Speaking at the resumed hearing, Gadgi said it was wrong to insinuate that the committee had indicted the JAMB Registrar when it was still carrying out its assignment.

He noted that there have been reports in the media that the committee indicted the JAMB

## CCB SENSITISES STAFF ON ASSETS DECLARATION

**I**n a bid to meet up with the target of 31st August, 2023, as the deadline for completion of the Online Asset Declaration Forms by members of staff of the Board, the Assistant Chief Superintendent, Code of Conduct Bureau (CCB), Abia State Office, Mr. Anthony Igboko, on Wednesday, 23rd August, 2023, held a sensitisation talk for the staff of the Joint Admissions and Matriculation Board (JAMB), Umuahia Office, on the mandate of the Bureau and the Codes of Ethics for Public Officers.

In his opening remarks, the Abia State Coordinator, Mr. Johnson Adebisi thanked the facilitator for honouring the invitation despite the short notice.

He stated that the sensitisation was organised to enlighten both the newly-recruited staff as well as the old hands about the importance of

asset declaration by public officers. She stated that the event would also provide a platform to address those grey areas that staff may come across as they strive to complete their Asset Declaration Forms.

According to Mr. Igboko, there are fourteen codes for public officers, which are underscored by Honesty, Transparency and Accountability. He said, in essence, he explained that the codes are meant to preclude false asset declaration, abuse of office, membership of secret cult/organisation, deriving remuneration from another paid employment, among others.

Mr. Igboko also affirmed that asset declaration is a constitutional provision and is mandatory for all career public officers. He added that asset declaration must be done within a stipulated period of time usually, thirty days, and at an

interval of four years.

He disclosed that failure to declare assets by public officers as required by law attracts conviction on the basis of any or all of the following: removal from office, disqualification from holding any public office, forfeiture to the State of any property fraudulently acquired, abuse of office, or dishonesty.

He, therefore, advised all staff to carefully read the instructions before completing their Asset Declaration Forms and ensure that this is done on or before the deadline of 31st August, 2023.

In his closing remarks, the State Coordinator, Mr. Johnson Adebisi, commended the Facilitator for the sensitisation programme, and urged the staff to visit the Bureau's website for timely completion of their Online Asset Declaration Forms.

## MAHMUDA, ALIDZI BOW OUT IN STYLE

**I**t was a celebration galore at the Lafia Zonal Office of the Joint Admissions and Matriculation Board (JAMB) on Thursday, 10th August, 2023, when the duo of the pioneer members of staff of the office, Dr. Mahmud Adamu Mahmuda and Mr. Dio James Alidzi, were given a resounding send-off by the staff.

The Ag. Director, Hajia Munirat Lawal, who was represented by the Deputy Director, Zonal Matters, Mr. Adekunle Makinde, commended the retirees for their immense contributions to the development of the Board.

"Your dedication to duty and

discipline will not be forgotten in a hurry. I urge you not to view your retirement as the end of life, rather you should view it as the time to do more for your fatherland as Nigeria still needs your expertise," she said.

Furthermore, the Director also encouraged the staff of the office to emulate the virtues of hard work and discipline of the two senior functionaries of the Board.

In his response, Dr. Mahmuda expressed his heartfelt appreciation to the management and staff of the Zonal Office for the honour done to them while thanking them for their support while they were in service.

According to him, it was a great

honour serving the Board, noting that it was symbolic for the two of them to retire exactly at the same time as they started their career with the Board almost at the same time. He charged the staff to embrace a culture of sincerity and dedication to their duties.

Until retirement, Dr. Mahmuda was the Director, Nasarawa Zonal Office, Lafia, a position he occupied since 2020. He joined the services of the Board in 1993, served in various capacities and rising through the ranks to attain the peak of his career.

## RESOURCE MANAGEMENT: OGUN STATE COORDINATOR LAUDS STATE ACCOUNTANT FOR PRUDENCE

**T**he Ogun State Coordinator of the Joint Admissions and Matriculation Board (JAMB), Mr. AbdulHakeem AbdulHameed, has lauded the State Office Accountant, Mr. Sikiru Lekuti, for his prudent management of resources. The State Coordinator gave the commendation on Monday, 21st August, 2023, during a meeting with members of staff of the State Office in Abeokuta.

In his remarks, Mr. AbdulHameed expressed deep satisfaction with the conduct of Mr. Lekuti, who had taken the initiative to embark on a facelift of the entrances to the main office entrance and that of its

Professional Registration Centre (PRC).

According to the State Coordinator, the conduct of Mr. Lekuti was in line with the philosophy of the Registrar, Prof. Is-haq Oloyede, who has always emphasized prudent management of public resources.

"It is proper to recognise the ingenuity of Lekuti, who has taken the initiative to prudently utilise the remnants of gravels that the contractors, who worked on the structure left behind, to fill the waterlogged area of both entrances," he said.

In his response, Mr. Lekuti said that he took the initiative in good faith,

stating that he never thought his effort would be recognised.

"I couldn't just look away, the entrances had become an eyesore and slippery, particularly whenever it rained. It was dangerous and could lead to avoidable accidents," he submitted.

The State Coordinator charged staff of the State Office and by extension, all staff of the Board, to emulate Mr. Lekuti's altruism by judiciously managing public resources at their disposal.

## RE: GROUP LAUNCHES APP TO ASSIST UTME CANDIDATES

**T**he attention of the Joint Admissions and Matriculation Board (JAMB) has been drawn to a publication in one of the national dailies by a group who claimed to have an array of educational resources including 15 years past questions.

The Board would like to state categorically that none of these

questions are from its past exercises nor they have any bearing, semblance or attributes of UTME questions.

Candidates desiring to sit the Board's Unified Tertiary Matriculation Examination (UTME) are advised to study relevant materials as prescribed by the examination syllabus on their own and should not allow themselves to

be distracted by dubious processes or apps which only *raison d'être* is making money for their fraudulent creators.

Consequently, appropriate security agencies have been briefed with a view to bringing the sponsors of this app to book.

## RE: UDUS AFFILIATE, FCE ZARIA, GRADUATES DECRY NON-ISSUANCE OF RESULTS 2 YEARS AFTER COMPLETION

**T**he above story published in the Friday, 25th August, 2023, edition of Daily Trust refers.

The Board, as a matter of policy, does not relate with affiliate institutions. As such, it could not have been responsible for the delay in the condonement of illegal admissions of these candidates as been insinuated.

It is worthy of note that the candidates admitted that they were admitted illegally, hence they needed condonement, which was known as "regularisation" in the past. The Board, had from 2020, announced the cessation of condonement of illegal admissions

as all institutions were urged to ensure that their admissions are done through the right channels. Meanwhile, the Board has also ensured that institutions with peculiar challenges are assisted to achieve their set mandate as long as the right things are done and done transparently.

At the moment, no request has been made to the Board for condonement from the parent institution to which FCE Zaria, is affiliated.

Consequently, no condonement could have been processed as the request for such had not been received from the parent institution. It is, therefore, crystal clear that the

affiliate institution has not sufficiently addressed preliminary issues that would lead to conclusive affiliation.

The public is to note that admission can only be done on the Board's Central Admissions Processing System (CAPS) with candidates receiving their admission letters instantly. Any admission done outside this platform is illegal and the Board would not condone any underhand admission on account of the announced cessation of such with effect from 2020.

## Nigeria Post-secondary Education Data System (NIPEDS)

Following the enormity of the challenges associated with the A 'level qualifications and stakeholders determined efforts to address them, an A 'level bank was instituted under the chairmanship of the former Vice-Chancellor of Bayero University, Kano, Prof Muhammad Yahuza Bello. The Data Bank has now been renamed "Nigeria Post-secondary Education Data System (NIPEDS)".

The conversion to NIPEDS is to streamline the functions of the A 'level bank in line with international standard thereby bringing total sanity to the entire process of A 'level qualifications that has been fraudulently manipulated by some candidates to gain undue advantage in securing admission into Year Two of the University Degree programmes.

### ...JAMB is a tested and Trusted Organisation - ASCSN President

uncommon display of credibility, efficiency, integrity, accountability, transparency, inclusiveness and deployment of technology in its operations.

"JAMB is an organisation that has been tested and trusted. A lot of people has reposed confidence in your leadership and operations. In fact, we have followed your antecedents, your track records, your achievements as well as your aspirations and passion for the job, without mincing words, you have taken JAMB to an enviable height and by so doing, positively changed the narratives of the Board."

The Union leader, who was particularly impressed with the industrial harmony between JAMB and its Unions, a welfare model that was all encompassing and institutionalised, result-oriented training and capacity building policy, remodelling of the Board's

National Headquarters, prompt and timely staff promotion exercises and reward system, among others.

"The Director of Press did say you are labour-friendly but this is an understatement you are not just labour-friendly, you are an embodiment of humanity," he said.

He also noted that the uncommon transformations under Prof. Oloyede would not only enhance efficiency of labour and productivity but would give the staff a sense of belonging and commitment.

He, therefore, tasked members of JAMB-ASCSN not to see unionism as a license for arrogance and radicalism but should rather see it as an avenue for forging a symbiotic relationship towards achieving a common goal. Hence, he urged members to reciprocate this kind gesture with dedication and commitment to the ideals of the organisation.

In his remarks, the Registrar thanked the National President for the visit as well as his kind words for the Board.

According to him, Unions are germane to the development of any society as they work for everybody including those who appear to be at the other side of the divide, stating that what was not good is to strive to destroy or discredit the system.

"We should not make our people suffer because we want to strike. We must apply wisdom where it matters and not put undue pressure or apply sanctions that would destroy the system. There is, therefore, a need for workers and their employers to synergise without destroying the system or putting undue pressure," he said.

ASCSN is one of the leading trade unions in Nigeria representing senior staff in the nation's Civil Service. The union was founded in 1978.
