# Correlation of UTME Score with Post-UTME Screening Score (Message from Alex Ekweme Federal University)

Registrar Sir,

Good morning and well done for the excellent 2020 Policy meeting.

I wonder how you have the energy you expend, more health and blessings from Allah.

Our university admission committee met yesterday. We agreed to use the UTME score only for our admission this year.

Before now we had examined our previous Post-UTME scores and compared with the JAMB scores and found a very high correlation.

We however have a number of programmes without enough applicants. For this reason, among others will sh

all be advertising for those who will want to change.

Have a blessed day, sir.

VC, SE-FUNAI

## “I made Mistake”

- ✓ It is called “I made Mistake”
- ✓ Candidate initially upload genuine O’ level results to JAMB on CAPS
- ✓ Upload fake result with higher grades to the portal of the institution
- ✓ The fake result boost the ranking of the candidate at the institution
- ✓ The fake result is then substituted with genuine one (with lower grades)
- ✓ JAMB spot-checked and accused the institution of manipulation – Unilorin 2019 experience at registration point

## Skipping of Merit Candidates

### CLAIM

- A candidate wrote to the Board that University of Benin denied her admission to Doctor of Pharmacy
- The University claimed it was as a result of quota

### FACT

- The candidate has all requirements to be admitted on merit
- She ranked as one of the best 30 for the programme
- We adjusted the **quota by two spaces** to be able to accommodate her because two other candidates who took her place had accepted admission

# 2020 UTME: INFRACTION IN THE ADMISSION PROCESS

## Quota of Regulated Programmes - Manipulation by Institutions

Some institutions took undue advantage to manipulate quota of regulated programmes during preparation of parameters to admit candidates more than the approved capacity

Institutions involved were sanctioned and admissions carried out reversed

# 2020 UTME: INFRACTION IN THE ADMISSION PROCESS

## Misleading the Board to Increase Quota

### CLAIM

Ignatius Ajuru University of Education wrote to the Board to reverse admission of **151 candidates** who had not accepted admission so that it would be able to replace them and conclude admission exercise

### FACT

- When we checked on CAPS, **116 candidates** had accepted admission out of the 151
- JAMB will not reverse the admission until candidates are contacted individually
- We could have tempted to extend the window for the University to admit more but for the check and contact to individual candidates

## Adjustment of Merit Cut-Off Mark

### Request

- ✓ Abia State University requested for adjustment Merit Cut-Off of some highly subscribed programmes without following derivation formula
- ✓ The University was educated - Merit cut-off is derived and not imposed

### REQUEST FOR ADJUSTMENT OF CUT-OFF MARK

I write to humbly request that you adjust our merit cut-off mark for the under listed courses.

S/N	Discipline	Old Merit Cut-Off	New Merit Cut-Off

## Accusation for Fixing Minimum UTME Score

- ✓ An official of Plateau State Polytechnic alleged and claimed at a meeting on 24<sup>th</sup> February, 2021 that JAMB changed the Polytechnic's minimum UTME score to 150
- ✓ Evidence that the Polytechnic actually submitted 150 as its minimum score was made available
- ✓ The institution has tendered an unreserved apology

Dear Sir,

#### APOLOGY LETTER

Following the zoom meeting of the JAMB Registrar with Heads of Tertiary Institutions in Nigeria held on 24<sup>th</sup> February, 2021, my attention was drawn to the un-authorized statement made by a staff of the Institution, alleging that JAMB wrongly set our Institution's cut-off point at 150, thereby portraying your distinguished organization in a bad light.

The Plateau State Polytechnic Barkin Ladi hereby wishes to passionately and sincerely tender the Institution's un-reserved apology to the Registrar/Chief Executive as well as the entire staff of JAMB for the action of our staff. The staff has therefore been queried for the behavior and has promised not to make such un-authorized statement again.

Sir, you may wish to consider our plea and direct that the Polytechnic's Institutional cut-off point should be reversed to 120 against the initial cut-off point of 150, to meet up with our admission quota

Sir, the Polytechnic will not hesitate when given the opportunity to personally /physically appear before the Registrar to further tender the Institution's apology on the said action, please.

Accept my esteemed assurances and regards.

- ✓ **No worthwhile Supermarket uses open price tag for calculation at exit point**
- ✓ **Barcode & QR codes are important**

# The Need to verify Students' Credentials Before Graduation

## An Eye- opener by Prof. Muhammad Yahuza Bello

- ✓ Bayero University usually verify the credentials used by students to gain admission before such students are allowed to graduate
- ✓ Those found to have used forged/altered qualifications (after following due process, including giving them the opportunity to defend themselves) are expelled by Senate in accordance with University Regulations
- ✓ A memorandum (research paper) by former Vice-Chancellor of Bayero University, Kano, Prof. Yahuza shows that of the **148 students** who were already admitted into the University with IJMB results, **only 8 were found to be genuine**
- ✓ The University Senate expelled all the 40 students after establishing beyond any doubt that the qualifications they used to gain admissions were fake. Some disturbing observations were made on the forgeries
- ✓ The numbers of students coming with fake/forged documents from the same “institutions”, and the similarities of the forgery are indications that some syndicate(s) might be involved in producing such fake documents.
- ✓ Forged entry result **does not correlate** with grades obtained by the candidate in internal examinations
- ✓ Most institutions these category of candidates claimed to have attended do not exist
- ✓ **Forgeries have the tendencies of causing unreparable damage to the nation's education system**

  - Indigene Merit Quota is the additional **35%** allotted to indigenes of the State on merit basis after the first topmost 10% National Merit

## What the University Requested

- ✓ Niger Delta University Requested for upward review of aggregate for merit and it was approved
  - Merit – 60%
  - Catchment – 25%
  - ELDS - 15%
- ✓ This is with a view of admitting the best candidates for the 2020/2021 UTME admission

## **‘DIGITAL QUESTIONS’**

- ✓ JAMB is not unmindful of advertisers of ‘Digital Questions’ purportedly covering CBT past questions between 2013 and 2018
- ✓ Despite carrying the acronym and logo of the Board, **it is fake**
- ✓ A candidate in one of the examination Centres, after seeing her questions during the 2021 UTME fainted and was rescued
- ✓ She confessed that the questions were all different from what she saw in the system
- ✓ The syndicate of tutorial fraudsters recently contributed millions of Naira to fund sustained propaganda and falsehood which includes protest against JAMB
- ✓ JAMB is also aware of certain criminalities committed by the group in their desperate bid to access live questions of the Board

## SOCIAL MEDIA STATISTICS

- ✓ Immediately the results were released, a number of statistics through the social medial platforms started trending
- ✓ The statics were fake and misleading
- ✓ One of the most trending of these statistics stated that JAMB conducted examination for over six million candidates and only 14% of the candidates passed.
- ✓ For clarification, UTME is not a pass or fail examination but a selection test that is based on other factors

screen short of the purported 'statistics'  
whose basis is wrong

## FORGERS AND FRAUDSTERS NOT RELENTING

- ✓ Fraudsters who had been benefitting from examination malpractice continue to mislead candidates and general public, distributing fake documents that the 2021 **UTME was cancelled for all candidates who scored below 170 marks** and JAMB would conduct a re-sit exam for them.
- ✓ Again, they were mistaken. **We are grateful to Government especially FME**

# STRATEGIES OF MALPRACTICE

## **Curbing Malpractice by NOT Capturing of Fresh Images and Biometric**

- ✓ Capturing of fresh facial and finger biometric images of candidates **encourages impersonation** and substitution of paid examination takers with real candidates who must have engaged the paid examination takers for the SSCE and UTME.
- ✓ Concerted efforts by JAMB, other educational assessment bodies and the NYSC have implicated tertiary institutions (few of them) unwittingly in the scandal
- ✓ You are therefore requested not to capture fresh images and biometric

#### ADVISORY ON CANDIDATES' O' LEVEL DOWNLOAD BY ADMISSION OFFICERS

The Board observed during the 2020 Admissions Exercise that the O'level results which candidates upload on CAPS for JAMB verification were different from the one uploaded on institution's portal by the same candidates. In order to address the issues, the Board has added a new feature to strengthen the reliability of CAPS and making the 2021 admissions process easier. This feature ensures compliance with Federal Government ease of doing business because once the candidates upload into CAPS, it is automatically transferred to the institutions upon download. This will also eliminate some of the pranks currently being played by candidates which they mischievously refer to as "I made mistake".

This advisory is to notify the institutions on the process of downloading the list of candidates together with the O' Level details of the candidates on CAPS before initiating the process of admission for any programme. The steps are:

1. As an admission officer, click on "Download First Choice", then click on "Download O' level Result" menu.
2. The page as attached (Appendix 1) comes up after step 1 above and the process below followed which can also be seen on the attached:-
  - a. Select a particular program to download O 'level results of candidates in the program.
  - b. Click on the "View" button
  - c. The O' Level results of candidates in the program will be displayed in the grid view.
  - d. Click on the excel icon to download the O' Level results.

Please note, Admission Officers will not be able to admit candidates into any program using the "Admit Candidate" page, unless the O 'Level results of candidates has been downloaded for that program.

The sample is attached for clearer guidance.

Accept the assurances of the Registrar's highest regards.
