aimed at rewarding hard work.

It is worthy of recall that the "Best UTME Team" was introduced by the Registrar, Prof. Is-haq Oloyede, during his first tenure as part of measures to enhance efficiency, compliance and thoroughness in the conduct of the annual examination. The winners of the maiden edition were rewarded handsomely with cash rewards and other benefits for doing a good job while spurring others to also put in their best in

subsequent outings.

The 2024 Best UTME Team Award promises to be interesting as factors such as prompt upload and download of test items by Technical Officials would be part of the parameters for consideration.

The Registrar reminded the examination officials that the success of any examination required teamwork. He disclosed that in the 2024 edition of the award, new parameters such as the functionalities of the complementary roles performed by other examination officials such as Biometric Verification Registration Officials through their prompt taking of attendance, vigilance, prevention of any form of intrusion, encroachment and impersonation, among others, would be considered adding that the same applies for other examination officials in their various capacities.

Already the journey to either winning or losing the race had begun as the Board had announced the names of officials and centres that had contravened its directives of prompt taking of attendance during the pre-examination meeting held a day to

the examination.

Consequently, in its Assessment of Attendance for Examination Officials taken on Thursday, 18th April, 2024, whereby the deadline for the upload of attendance of examination officials at their respective centres was pegged between 9:00am and 10:00am (while that of other days of the examination was set from 6:00am to 7:00am), the Board

revealed that 56 centres failed to submit attendance within the stipulated time period.

Interestingly, four centres were remarkable as they had marked their Technical Officers absent. However, the Board observed with dismay, the act of dishonesty displayed by the teams at centres which had declared their Technical Officers present even though the said officials were still enroute to their centres as of the evening of that day.

The Board said the Technical Officers of these two centres would be reported to their sponsoring organisations while the BVR Officers, who are staff of the Board, would face disciplinary actions.

...Desist from Giving Your Registration Details to Touts - JAMB

be dealt with as an accomplice to the crime.

He said, "Candidates are to keep all their details secret as they are not to disclose such to anybody, not even their parents."

The Registrar's statement came on the heels of the heightened preparations for the conduct of the 2024 UTME, which commenced on Friday, 19th April, 2024.

He explained that such data, if exposed to third parties, could compromise their records as well as jeopardise their academic future.

Furthermore, Prof. Oloyede stressed the need for parents and guardians of candidates to steer clear of examination venues pointing out that any candidate seeking to take the Board's examination should be at least 17 years old so as to be mature enough to exercise some independence noting that "The UTME is not a school-based examination and, as such, the Board has no dealings with anyone other than the candidates. Therefore, it is the responsibility of candidates to ensure that their parents keep away

from the examination venue. Any parent or "tout" masquerading as a parent or guardian, who disrupts the Board's examination, would be apprehended by law enforcement agencies and their wards disqualified from sitting the examination."

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
