NISER TRAINS MANAGEMENT ON ORGANISATIONAL BEHAVIOURAL CHANGES, PRINCIPLES AND PRACTICE

Members of management in a group photograph at the NISER training in Ibadan

Top management staff of the Board have been urged to embrace organisational behavioural change for the purpose of realising set objectives.

This was the position of National Institute of Science Education and Research (NISER) during a training workshop organised for the top management staff of the Joint Admissions and Matriculation Board (JAMB).

The training, which was held between

19th May and 24th May, 2024, took place at the NISER Training Institute, Ibadan, Oyo State.

The one-week training organised by Behaviour Change Knowledge Centre (BCKC) of NISER with support from the MacArthur Foundation, was a capacity-building programme designed to acquaint the participants with contemporary behavioural changes that would enhance service delivery and productivity.

NISER is an agency of the Federal Ministry

PROF. ARIGBABU LAUDS JAMB FOR INNOVATIONS

The Joint Admissions and Matriculation Board (JAMB) has been commended for its innovative approach to repositioning the nation's education sector.

This commendation was contained in the address of the Ogun State Commissioner for Education, Science and Technology, Prof. Abayomi Arigbabu, who played host

to the Ogun State State Coordinator, Mr. Hakeem AbdulHameed in his office in Abeokuta on Friday, 24th May, 2024.

Earlier, the State Coordinator had informed the Hon. Commissioner that the visit was aimed at apprising him of the recent innovations rolled out by the Board. According to him, these changes

SUSTAIN YOUR TEMPO OF INNOVATIONS -PROF. ELOM

The Joint Admissions and Matriculation Board (JAMB) has been commended for the series of innovations being rolled on a regular basis towards enhancing service delivery in the education sector.

This was contained in the address of the Vice-Chancellor, Alex Ekwueme Federal

University, Ikwo, Ebonyi State, Prof. Sunday Oge Elom, during the 7th and 8th combined convocation ceremony of the institution, which took place on Friday, 14th May, 2024. The event saw the convocation of 3,474 graduands.

In his speech, the Vice-Chancellor stated that the Board had been a pillar of

...Sustain Your Tempo of Innovations - Prof. Elom

L-R: Mr. Mufutau Bello, Director Finance and Accounts, JAMB; HRM. Oba (Dr.) Michael Aremu Adedotun Gbadebo, Chancellor, AE-FUNAI and Mrs. Doris O. Enoch, JAMB State Coordinator, Ebonyi State.

support to the university adding that the institution would not take the support for granted as he urged the Board to sustain the tempo of innovations.

The Registrar, JAMB, Prof. Is-haq Oloyede, was represented on the occasion by the Director, Finance and Accounts, Mr. Mufutau A. Bello. Furthermore, the Chancellor, HRM Oba (Dr.) Michael Aremu Adedotun Gbadebo, CFR, lauded the university as a rapidly emerging top education brand in Africa. He congratulated the graduating

students on the successful completion of their programmes and urged them to uphold excellence, integrity, and hard work in their future pursuits.

One of the highlights of the ceremony was the conferment of honorary degrees on Chief Martin Nwancho Elechi and Dr. Innocent Ifediaso Chukwuma. Also honoured were the best graduating students, who received awards, with Mr. Echara Wilson Sunday standing out with a CGPA of 4.90 in

Electrical/Electronics Engineering.

After the convocation ceremony, the Registrar, represented by Director, Finance and Accounts, visited JAMB State Office, Abakaliki, where he met with the Ag. Coordinator, Mrs. Doris O. Enoch, and members of staff of the State Office.

In his remarks on the occasion, the Registrar offered fatherly words of advice and urged the staff to be diligent in the discharge of their duties.

RECTOR, I'CCT, PAYS COURTESY CALL ON JAMB BENUE OFFICE

State Coordinator, JAMB Benue Office and the Rector, Makurdi Intercontinental College of Technology (M), flanked by staff of JAMB and I'CCT.

The Rector, Intercontinental College of Technology (I'CCT), on Friday, 24th May, 2024, paid a courtesy call on the Benue State Office of the Joint Admissions and Matriculation Board (JAMB).

During the visit, the Rector, I'CCT, Dr. Iorbee Simon, who led a three-man delegation to the Benue State Office, Makurdi, briefed the State Coordinator on the operations of the new College and the need to

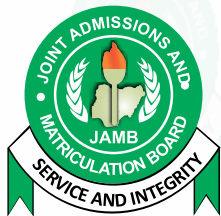

establish a cordial relationship with the Board as the College had just got accredited by the National Board for Technical Education (NBTE) to commence operations.

Therefore, he said, part of the reasons for the visit was the need to intimate the Board about the take-off of the institution as well as explore all opportunities of synergising with the Board to achieve the Institution's operational objectives.

In his response, the Benue State Coordinator, Dr. Titus Isah Lemut, felicitated the Rector and his team for the great feat attained. He thereafter, gave them an elaborate lecture on how to admit students on CAPS while advising them to adhere strictly to the Board's guidelines on Admission's procedures.

In the same vein, Dr. Lemut also counseled the visitors that, once their institution is added to IBASS, candidates would be able to pick the school as their choice.

Finally, the State Coordinator advised the Rector and his team to publicise their school through advocacy and sensitisation programmes by visiting public places as well as media houses, among others.

EDUCATION IN THE MEDIA

LEADERSHIP, SUNDAY, MAY 19, 2024; FUTMINNA Promotes 19 Lecturers to Professors: - The Promotions Committee of the Federal University of Technology, Minna, has announced the promotion of 19 associate professors to professors and 15 senior lecturers to associate professors at its 89th special meeting.

In a statement by the Head of Information Department of the university, Lydia Legbo, the promotions are effective from October 1, 2023, except for Prof. Usman Abraham Usman, whose promotion took effect from October 1, 2022.

The breakdown of the Promotion is as follows: School of Agriculture: 2 promotions, School of Electrical Engineering and Technology: 3 promotions, Environmental Technology: 4 promotions and Information and Communication: 2 promotions, Other schools.

LEADERSHIP, SUNDAY, MAY 19, 2024; FG Unveils Programme to Transform North-East Schools: The Federal Government has launched a multi-year Accelerated Senior Secondary Education Programme aimed at transforming the education sector. The programme focuses on overhauling school infrastructure, modernising curricula, and integrating virtual learning technologies. This initiative was announced by the Senior Special Assistant to the Vice President on Media and Communications, Mr. Stanley Nkwocha, in a recent statement.

According to Nkwocha, the programme seeks to bridge the significant educational divide in the

country, starting with the North-East region. Vice President Kashim Shettima unveiled the initiative in Bauchi State, explaining that it is a comprehensive, phased programme designed to rapidly upgrade secondary education across three core pillars: enhancing access to tertiary institutions, imparting market-relevant skills and upskilling teachers to stay ahead of disruptive innovations like artificial intelligence. Shettima emphasised that the initiative aligns with President Bola Tinubu's vision to address the multifaceted challenges facing the North East, including security crises and stagnant human capital outcomes.

NEW TELEGRAPH, TUESDAY, MAY 21, 2024: We'll Commence Student Loan Scheme with Federal Institutions- NELFUND:- The Nigerian Education Loan Fund (NELFUND) management has announced that only students enrolled in federal government-owned tertiary institutions are eligible to apply for the first phase of the student loan programme and the portal for loan applications will be open on Friday, May 24, 2024, for students requiring financial assistance for school fees and stipends.

In a press statement issued by NELFUND's Managing Director, Akintunde Sawyer, it was explained that the programme would eventually expand to include state-owned universities. Additionally, NELFUND plans to initiate a loan programme for individuals seeking vocational skills or qualifications.

Under this programme, NELFUND will cover school fees directly to the institutions on a per-session basis

and provide stipends to beneficiary students at regular intervals, with a set cap on the amount.

Sawyer emphasized the importance of institutions providing accurate data to ensure their students can benefit from the program. Also in Guardian, Tuesday, May 21, 2024; Punch, Tuesday, May 21, 2024; Tribune, Tuesday, May 21, 2024; Premium Times, Tuesday, May 21, 2024; Daily Sun, Tuesday, May 21, 2024; Leadership, Tuesday, May 21, 2024.

NEW TELEGRAPH, TUESDAY, MAY 21, 2024: FG Seeks Judicious Utilisation of UBE Intervention Fund by State Govs.:- The Federal Government has urged state governments to ensure the responsible and transparent use of matching grants allocated for the Universal Basic Education Commission (UBEC) programme. Dr Hamid Bobboyi, Executive Secretary of UBEC, made this call during the inauguration of a six-day training programme in Abuja for accountants and auditors from UBEC and State Universal Basic Education Boards (SUBEBs).

Dr Bobboyi emphasised the need for financial officers to uphold integrity and resist undue pressure from state officials, which can compromise standards. The training aims to update participants on the revised accounting manual and provide a comprehensive understanding of financial infractions and sanctions. This knowledge is crucial for effective service delivery in basic education. Also, in Leadership, Tuesday, May 21, 2024.

NEW TELEGRAPH, TUESDAY, MAY 21,

...Education in the Media

2024: FG To Begin Review of Education Institutions' Curricula: -

The Minister of State for Education, Dr Yusuf Sununu has announced that the federal government will initiate the review of the curriculum at all levels of education in the country to provide Nigerians with education that enables them to compete globally. This decision comes as the National Business and Technical Examinations Board (NABTEB) begins the review of 14 trade syllabi used in technical colleges.

Dr Sununu made these remarks at a workshop focused on the review of Syllabi for Technical Colleges organised by NABTEB in Abuja. He expressed concern that the curriculum and syllabi for institutions, including secondary and basic education, have not been updated in the past 14 years. Dr. Sununu emphasized the importance of regular reviews, stating, "A prolonged period without the review of curriculum and syllabi would be detrimental to the nation."

GUARDIAN, TUESDAY, MAY 21, 2024: Federal Civil Service Boss Calls for Scrapping of HND Certificates: The Chairman of the Federal Civil Service Commission, Prof. Tunji Olaopa has advocated for the abolition of the Higher National Diploma (HND) conferred by Polytechnics.

He argued that to resolve the ongoing professional dispute between B.Sc./B.Tech. and HND degree holders without compromising the original missions and objectives of the institutions, it is necessary to revisit the recommendation made by the Heads of Polytechnics and Colleges of Technology (COHEADS) to the Presidential Technical Committee on the Consolidation for Tertiary Institutions in 2007.

Prof. Olaopa made these remarks during a national dialogue event titled "The Future of HND in the Nigerian Educational Landscape," organized by the National Board for Technical Education (NBTE) in Abuja. In his proposal, he suggested that the HND programme be eliminated, while retaining the National Diploma

(ND) as a prerequisite for admission into both new and traditional universities of technology and technology-affiliated schools within existing universities. Also, in Daily Trust, Wednesday, May 22, 2024

PUNCH, TUESDAY, MAY 21, 2024: TRCN, Gains Bargaining Power, Joins Union for Universities, Research Institutes: -

The Teachers Registration Council of Nigeria has officially become a part of the Senior Staff Association of Universities, Teaching Hospitals, Research Institutes, and Associated Institutions.

The formal induction of the TRCN branch into the union was recently held in Abuja on Tuesday, May 21, 2024.

This integration of TRCN with SSAUTHRIAI is anticipated to strengthen the Council's advocacy initiatives and offer increased support to its members in diverse educational and research establishments nationwide.

During the event, Baba Mohammed, the sectoral Chairman of SSAUTHRIAI, underscored the significance of inclusivity in decision-making processes, urging all members to actively participate in crucial discussions and stay informed about pertinent matters.

DAILY TRUST, THURSDAY, MAY 23, 2024: UBEC Reiterates Commitment to Basic Education Transformation: -

The Executive Secretary of the Universal Basic:- Dr Hamid Bobboyi, Executive Secretary of the Universal Basic Education Commission (UBEC), has reaffirmed the Federal Government's commitment to transforming basic education in Nigeria. He made this statement during a two-day workshop on Research Proposals Screening and Execution Modalities, organized by the Digital Resource Centre.

According to Dr. Bobboyi, groundbreaking research coordinated by the Digital Resource Centre will drive this transformation. The Commission recognizes the pivotal role of research in revolutionizing the basic education

subsector and is making conscious efforts to prioritize it.

Prof. Bashir Galadanci, National Coordinator of the Digital Resource Centre, emphasized the transformative power of research for national development, particularly in the context of utilizing digital and smart technologies to promote quality basic education.

NEW TELEGRAPH, THURSDAY, MAY 23, 2024: NABTEB Begins Review of 14 Trade Syllabus in Technical Colleges: - The National Business and Technical Examinations Board (NABTEB) has commenced the review of 14 trade syllabi used in Technical Colleges.

Addressing a workshop on the review of Technical College Syllabi in Abuja, the Registrar of NABTEB, Prof. Ifeoma Isiugo Abanihe, stated that the review is in fulfillment of the Federal Government's drive for innovation and skills empowerment through the Education Sector.

According to Prof. Abanihe, there is an urgent need to produce well-trained and well-motivated craftsmen and technicians who can sustain the much-needed national technological and economic growth.

She acknowledged the challenges faced in Nigeria today, including inadequate teaching equipment and materials, insufficient teaching personnel, as well as issues related to curriculum and syllabi. Also, in Daily Trust, Tuesday, May 21, 2024; Daily Sun, Tuesday, May 21, 2024; Guardian, Tuesday, May 21, 2024.

DAILY TRUST, FRIDAY, MAY 24, 2024: FG Distributes N15bn in NEEDS Assessment Funds to Polytechnics: -

During the commissioning of the 22 NEEDS Assessment Intervention Projects at Kaduna Polytechnic, the Minister of Education, Professor Tahir Mamman, announced the distribution of N15 billion to federal and state polytechnics as part of the 2022 NEEDS assessment fund.

Represented by Dr. Ejeh Alexander Usman, Director of Polytechnics and Allied Institutions at the Federal

...Education in the Media

Ministry of Education, the Minister emphasized that the allocated funds are intended to address critical issues such as hostels, classrooms, and water infrastructure.

Professor Mamman noted that this marks the first time the federal government has directed funds specifically to polytechnics, highlighting the advocacy efforts led by the Academic Staff Union of Polytechnics (ASUP) from 2013 to 2022 to secure this allocation. He expressed optimism that future disbursements would be more efficient, benefiting all polytechnics nationwide, including federal, state, and military institutions.

DAILY TRUST, FRIDAY, MAY 24, 2024: Almajiri Commission to Incorporate Arabic, English Studies for Enhanced Education: - The National Commission for Almajiri and Out-of-School Children's Education (NCAOOSCE) is collaborating with the National Board for Arabic and Islamic Studies (NBAIS) and the Nigeria Arabic Language Village (NALV) to enrich the educational experience of Almajiri students. This collaboration aims to incorporate Arabic studies into their curriculum, providing a comprehensive education that includes a deep

understanding of the Arabic language and Islamic teachings. Also in Punch Newspaper, Friday, May 24, 2024.

NATION, SUNDAY, MAY 26, 2024: Oloyede, Truly Divine: - In this write up by this publication, the author takes a critical look at the indomitable personality which is Prof. Is-haq Oloyede, Registrar, Joint Admissions and Matriculation Board (JAMB) and his achievement as the helm's man of the Board. More in focus was the just concluded 2024 UTME which in many quarters have been recorded as an overwhelming success.

This, according to the writer, is because of the meticulous way the Board has been conducting the examination, especially since Prof. Is-haq Oloyede took over as Registrar/Chief Executive Officer in August 2016.

He goes ahead to reel the achievements of Prof. Oloyede, a former vice-chancellor of the University of Ilorin, Ilorin, Kwara State, since he assumed duty as the Registrar of the Board. An appointment he described as "divine".

From the numerous remittances made to the coffers of the Federal Government treasury to having

started to rewrite the JAMB narrative, particularly as regards its core responsibility of organising the annual UTME. The transformation that the examination and the entire JAMB as an institution has witnessed in the last seven years and still counting is, simply put, phenomenal. One thing that has continued to work in favour of the JAMB boss is his ability to weather storms especially that of corruption which as an endemic was brought to a crashing halt when Prof. Oloyede came and put a stop to its nefarious activities. But if people are celebrating Prof. Oloyede today, it is said that he too would be giving the credit to both Allah and IT. Prof. Oloyede's untiring effort in the application of IT in various aspects of the Board's processes; from the rendering of weekly accounts in the Board, to the assessment and placement of candidates.

In all, it is the continual innovations by JAMB that made this year's UTME rank as "one of the most innovative versions in the annals of Computer-Based Testing by the board", to quote Prof. Oloyede. Finally, the Oloyede-led JAMB has done very well so far is an understatement. But, as it is always agreed, room for improvement there always will be.

ADMISSION POLICIES WILL BE ADHERED TO- PROF. ADETORO

A call has gone to all tertiary institutions in Nigeria to embrace the Central Admission Processing System (CAPS) implemented by the Joint Admissions Matriculation Board (JAMB) to automate and streamline the nation's admission procedures.

This call was made by the Vice-Chancellor, Gerard University of Medical Sciences, Imope-Ijebu, Prof. 'Niran Adetoro, during the maiden Matriculation ceremony of the institution held on Wednesday, 22nd May, 2024.

According to him, achieving the objectives of the institution was paramount, hence its leadership would do all it takes to encourage the advancement of learning while

reaching out to all persons without distinction of race, creed, sex, political or religious conviction to enroll in the institution. He added that the opportunity for higher and liberal education is impossible if the admission process is not properly done.

The Professor of Social Informatics also expressed appreciation to the management of JAMB for its immense contributions towards the smooth take-off of the institution.

In his response, the Registrar, Prof. Is-haq Oloyede, who was represented by the Ogun State Coordinator, Mr. Hakeem Abdulhameed, congratulated the management of the institution on its maiden matriculation ceremony and urged

them to make compliance on CAPS their watchword.

Mr. Abdulhameed charged the pioneer students of the specialized institution to make sure their studies take priority over any other matter and be good examples to those who will come after them.

Prof. 'Niran Adetoro, Vice-Chancellor, Gerard University of Medical Sciences, Imope-Ijebu, Ogun State.

...NISER Trains Management on Organisational Behavioural Changes, Principles and Practice

of Budget & Economic Planning, a public research institute located in Ibadan.

Declaring the one-week training open, the DG, Prof. Antonia Taiye Simbine, said the training would fast track the realisation of the Board's mandate, vision and mission for national development, integration and cohesion.

In her remarks, the Director-General, pointed out that the Institute provides consultancy services to the Federal and State Governments in the field of economic and social development by conducting research into the economic and social problems of the country, as

well as organising seminars and conferences on economic and social problems bedeviling the country.

According to Prof. Simbine, NISER also synergises with Nigerian universities, research institutes and other institutions to aid the mobilisation of the country's research potential for the purpose of national development and dissemination of research findings for the use of policy makers at all levels.

The training, which was anchored by seasoned resource persons and technocrats X-rayed such topics as: "Exploring Behavioural Concepts"; "Organizational Behaviour Analysis"; "Stakeholders Mapping and Analysis

in Behavioural Reform Context"; and "Joint Exercise: Drafting of JAMB Compliance Officers' Operative Code."

Other topics included: "Ethical Standards in Examination Management"; "Designing Processes and Working with Checklists"; "Sustaining Reforms through Collaboration Building"; "System Thinking and Learning"; "Tracking Compliance Behaviour"; "Documentation and Reporting"; and "Psychological Resilience for Regulators in the Exam Sectors," among others.

Contd From Pg 1

...Prof. Arigbabu Lauds JAMB for Innovations

included those made to the result formats, free registration for people with disabilities, and other technological advancements. He also stressed the need for continuous engagement with the ministry to achieve desired objectives.

In his remarks, Prof. Arigbabu acknowledged the strategy of interacting with numerous stakeholders by the Board during the just-concluded 2024 UTME, which was conducted seamlessly. Furthermore, he stated that

innovations are crucial for smooth operations of any organisation adding that some initiatives might seem unnecessary to the public but are essential to prevent illegal activities. He cited the efforts of his ministry to deploy technology to address emerging issues and curb malpractice.

He urged the Board not to relent in its efforts to introduce new technologies into its operational processes as some individuals would always persist in finding ways to cheat. He extolled the virtues of Prof.

Oloyede, who he describes as a thorough and fair individual, who has also restored stakeholders' confidence in JAMB by ensuring that admission to institutions is based on merit.

The vote of thanks was delivered by the Head of Matriculation and Monitoring, Mrs. Kafayat Ibiwoye, Ogun State Office, who expressed gratitude to the Commissioner and his team for hosting the JAMB team and his readiness to advance the education sector.

WE MUST ENHANCE SERVICE DELIVERY - LAWAL

The State Coordinator, Joint Admissions and Matriculation Board (JAMB), Ekiti State Office, Mr. Hassan Lawal, has charged members of staff of the Board to ensure enhanced service delivery especially as the Board is entering its 2nd quarter of its activities for the year.

Lawal gave the charge during an interactive session with members of the SERVICOM/Public Relations Unit of the State Office. He disclosed that the interface would serve to reposition the Unit for optimal performance. He also said the Board is determined to ensure unfettered

service delivery to both the candidates and the general public alike.

Furthermore, he admonished them to remain committed to their job and not compromise the standard set by the Board.

The Coordinator also reiterated that SERVICOM, being the first point of contact for members of the public, has a duty to positively project the Board's image while giving prompt attention to feedbacks from the public at all times.

Speaking further, Lawal charged them to work assiduously at sustaining the mission and vision of

the Board, noting that all must brace up for the task ahead by being ICT-compliant as the Board is poised to revolutionise the conduct of public examinations in the country through its innovative and technology-driven approach.

In his response, Head, SERVICOM/Public Relation Officer of the State Office, Mr. Abdurasaq Olanrewaju Bhadmus, assured the Coordinator of his Department's readiness to work as a team for the overall good of the Board.

CAREER IN FOCUS

BY OMOTOYOSI ADENLE, QA DEPARTMENT

QUANTITY SURVEYING

Quantity surveying is a profession within the construction industry that deals with various aspects related to the costs and finances of construction projects. Quantity surveyors, also known as QS or cost engineers, play a crucial role in ensuring that construction projects are completed within budget while meeting quality standards and adhering to relevant regulations.

Quantity surveying entails Cost Estimation and Budgeting; Procurement and Tendering; Contract Administration; Cost Control and Value Engineering; Risk Management; Life Cycle Costing; Dispute Resolution and Sustainability & Green Building.

Overall, quantity surveying is a multidisciplinary profession that requires a combination of technical, financial, and communication skills. In essence, quantity surveyors play a vital role in ensuring the successful delivery of construction projects by managing costs effectively and maintaining financial control throughout the project lifecycle.

The career prospects for quantity surveyors are promising, with opportunities available in various sectors of the construction industry and beyond. The knowledge and

skills of quantity surveying can be utilised in the Construction Industry; Consultancy Firms; Public Sector; Private Practice; Real Estate and Property Development; Facilities Management and many more.

Quantity surveyors can find employment opportunities in government agencies and public sector organisations involved in construction and infrastructure development. They may work on public works projects, such as roads, bridges, schools, hospitals, and government buildings, ensuring that projects are delivered within budget and meet quality standards.

Overall, the knowledge and skills of quantity surveying are highly transferable and can be applied across various sectors of the construction industry, as well as in related fields such as real estate, facilities management, and infrastructure development.

In universities, it is a five-year course under the faculty of Environmental Sciences. In polytechnics, a QS graduate must have completed his ND and HND programme.

UTME subjects required are Use of English, Physics, Mathematics and any of Chemistry, Geography or Economics. O'level requirements are

a credit pass in English Language, Mathematics, Chemistry, Physics and any of Geography or Economics. For special waivers from institutions, check the brochure on www.ibass.jamb.gov.ng.

Institutions offering Quantity Survey cut across federal, state and private universities and polytechnics. They include National Institute of Construction Technology, Uromi; Kaduna Poly; Abia State Poly; Jigawa State Poly; Fed. Poly, Offa; Fed. Poly, Mubi; Nigerian Army Institute of Tech and Environmental Science (NAITES) Makurdi; UNILAG; UNIZIK; UNILORIN, among others. Check www.ibass.jamb.gov.ng for a comprehensive list of accredited institutions offering the course.

Quantity Surveyors Registration Board of Nigeria (QSRBN) is the regulatory body of the quantity surveying profession and practice in Nigeria. A few examples of professionals, who have demonstrated

excellence in this field include: Gbenga Ismail, FNISV; QS Odetunde Olagoke, M.R, Moses Anaughe, and Mr. Oladejo Lateef Kolawole, among others.

CERTIFICATES FROM THE FOLLOWING INSTITUTIONS TO BE PRE-VERIFIED BEFORE 2024 DIRECT ENTRY REGISTRATION

Candidates holding certificates issued by the following institutions, who intend to register for the 2024 Direct Entry, would have to pre-verify their certificates before completing their registration as their issuing institutions have failed to respond to repeated requests for verification of certificates issued by them. The institutions with their outstanding number of unverified certificates are:

I. Four(4) Universities:

- Ahmadu Bello University, Zaria
- University of Nigeria, Nsukka
- Ekiti State University, Ado-Ekiti and
- Federal University of Technology, Owerri

II. Five(5) Polytechnics/

Monotechnics: - Nuhu Bamalli Polytechnic, Zaria; - - Akanu Ibiam Federal Polytechnic, Unwana, Afilpo, Ebonyi State;

- College of Health Technology, Calabar;

- Federal College of Animal Health and Production Technology, Vom, Plateau State; and

- Best Solution Polytechnic, Akure, Ondo State.

III. Six(6) Colleges of Education:

- Cross River State State College of Education, Akamkpa;

- Kashim Ibrahim College of Education, Maiduguri, Borno State;

- College of Education, Katsina-Ala, Benue State;

- Osun State College of Education, Ila-Orangun, Osun State;

- Shehu Shagari College of Education, Sokoto; and

- College of Education, Waka-Biu, Borno State.

For the avoidance of doubt, only candidates intending to use certificates issued by these institutions for the 2024 Direct Entry, would have to pre-verify before completing their registration process.

For the avoidance of doubt, only candidates intending to use certificates issued by these institutions for the 2024 Direct Entry, would have to pre-verify before completing their registration process.

OFFICE OF THE REGISTRAR

No. 2024ff01A

18th April, 2024

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA (VERIFICATION OF A-LEVEL QUALIFICATIONS BY AWARDING INSTITUTIONS)

This advisory is issued to guide all A-level certificate awarding institutions on the procedures of verifying the certificates claimed by candidates during the 2024 DE registration exercise.

This is a follow-up to the earlier issued advisory referenced No. 2024ff01, dated 31st March, 2024 (copy attached) on the above subject. This edition is issued to reiterate the previously raised matters as well as to guide all A-level awarding institutions on the procedures to be followed to verify the certificates claimed by candidates during the 2024 DE registration exercise.

All concerned institutions should therefore take note and adhere strictly to the provisions herein:

1. As part of the requisite requirements for Direct Entry application, all applicants' qualifications must be uploaded at the registration point (JAMB Professional Registration Centre (PRC)), while the Head of the awarding institutions gets notified immediately through email to verify the candidates' claims.
2. The Institutions are expected to log in to the JAMB website via this link- <https://efacility.jamb.gov.ng/InstitutionSignin>. Please, note that the link is also included in the mail sent to the Heads of Institutions once candidates' certificates are uploaded during registration. Institutions without efacility account should contact JAMB through the CAPS mail for details.
3. On Login, by the left pane menu list, click on Certificate Verification (DE Registration) menu to view the list of all untreated candidates' applications.
4. To treat each candidate's application, click on the "Process Button" beside the name of the candidate to pull the candidate's full information, including the uploaded certificate.
5. To confirm that a candidate's certificate is genuine, select the "first radio button" and click the blue "Authenticate Certificate" button. This verifies the certificate as genuine and also sends an email and SMS to the candidate (and reflects on the JAMB's profile of the candidate) confirming the authenticity of his/her certificate.
6. To confirm that the certificate is fake or rather not issued by the institution, select the "second radio button", while you specify the reason for disapproving the certificate and click on the "Disown Certificate" button. This disowns the certificate and also sends an email and SMS to the candidate (and reflects on the JAMB's profile of the candidate) informing him/her why his/her certificate was disowned by the institution.
7. As soon as either of steps (5) or (6) above is completed, the response will be automatically sent back to the database for update.
8. The procedure is a continuous process and all candidates must be treated individually.

Note: a. For further guidance, a manual is provided

b. The Board will NOT consider for admission any candidate whose qualification is not verified by the awarding institution.

OFFICE OF THE REGISTRAR

No: 2024ff01

31st March, 2024

RE: ADVISORY ON 2024 DIRECT ENTRY (DE) REGISTRATION, VERIFICATION AND ALIGNMENT OF DATA

This advisory is issued to guide stakeholders on the alignment of data for the 2024 DE registration and verification of candidates' data

1.0 PREAMBLE

The Board has been receiving series of complaints from institutions on candidates with forged or fake A-level certificates. Each institution has the policy of verifying the credentials of admitted candidates to ascertain their authenticity. One of such exercises was carried out by Bayero University, Kano, where the results of 148 admitted students were verified and 142 of them were found to be forged or faked. The Independent Corrupt Practices and other related Offences Commission (ICPC) in conjunction with the Federal Ministry of Education and JAMB subsequently carried out a sting operation at the A-level examination venues across the country. The result of which was extremely embarrassing to the Education sector. The then Chairman of ICPC said that much.

As a result of this, the Board had to, with the approval of the Federal Ministry of Education, act appropriately and establish the Nigeria Integrated Post-Secondary Education Data System (NIPEDS) which has the mandate to verify all A-level certificates used in the DE application before admission is considered.

2024 DE CANDIDATES VERIFICATION FLOW

Find below the flow of candidates' verification by NIPEDS:

Every candidate presents his/her credentials for DE registration at any of the JAMB PRCs/State Offices.

- a. Upon receiving the document, it is classified as follows:
 - i. For IJMB, JUPEB, NABTEB or Cambridge (post-2018) certificate or awaiting result candidates of IJMB, JUPEB or NABTEB, the candidate data is compared to the databank on NIPEDS for such qualifications. The system checks with the candidate's number as supplied by the respective examination body. The system verifies alignment of name, qualification, subject and grades (where applicable). Once the alignment is confirmed, the candidate continues and completes his/her registration.

Contd in Pg 15

- ii. For other qualifications other than “i” above, the credentials of the candidates are transmitted to the respective institution to authenticate/verify the claim.
- iii. If the institution is compliant (credibility of prompt response to verification request in 2023), the candidate is allowed to complete his/her DE registration without waiting for verification of the result from the awarding institution. For the avoidance of doubt, the following 15 institutions are regarded as non-compliant for the on-going 2024 DE registration:
 - A. Four (4) Universities:
 - i. Ahmadu Bello University, Zaria (565 candidates);
 - ii. University of Nigeria, Nsukka (125);
 - iii. Ekiti State University, Ado-Ekiti (61); and
 - iv. Federal University of Technology, Owerri (12).
 - B. Five (5) Polytechnics/Monotechnics:
 - i. Nuhu Bamalli Polytechnic, Zaria (61);
 - ii. Akanu Ibiam Federal Polytechnic, Unwana, Afikpo, Ebonyi State (58);
 - iii. College of Health Technology, Calabar (25);
 - iv. Best Solution Polytechnic, Akure, Ondo State (24) and;
 - v. Federal College of Animal Health and Production Technology, Vom, Plateau State (24);
 - C. Six (6) Colleges of Education:
 - i. Cross River State State College of Education, Akamkpa (91);
 - ii. Kashim Ibrahim College of Education, Maiduguri, Borno State (72);
 - iii. College of Education, Katsina-Ala, Benue State (47);
 - iv. Osun State College of Education, Ila-Orangun, Osun State (27);
 - v. Shehu Shagari College of Education, Sokoto (25); and
 - vi. College of Education, Waka-Biu, Borno State (20).

2.0 EXPERIENCE/LESSONS FROM 2023 VERIFICATION EXERCISE

The Board had on 23rd February 2023 issued an advisory to guide the registration of candidates seeking admission through Direct Entry (DE) in the 2023/2024 academic session. That was to address the issue of candidates who intended to use forged or fake A-level certificates/qualifications to secure admission.

For effective monitoring, DE registration from 2022/2023 academic session, has been restricted to JAMB-PRCs (offices).

For 2023 registration, of the 44,866 candidates who applied for the DE (or converted from UTME) 1,957 have so far been disclaimed by institutions/examination bodies.

The verification exercise by the Nigeria Post-Secondary Education Data System (NIPEDS) also revealed some discrepancies which could unduly disadvantage students/candidates or provide avenue for their impersonation. The discrepancies are:

S/N	Title	Description	2024 Solution provided by JAMB
i.	Discrepancies in Qualification	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
ii.	Discrepancies in Names	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iii.	Discrepancies in Subjects	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
iv.	Discrepancies in Grades	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024
v.	Discrepancies in Examination numbers and years of graduation	between what is in the A-level certificate presented by candidates and data supplied by the examination bodies	link with examination body and dropdown has resolved the mischief for 2024

Consequently, the Board introduced new measures, through the **THIRD-PARTY A-LEVEL DATA ALIGNMENT PLATFORM (TALDAP)**, to align the data supplied by the candidate with the data supplied by the examination bodies before DE registration.

Be guided, please.

SGD

OFFICE OF THE REGISTRAR

No: 2024ff02A

18th April 2024

RE: ADVISORY ON THE DIRECT ENTRY (DE) ALIGNMENT OF DATA FOR REGISTRATION

This advisory is issued to guide candidates with only IJMB, JUPEB and NABTEB on the process of application for alignment of data for the Direct Entry (DE) registration effective from 2024

1.0 PRE-DE REGISTRATION ALIGNMENT

Going by the experiences of the 2023 DE registration exercise, the Board has introduced, where necessary, the preregistration checks and data alignment for applicants with only **IJMB, JUPEB, and NABTEB qualifications**. This provision enables the system to authenticate the details supplied by a prospective candidate at the point of registration with what has been preloaded by the examination bodies. A platform **THIRD-PARTY LEVEL DATA ALIGNMENT PLATFORM (TALDAP)** has been provided to cater to this.

When a candidate's data (spelling of name, result/grade, subjects) do not align or are not included with the records supplied by the examination bodies, an alignment must be done on the TALDAP, before proceeding with the DE registration with JAMB.

It is worth noting that there are ONLY two (2) types of preregistration data alignment available on the TALDAP system:

- a. **Missing candidate's data alignment (data omission)** This type of alignment can only be carried out when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate for a particular qualification (IJMB/JUPEB/NABTEB) does not return any candidate's data.
- b. **Data discrepancy alignment** This type of alignment can only be carried out when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate, for a particular qualification, returns a candidate's data that contains name spelling mistakes/omission, different grades, and/or subject combinations, other than what was presented in the candidate's credential.

2.0 PROCESS OF APPLYING ALIGNMENTS FOR DATA OMISSION OR DATA DISCREPANCY

The processes are described below:

- i. **Visit NIPEDS A/level Home Page** Open the web browser and go to nipeds.jamb.gov.ng
- ii. **Click on Alignment of Data Application** Navigate to the alignment of data section on the homepage and click the “Visit Portal” button.
- iii. **Click on Apply for Alignment of Data button to begin the application process on the new page**
- iv. **Select the Type of Data Alignment** On the page,
 - a. candidates should choose the appropriate alignment type (missing candidate data alignment or data discrepancy alignment). If data discrepancy alignment is selected, the candidate can then select “alignment of name spelling”, “alignment of subjects” or “alignment of grades”
 - b. candidates should provide the examination number and year as shown on the claimed certificate/document;
 - c. candidates should provide a valid email address (preferably the one to be used or used for JAMB registration).
- v. **Provide the Supposedly Omitted/Correct Data:** In the subsequent step on the page, the candidate should input the name, subject, and grade, exactly as shown on his/her certificate/document and upload the proof/credential.
- vi. **Make Payment:** The final step involves making a payment.
- vii. **Application Completion** Candidates will receive an email for payment made which serves as a confirmation of the “submitted application”. An email notification will also be sent to the examination body informing them about the new application which they are to either recommend to JAMB or Reject. Any of the actions will have justifications ***A submitted application does not automatically mean approval.***

3.0 JAMB APPROVAL/REJECTION

Once the application is approved or rejected, the candidate gets an email confirming the approval/rejection of his/her application and the same is reflected on the profile of the candidate.

4.0 PAYMENTS FOR SERVICES

There would be a payment for the services to be rendered. Payment should be made using ATM cards or other methods displayed at the time of payment, including USSD payment and bank transfer.

The table below contains the approved fees for aligning candidates' data with JAMB records as supplied by the examination bodies.

SN	Service	Amount
1	Alignment of Subject	5000.00
2	Alignment of Grades	
3	Alignment of Name Spellings	

Be guided, please.

SGD

REGISTRAR, JAMB

NOTICE! NOTICE!! NOTICE!!!

This is to inform the general public that the Muhammadu Buhari Professional Testing Centre (PTC) 1 - 4, Kaduna, has been commercialised by the Board's Management and is now open for business.

The facility with a seating capacity of 1000 has a multi-purpose hall situated in a serene environment equipped with state-of-the-art technology and cutting edge facilities suitable for training programmes such as capacity-building workshops and seminars, ICT skills development and acquisition, social events such as wedding reception, birthday parties, meeting platform for government and private organisations, faith-based organisations, socio-cultural groups, as well as for recruitment and promotion exercises, selection test for scholarship awards, entrance examinations into basic and post-basic schools, Post-UTME screening test, among others.

For your bookings and enquiries, contact 09013999634.

RE: ADVISORY ON THE DIRECT ENTRY (DE) ALIGNMENT OF DATA FOR REGISTRATION

This advisory is issued to guide Examination Bodies (IJMB, JUPEB and NABTEB) on the process of recommending or rejecting applications for alignment of data for the Direct Entry (DE) registration effective from 2024

1.0 PRE-DE REGISTRATION ALIGNMENT

Going by the experiences of the 2023 DE registration exercise, the Board has introduced, where necessary, the preregistration checks and data alignment for applicants with **IJMB, JUPEB, and NABTEB qualifications**. This provision enables the system to authenticate the details supplied by a prospective candidate at the point of registration with what has been preloaded by the examination bodies. A platform “**THIRD-PARTY A-LEVEL DATA ALIGNMENT PLATFORM (TALDAP)**” has been provided to cater to this.

When a candidate's data (spelling of name, result/grade, subjects) do not align with or are not included in the records supplied by the examination bodies, an alignment must be done on the TALDAP, before proceeding with the DE registration with JAMB.

It is worth noting that there are ONLY two (2) types of preregistration data alignment available on the TALDAP system:

- i. **Missing candidate's data alignment (data omission)** This type of alignment can only be carried out when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate for IJMB/JUPEB/NABTEB does not return any candidate's data.
- ii. **Data discrepancy alignment** This type of alignment can be carried out, when at the point of registration, the exam/matric/registration number supplied by the candidate and on the presented credential of the candidate, for a particular qualification, returns a candidate's data that contain name spelling mistakes/omission, different grades, and/or subject combinations, other than what was presented in the candidate's credential.

2.0 PROCESS OF RECOMMENDING OR REJECTING APPLICATIONS FOR DATA ALIGNMENTS FOR IJMB, JUPEB, AND NABTEB QUALIFICATIONS

This step-by-step procedure outlines how an examination body can recommend/reject an alignment of data application processed by a candidate:

i. Visit NIPEDS Home Page:

- a. Open the web browser and go to nipeds.jamb.gov.ng
- b. Navigate to the examination bodies portal section on the homepage and click on the "Visit Portal" button.
- c. On the new page, enter your login details and click on the "Submit" button

ii. View applications

Navigate to the Data Bank menu on the homepage and click on the "Data Alignment Applications" submenu.

iii. Recommend/Reject application

Click on the desired application. On the page shown, view the details of the application.

- a. **To reject an application:** Click on the "Reject Application" button. On the confirmation modal shown, provide the reason for rejection. Confirm your rejection by clicking on the "Confirm Rejection" button.
- b. **To Recommend an application** Click on the "Recommend Application" button. On the confirmation modal shown
 - Enter the reason for recommending the application
 - If the application is a data discrepancy alignment application, select the type of data discrepancy that is applicable (alignment of name spelling, alignment of subject, alignment of grade)
 - Upload the candidate data.
 - Click on "Confirm Recommendation" to submit the entered details. Once it is submitted, it awaits approval by JAMB before the uploaded data can be added to the bank

3.0 JAMB APPROVAL/REJECTION

It is important to note the following actions that take place once the approval/rejection process is completed by JAMB:

- Once the recommendation has been approved/rejected by JAMB, the system automatically sends an email to the examination body.
- the candidate also gets an email confirming the approval/rejection of his/her application.

Thank you.

SGD
REGISTRAR JAMB

ATTENTION!!!

CESSATION OF ILLEGAL/IRREGULAR ADMISSIONS

 All applications of admissions to **First Degree, National Diploma, National Innovation Diploma and the Nigeria Certificate in Education into Full-Time, Distance Learning, Part-Time, Outreach, Sandwich, etc.**, must be processed **ONLY** through the Joint Admissions and Matriculation Board (JAMB).

 No Institution should advertise or sell “application forms” for admissions into the programmes. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.

 Joint Admissions and Matriculation Board (JAMB) and the three (3) Regulatory Agencies (National Universities Commission (NUC), National Board for Technical Education (NBTE) and National Commission for Colleges of Education (NCCE) will ensure that all Tertiary Institutions comply with this policy directive. Other Professional Regulatory Agencies will also play a role in sanitizing the process.

 The duration of all Non-Full Time Studies must be maintained as approved by the Regulatory Agencies. This is generally not less than one hundred and fifty percent (150%) of the equivalence of Full Time.

ADVERTORIALS

 Institutions that desire to place advertisement can do so with the requirement that candidates who sat for the current **UTME** (or **DE** candidates) should change to their institutions as First (1st) Choice rather than requesting the candidates to purchase another application form or apply. This is to prevent the issue of double registration which is a violation of the mandate of JAMB.

 It should be reiterated that no Institution should advertise or sell “application forms” for admissions into the programmes listed above. Institutions should advise candidates to apply to them through Joint Admissions and Matriculation Board (JAMB). Duplication of application forms is **NOT** allowed.
