NATIONAL ACCORD, FRIDAY, MARCH 22, 2024: University Autonomy Comes With Responsibilities-JAMB:

Registrar, Joint Admissions and Matriculation Board (JAMB), Prof. Is-haq Oloyede, has explained that granting full autonomy to universities comes with accountability and responsibility for sustainable development.

Professor Oloyede said this in Nsukka on Thursday, 21st March, 2024 while delivering a lecture titled; "Institutional Autonomy, Accountability and the Quest for Efficient Governance of Nigerian Universities."

The lecture was in honour of Prof. Benjamin Chukwuma Ozumba, the 14th and former Vice Chancellor of UNN, to mark his retirement from the university service and his 70th birthday.

He said that discourse on University autonomy and accountability had become complicated in recent years given that diverse opinions of segments of society had developed different notions of what these would be to universities.

The JAMB boss urged government and the university to enumerate their responsibilities to each other rather than undue emphasis on rights.

PUNCH, FRIDAY, MARCH 22, 2024: WAEC Releases WASSCE-CBT Results: The West African Examinations Council, Nigeria, has released results of the first-ever Computer-Based West African Senior School Certificate Examination for Private Candidates,

2024-First Series.

The Council commenced migration from traditional paper-based examinations to Computer-Based Examinations for its private candidates' examinations.

According to a statement by the Council the novel CB-WASSCE entailed using a hybrid method where all questions were projected on the computer.

It said answers to the multiple-choice questions were supplied on the computer in real-time, and answers to the essay and test of practical questions were supplied in booklets given to the candidates.

The statement revealed that the examination was conducted between Wednesday, January 31 and Saturday, February 17, 2024.

EXAMINOTRICKS

DAILY SUN, WEDNESDAY, MARCH 20, 2024- WAEC Delists Schools in Abia Over Examination Malpractices: The West African Examination Council, WAEC, had delisted a number of secondary schools in Abia State from participating in the regional body's exams over involvement in examination malpractice.

Commissioner for Education Professor Uche Eme Uche, who disclosed this during a press briefing in Umuahia, said the state had just been informed by the examination body about the development.

Although she failed to disclose the affected schools, the commissioner said they were mostly private schools.

The commissioner, who frowned at any act capable of tarnishing the image of the state, said the operational licences of the affected schools would be withdrawn as a deterrent to others.

She explained that the state supported the action by WAEC as it would help halt the bastardization and lowering of academic standards in schools by some dubious operators.

Professor Uche said that the State had previously shut down some of the affected schools due to their unwholesome practices, regretting that instead of heeding the warnings, they continued to cut corners. Also in Vanguard, Tuesday, March 19, 2024

...Autonomy and Accountability Critical for University Growth - Oloyede

provoking lecture held at the University of Nigeria, Nsukka, on Thursday, 21st March, 2024, delved into the complex interplay of university autonomy and accountability saying university autonomy comes with checks and balances for the realisation of teaching, research, community development, character re-moulding and re-engineering.

According to the former Vice Chancellor, University of Ilorin, autonomy as a broad term, denotes the ability of a university to independently manage its daily affairs and curriculum without external interference either from government or other organisations. The occasion, which was a tribute to the illustrious career of Professor Benjamin Chukwuma Ozumba, former Vice Chancellor of the University of Nigeria, Nsukka, served as a platform to scrutinise the evolving dynamics shaping higher education in Nigeria.

Prof. Oloyede underscored how autonomy, which would necessarily encompass financial independence, administrative control, and academic freedom is fundamental to fostering innovation and academic excellence. He stated that autonomy imposed the need to be transparent in their operations. He, however, regretted that independence of universities is often curtailed by lack of requisite funding

and other bottlenecks making autonomy dependent on governmental discretion and legislative frameworks.

Drawing from his extensive experience in academia and administration, the JAMB Registrar, navigated the complexities of governance structures and funding mechanisms that negatively impact institutional autonomy. He also critically examined past governmental proposals and university responses, shedding light on the divergent interpretations and conflicting interests at play.

Furthermore, he emphasized the imperative for universities to, not only strive after autonomy, but also fulfill their societal obligations by contributing to national developmental aspirations.

Prof. Oloyede's lecture, therefore, serves as a clarion call to action on the part of academia to foster a culture of integrity, accountability, and efficient governance within the Nigerian university system to make autonomy a worthwhile venture.

In his valedictory lecture titled: "The Role of Tertiary Institution in Nation Building: My Experience in University of Nigeria" Prof. Benjamin Ozumba said that all nations that were doing well in the world such as the US, UK, China, among others, devote enormous resources to education and were thus able to provide their citizens with cheap and accessible

education.

He said, "The great asset to nation building is human capital development which can only be achieved through education.

"Therefore, government should endeavour to earmark 26% of the annual budget for educational development as recommended by the United Nations.

"The government can decide to adopt our innovation templates and leadership style, which have repositioned UNN as a towering centre of learning and skill development centre."

Earlier, the Vice Chancellor, University of Nigeria, Nsukka, and the host of the occasion, Prof. Charles Igwe, said the event was historic considering the array of dignitaries that graced the occasion to celebrate the retirement of the 14th Vice Chancellor of the University, Prof. Ozumba, from the service of the institution.

He also commended Prof. Oloyede for honouring the invitation despite the event falling within the holy month of Ramadan stating that it was, indeed, a great sacrifice.

In addition, he expressed hope that Prof. Oloyede would do justice to the topic as he would be speaking from an informed and experienced position as a former Vice Chancellor and one-time Chairman of the Committee of Vice Chancellors.

...RE:Osun CBT Centre Owner Clash Over Accreditation - The Desperation and Facts

This publication, to say the least, is most unfortunate given the misrepresentation of facts by the desperate centre owner.

It should be noted that approval of centres is not automatic as there are requirements and conditions to be met. These standard requirements can never be compromised irrespective of the status of the owners of such centres.

To underscore the importance of

these requirements, centres are accredited every year irrespective of their standing or performance in the Board's activities the preceding year as those who failed to live up to expectations are denied accreditation despite any prior record of performance.

It is to be noted that the Board has had occasions to deny accreditation to its own CBT centres when such centres were not properly managed

by its assigned officials.

It is true that, over the years, the proprietor of Aatrix Innovation Ltd had presented his facility for accreditation but the truth remains that on all occasions he failed to meet the minimum requirements for approval of centres.

The accreditation exercise is handled by very distinguished scholars with impeccable character,

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

HORTICULTURE

Career in Focus is a new column in the Board's weekly publication, JAMBulletin. This column would be featuring content on profitable but not popular courses in Nigerian tertiary institutions as a means of creating career awareness for prospective candidates most of whom go extra lengths to study conventional courses such as Law, Medicine, Engineering, Accounting, among others.

This month, the career in focus is Horticulture.

Horticulture is a branch of agriculture dedicated to cultivating plants utilised by people for food, medicinal purposes or aesthetic enjoyment. It encompasses various specialisations, including fruits, vegetables, ornamental, aromatic, plantation, and medicinal plants, all of which play a pivotal role in fostering agricultural prosperity and contributing to the nation's economy.

In Nigeria, there exist diverse career prospects for individuals in the field of agriculture. One of such avenues is that of a horticulturist, who can engage in a wide range of industries and settings, such as agriculture, landscape design, gardening, golf courses, horticultural research, and ornamental plant production. Beyond plant production, horticulturists may explore

opportunities in management, marketing, education, and research. Some individuals may even choose to be self-employed, establishing ventures in fruit or vegetable production, landscape design, nurseries, greenhouses, and gardens.

It is a five-year course under the Faculty of Agriculture in most Nigerian Universities.

UTME subjects include Chemistry, Biology/Agriculture and one of Mathematics, Economics, Physics and Geography. For special waivers from institutions, check the brochure @ www.ibass.jamb.gov.ng

The O'level requirements include a

credit pass in English Language, Mathematics, Chemistry, Biology or Agriculture.

Institutions offering Horticulture cut across Universities, Polytechnics and Colleges of Agriculture, among which are: Federal University, Minna; Nnamdi Azikiwe University, Awka and Federal University of Agriculture, Abeokuta.

The Horticultural Society of Nigeria (HORTSON), which was established in 1977 is a registered society in Nigeria and was one of the most respected and influential professional societies for horticulturists.

...Extension of Ongoing Direct Entry Registration by Two Weeks

a close on Thursday, 11th April, 2024. This extension became necessary following the challenges faced by candidates in going through some of the security screening measures put in place to arrest the rampant and embarrassing cases of fake A'level certificates being paraded by some DE candidates. The Board apologises for the inconveniences caused prospective

DE candidates and pledges that, going forward, the process would be made more user-friendly. However, in doing this, the Board will not compromise on its avowed determination to ensure that candidates, whose certificates were dubiously acquired are prevented from benefiting from such certificates. It is also to be noted that candidates,

whose certificate-issuing institution are among those on the list of institutions that have not verified their certificates despite repeated requests, would not be allowed to register without doing the needful. The Board would be holding a press conference in due course to properly brief the media.

2024 DE REGISTRATION INSTRUCTION TO ALL REGISTRANTS

All registrants are to note that owing to the non-responsiveness of the following institutions to the 2023 verification requests from the Board, all candidates, who intend to use such certificates for Direct Entry application will, henceforth, have to pre-verify such certificates through

the Board's Central Admission Processing System(CAPS) to complete their registration. This measure is necessary to ensure that the Board will not have to go through the stress of getting concerned institutions to verify certificates issued by them. For the avoidance of doubt, only

candidates intending to use the certificates of the following fifteen institutions will be subjected to the pre-verification process. Since all others are in good standing with the DE registration process, their candidates would be registered without pre-verification.

...RE:Osun CBT Centre Owner Clash Over Accreditation - The Desperation and Facts

who are specialists in Information Technology and related disciplines, and whose reports the Board considers in approving any centre.

It is perhaps, instructive to note that on a particular occasion, precisely early this year, the centre was invited to subject its facility for final examination through the instrumentality of the Autobot software but the proprietor of the centre declined this invitation stating that the centre was not ready. As this procedure was one of the critical stages for ascertaining the quality of individual computers in any given centre, especially in terms of facilitating remote viewing from our headquarters, the centre could, therefore, not be accredited for the conduct of any of 2024 UTME processes.

It is quite disturbing that the proprietor of a facility applying to be used as an examination centre could be this desperate as he seems

to want a centre but he is not prepared to go through the rigours of securing one.

The Board has noted with concern the series of allegations levelled by the proprietor of the centre against its officials. However, it is our fervent desire to enter into genuine partnership with individuals who are interested in advancing the course of educational assessment, hence our constant invitation to the centre to bring up credible information to back up its claims.

Perhaps, it would be appropriate to inform the public of the efforts of the Registrar of the Board, Prof. Is-haq Oloyede, who had personally took up the matter and established contact with the proprietor of the centre to substantiate his allegations of impropriety against members of staff of the Board, however, he is yet to provide any to date.

It should be noted that the Board is

always desirous of securing quality and functional centres and had, on some occasions, had to plead with private and corporate bodies to invest in the establishment of CBT centres, as such it is always ready to partner with any investor ready to provide good and state-of-the-art centres without compromising its accreditation standards.

Unfortunately, this is what the proprietor of Astrix Innovation Ltd seems to be finding difficult to appreciate. To him, approval should be given regardless of the quality and functionality of the centre.

Peddling unsubstantiated allegations without proof does nobody any good. Even now the Board is ready to act decisively if the centre is ready to subject itself to its final approving process for the next exercise as well as also provide evidence that some of its officials solicited bribes to compromise its operational processes.

JAMB WAS SET UP BASED ON THE RECOMMENDATIONS OF CVC -OLOYEDE

The Registrar, Joint Admissions and Matriculation Board (JAMB), Professor Is-haq Olanrewaju Oloyede, has shed light on the establishment of JAMB, evolution, and pivotal role in the Nigerian tertiary education system.

Speaking at a lecture held in honour of the retiring renowned academic from the University of Nigeria, Nsukka, and a former Vice Chancellor of the institution, Prof. Benjamin Chukwuma Ozumba, Prof. Oloyede explored the historical journey and governance framework of JAMB, with special emphasis on its transformative impact on admission processes in Nigeria.

The Registrar, also a former Vice Chancellor, University of Ilorin, stated that the establishment of the Board dated back to a pivotal moment in Nigeria's tertiary education system when concerns over disparate admission procedures prompted the Committee of Vice Chancellors

(CVC) to advocate a centralised admission system.

This call was heeded by the Federal Government as it recognised the need for a standardised approach to the issue of admissions into tertiary institutions in the country, culminating in the establishment of a central examination body, JAMB, in 1977.

According to the Registrar, the Board, from its inception, has a governance structure reflecting the symbiotic relationship with the academic community, with leading academics assuming leadership roles within the governance structure of the Board to ensure alignment with institutional interests and traditions.

Speaking further, Prof. Oloyede stated that over the years, JAMB has evolved to encompass a broader mandate, extending beyond conducting UTME to overseeing admissions processes in collaboration with tertiary

institutions. In this regard, he stressed the pivotal role of the Board in promoting fairness and transparency, ensuring that candidates are evaluated and selected based on merit and published institutional criteria.

Furthermore, he also highlighted the cordial relationship between JAMB and other regulatory bodies such as the National Universities Commission (NUC), National Board for Technical (NBTE) and the National Commission for Colleges of Education (NCCE) to underscore the importance of collaboration in maintaining the integrity of the admission process.

On a final note, he submitted that as the Nigeria's tertiary education system continues to evolve, JAMB would not remain aloof as it must continue to champion as well as embody the principles of service, integrity, accountability, and equitable access to education.

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

🌿 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

🌿 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

🌿 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

🌿 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

🌿 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

🌿 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
